(1) at the time of injury, the employee is subject to this subtitle; and

(2) the injury arises out of and in the course and scope of employment.

(b) If an injury is an occupational disease, the employer in whose employ the employee was last injuriously exposed to the hazards of the disease is considered to be the employer of the employee under this subtitle.

Acts 1993, 73rd Leg., ch. 269, Sec. 1, eff. Sept. 1, 1993.

Sec. 406.032. EXCEPTIONS. An insurance carrier is not liable for compensation if:

(1) the injury:

(A) occurred while the employee was in a state of intoxication;

(B) was caused by the employee's wilful attempt to injure himself or to unlawfully injure another person;

(C) arose out of an act of a third person intended to injure the employee because of a personal reason and not directed at the employee as an employee or because of the employment;

(D) arose out of voluntary participation in an off-duty recreational, social, or athletic activity that did not constitute part of the employee's work-related duties, unless the activity is a reasonable expectancy of or is expressly or impliedly required by the employment; or

(E) arose out of an act of God, unless the employment exposes the employee to a greater risk of injury from an act of God than ordinarily applies to the general public; or

(2) the employee's horseplay was a producing cause of the injury.

(a) In an action against an employer by or on behalf of an employee who is not covered by workers' compensation insurance obtained in the manner authorized by Section 406.003 to recover damages for personal injuries or death sustained by an employee in the course and scope of

the employment, it is not a defense that:

- (1) the employee was guilty of contributory negligence;
- (2) the employee assumed the risk of injury or death; or
- (3) the injury or death was caused by the negligence of a fellow employee.

(b) This section does not reinstate or otherwise affect the availability of defenses at common law, including the defenses described by Subsection (a).

(c) The employer may defend the action on the ground that the injury was caused:

(1) by an act of the employee intended to bring about the injury; or

(2) while the employee was in a state of intoxication.

(d) In an action described by Subsection (a), the plaintiff must prove negligence of the employer or of an agent or servant of the employer acting within the general scope of the agent's or servant's employment.

(g) The waiver provisions required under Subsection (f) must be conspicuous and appear on the face of the agreement. To be conspicuous, the waiver provisions must appear in a type larger than the type contained in the body of the agreement or in contrasting colors.

(b) An employee who desires to retain the common-law right of action to recover damages for personal injuries or death shall notify the employer in writing that the employee waives coverage under this subtitle and retains all rights of action under common law. The employee must notify the employer not later than the fifth day after the date on which the employee:

(1) begins the employment; or

(c) An employer may not require an employee to retain common-law rights under this section as a condition of employment.

(d) An employee who elects to retain the right of action or a legal beneficiary of that employee may bring a cause of action for damages for injuries sustained in the course and scope of the employment under common law or under a statute of this state. Notwithstanding Section 406.033, the cause of action is subject to all defenses available under common law and the statutes of this state unless the employee has waived coverage in connection with an agreement with the employer.

(a) For purposes of workers' compensation insurance coverage, a person who performs work or provides a service for a general contractor or motor carrier who is an employer under this subtitle is an employee of that general contractor or motor carrier, unless the person is:

- (1) operating as an independent contractor; or
- (2) hired to perform the work or provide the service as an employee of a person operating as an independent contractor.

(b) A subcontractor and the subcontractor's employees are not employees of the general contractor for purposes of this subtitle if the subcontractor:

- (2) has entered into a written agreement with the general contractor that evidences a relationship in which the subcontractor assumes the responsibilities of an employer for the performance of work.

(c) An owner operator and the owner operator's employees are not employees of a motor carrier for the purposes of this subtitle if the owner operator has entered into a written agreement with the motor carrier that evidences a relationship in which the owner operator assumes the responsibilities of an employer for the performance of work.

may enter into an agreement for the deduction of premiums paid in accordance with Subsection (d).

(c) A motor carrier and an owner operator may enter into a written agreement under which the motor carrier provides workers' compensation insurance coverage to the owner operator and the employees of the owner operator.

(d) If a general contractor or a motor carrier elects to provide coverage under Subsection (a) or (c), then, notwithstanding Section 415.006, the actual premiums, based on payroll, that are paid or incurred by the general contractor or motor carrier for the coverage may be deducted from the contract price or other amount owed to the subcontractor or owner operator by the general contractor or motor carrier.

(e) An agreement under this section makes the general contractor the employer of the subcontractor and the subcontractor's employees only for purposes of the workers' compensation laws of this state.

(f) A general contractor shall file a copy of an agreement entered into under this section with the general contractor's workers' compensation insurance carrier not later than the 10th day after the date on which the contract is executed. If the joint agreement is signed by both the hiring contractor and the subcontractor and filed with the division, the subcontractor, as a matter of law, is an independent contractor and not an employee, and is not entitled to workers' compensation insurance coverage through the hiring contractor unless an agreement is entered into under Section 406.144 to provide workers' compensation insurance coverage. The commissioner shall prescribe forms for the joint agreement.

(2) exert controls over an independent contractor or an employee of an independent contractor sufficient to make that person an employee under common-law tests.

(b) A hiring contractor does not exert employer-like controls over an independent contractor or an independent contractor's employee solely because of:

(1) controlling the hours of labor, if that control is exercised only to:

(A) establish the deadline for the completion of the work called for by the contract;

(B) schedule work to occur in a logical sequence and to avoid delays or interference with the work of other contractors; or

(C) schedule work to avoid disturbing neighbors during night or early morning hours or at other times when the independent contractor's activities would unreasonably disturb activities in the neighborhood; or

(2) stopping or directing work solely to prevent or correct an unsafe work practice or condition or to control work to ensure

that the end product is in compliance with the contracted for result.

In the case of a group composed of a trust existing on September 1, 2003, the trust

(c) In this section, "gross negligence" has the meaning assigned by Section 41.001, Civil Practice and Remedies Code.

