**Official Order
of the
Texas Commissioner of Workers' Compensation**

Date: 12/14/2022

Subject Considered:

Texas Council Risk Management Fund
P.O. Box 26655
Austin, Texas 78755-0655

Consent Order
DWC Enforcement File No. 29839

General remarks and official action taken:

This is a consent order with Texas Council Risk Management Fund (Respondent). The commissioner of the Texas Department of Insurance, Division of Workers' Compensation (DWC) considers whether DWC should take disciplinary action against Respondent.

Waiver

Respondent acknowledges that the Texas Labor Code and other applicable laws provide certain rights. Respondent waives all of these rights, and any other procedural rights that apply, in consideration of the entry of this consent order.

Findings of Fact

1. Respondent is a self-insured government entity that provides workers' compensation benefits to its employees in accordance with Tex. Lab. Code Ch. 504.
2. Respondent was classified as "average" tier in the 2007, 2009, 2016, and 2020 Performance Based Oversight (PBO) assessments, and as "high" tier in the 2012 and 2018 PBO assessments. Respondent was not selected to be tiered in the 2010 or 2014 PBO assessments.

DWC Audit No. IBA-22-124

3. On [REDACTED] DWC initiated DWC Audit No. IBA-22-124 to determine whether Respondent complied with the Texas Labor Code and related rules on the timely payment of death benefits, as well as timely submitting claim data to DWC.
4. The audit examined DB payments that Respondent reported issuing between [REDACTED] and [REDACTED] DWC identified three initial death benefits claims for audit. These three claims were reviewed to determine Respondent's compliance.
5. The audit focused on the accuracy of Respondent's payment of death benefits, as well as timely submitting claim data to DWC. The electronic data interchange (EDI) portion of the audit focused on timely reporting death benefit terminations.

Failure to Timely Pay Accurate Death Benefits

6. Respondent failed to accurately pay death benefits for 100% of examined payments (3 out of 3).
7. Specifically, Respondent issued underpayments to beneficiaries for 51, 104, and 77 weeks for the three examined payments, with total underpayment amounts for these claims being [REDACTED] and [REDACTED] respectively. The underpayment of [REDACTED] should have been paid to the Subsequent Injury Fund.

Failure to Timely Report Claim Data to DWC

8. Respondent failed to timely report the total number of death benefit terminations for 100% of examined payments (2 out of 2).
9. Specifically, Respondent failed to timely report the true death benefit terminations of examined payments in two instances.

Assessment of Sanction

1. Failure to provide death benefits in a timely and cost-effective manner is harmful to injured employees, their beneficiaries, and the Texas workers' compensation system.
2. DWC relies on claims information insurance carriers submit for many purposes, including, but not limited to, providing required information and reports to the Legislature, ensuring that insurance carriers comply with the Texas Labor Code and DWC rules, and detecting patterns and practices in actions insurance carriers take on claims.
3. In assessing the sanction for this case, DWC fully considered the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e):
 - the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act;
 - the history and extent of previous administrative violations;
 - the violator's demonstration of good faith, including actions it took to rectify the consequences of the prohibited act;
 - the penalty necessary to deter future violations;
 - whether the administrative violation had a negative impact on the delivery of benefits to an injured employee or their beneficiaries;
 - the history of compliance with EDI requirements;
 - to the extent reasonable, the economic benefit resulting from the prohibited act; and
 - other matters that justice may require, including, but not limited to:
 - PBO assessments;
 - prompt and earnest actions to prevent future violations;
 - self-report of the violation;
 - the size of the company or practice;
 - the effect of a sanction on the availability of health care; and
 - evidence of heightened awareness of the legal duty to comply with the Texas Workers' Compensation Act and DWC rules.
4. DWC found the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e) to be aggravating: the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act; the history and extent of previous administrative violations; the penalty necessary to

deter future violations; and whether the administrative violation had a negative impact on the delivery of benefits to an injured employee or their beneficiaries.

5. DWC found the following mitigating factors pursuant to Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e): PBO assessments and Respondent's prompt and earnest actions to prevent future violations.
6. Respondent acknowledges communicating with DWC about the relevant statute and rule violations alleged; that the facts establish that the administrative violation(s) occurred; and that the proposed sanction is appropriate, including the factors DWC considered under Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).
7. Respondent acknowledges that, in assessing the sanction, DWC considered the factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).

4. Pursuant to Tex. Lab. Code § 415.021, the commissioner may assess an administrative penalty against a person who commits an administrative violation.
5. Pursuant to Tex. Lab. Code §§ 408.081, 409.023, and 415.002(a)(16), an insurance carrier must pay benefits weekly, as and when the benefits accrue, without order from the commissioner.

7. Pursuant to Tex. Lab. Code § 415.002(a)(20) and (22), an insurance carrier or its representative commits an administrative violation each time it violates a DWC rule or a provision of the Texas Workers' Compensation Act.

Failure to Timely Pay Accurate Death Benefits

Code §§ 124.3 and 124.7, an insurance carrier is required to initiate payment of death benefits no later than the 15th day after it receives written notice of the injury or the seventh day after the accrual date. It must also notify DWC in writing of its initiation of income or death benefits payments in the manner DWC rules prescribe.
11. Pursuant to 28 Tex. Admin. Code § 124.2(e)(4)-(6), the insurance carrier must notify DWC and the claimant of any changes, resurreptions, or terminations involving death benefits.
12. Pursuant to 28 Tex. Admin. Code § 132.17(f), an insurance carrier must initiate payment of death benefits to eligible claimants. If the insurance carrier believes a claimant is not eligible, it must file a notice of dispute of eligibility in the form and manner DWC prescribes.
13. Respondent violated Tex. Lab. Code §§ 408.181; 409.021; 415.002(a)(16), (20), and (22); and 28 Tex. Admin. Code §§ 124.3;124.7; and 132.17 each time Respondent failed to accurately pay death benefits.

Code § 124.2(a) and (b), insurance carriers are required to notify DWC and the injured employee of actions taken or events occurring in a claim, as specified by rule in the form and manner DWC prescribes. Inherent in this duty is the requirement that insurance carriers report this information accurately.