(d) A determination under Section 406.032, 409.002, or 409.004 that a work-related injury is noncompensable does not adversely affect the exclusive remedy provisions under Subsection (a).

(a-1) A doctor, other than a chiropractor, who performs a required medical examination under this section is subject to Section 408.0043. A chiropractor who performs a required medical examination under this section is subject to Section 408.0045.

(b) The commissioner may require an employee to submit to a medical examination at the request of the insurance carrier, but only after the insurance carrier has attempted and failed to receive the permission and concurrence of the employee for the examination. Except as otherwise provided by this subsection, the insurance carrier is entitled to the examination only once in a 180-day period. The commissioner may adopt rules that require an employee to submit to not more than three medical examinations in a 180-day period under specified circumstances, including to determine whether there has been a change in the employee's condition and whether it is necessary to change the employee's diagnosis. The commissioner by rule shall adopt a system for monitoring requests made under this subsection by insurance carriers. That system must ensure that good cause exists for any additional medical examination allowed under this subsection

that is not requested by the employee. A subsequent examination must be performed by the same doctor unless otherwise approved by the commissioner.

(c) The insurance carrier shall pay for:

(1) an examination required under Subsection (a) or (b);

and

(2) the reasonable expenses incident to the employee in submitting to the examination.

(e) An employee who, without good cause as determined by the commissioner, fails or refuses to appear at the time scheduled for an examination under Subsection (a) or (b) commits an administrative violation. Sec. 408.0041. DESIGNATED DOCTOR EXAMINATION. (a) At the request of an insurance carrier or an employee, or on the

commissioner's own order, the commissioner may order a medical examination to resolve any question about:

- (1) the impairment caused by the compensable injury;
- (2) the attainment of maximum medical improvement;
- (3) the extent of the employee's compensable injury;
- (4) whether the injured employee's disability is a direct result of the work-related injury;
- (5) the ability of the employee to return to work; or
- (6) issues similar to those described by Subdivisions (1)-(5).

(b) Except as provided by Section 408.1225(f), a medical examination requested under Subsection (a) shall be performed by the next available doctor on the division's list of certified designated doctors whose credentials are appropriate for the area of the body affected by the injury and the injured employee's diagnosis as determined by commissioner rule. The division shall assign a designated doctor not later than the 10th day after the date on which the request under Subsection (a) is approved, and the examination must be conducted not later than the 21st day after the date on which the commissioner issues the order under Subsection (a). An examination under this section may not be conducted more frequently than every 60 days, unless good cause for more frequent examinations exists, as defined by commissioner rules.

(b-1) A designated doctor, other than a chiropractor, is subject to Section 408.0043. A designated doctor who is a chiropractor is subject to Section 408.0045. To the extent of a conflict between this section and Section 408.0043 or 408.0045, this section controls.

(c) The treating doctor and the insurance carrier are both responsible for sending to the designated doctor all of the injured employee's medical records relating to the issue to be evaluated by the designated doctor that are in their possession. The treating doctor and insurance carrier may send the records without a signed release from the employee. The designated doctor is authorized to receive the employee's confidential medical records to assist in the resolution of disputes. The treating doctor and insurance carrier may also send the designated doctor an analysis of the injured employee's medical condition, functional abilities, and return-to-work opportunities.

(d) To avoid undue influence on a person selected as a

designated doctor under this section, and except as provided by Subsection (c), only the injured employee or an appropriate member of the division's staff may communicate with the designated doctor about the case regarding the injured employee's medical condition or history before the examination of the injured employee by the designated doctor. After that examination is completed, communication with the designated doctor regarding the injured employee's medical condition or history may be made only through appropriate division staff members. The designated doctor may initiate communication with any doctor or health care provider who has previously treated or examined the injured employee for the work-related injury or with peer reviewers identified by the insurance carrier.

(e) The designated doctor shall report to the division. The report of the designated doctor has presumptive weight unless the preponderance of the evidence is to the contrary. An employer may make a bona fide offer of employment subject to Sections 408.103(e) and 408.144(c) based on the designated doctor's report.

(f) Unless otherwise ordered by the commissioner, the insurance carrier shall pay benefits based on the opinion of the designated doctor during the pendency of any dispute. If an insurance carrier is not satisfied with the opinion rendered by a designated doctor under this section, the insurance carrier may request the commissioner to order an employee to attend an examination by a doctor selected by the insurance carrier.

(f-1) The subsequent injury fund shall reimburse an insurance carrier for any overpayment of benefits made by the insurance carrier under Subsection (f) based on an opinion rendered by a designated doctor if that opinion is reversed or modified by a final arbitration award or a final order or decision of the commissioner or a court. The commissioner shall adopt rules to provide for a periodic reimbursement schedule, providing reimbursement at least annually.

(f-2) An employee required to be examined by a designated doctor may request a medical examination to determine maximum medical improvement and the employee's impairment rating from the treating doctor or from another doctor to whom the employee is referred by the treating doctor if:

(1) the designated doctor's opinion is the employee's first evaluation of maximum medical improvement and impairment rating; and

(2) the employee is not satisfied with the designated

doctor's opinion.

(f-3) The commissioner shall provide the insurance carrier and the employee with reasonable time to obtain and present the opinion of a doctor selected under Subsection (f) or (f-2) before the commissioner makes a decision on the merits of the issue.

(f-4) The commissioner by rule shall adopt guidelines prescribing the circumstances under which an examination by the employee's treating doctor or another doctor to whom the employee is referred by the treating doctor to determine any issue under Subsection (a), other than an examination under Subsection (f-2), may be appropriate.

(g) Except as otherwise provided by this subsection, an injured employee is entitled to have a doctor of the employee's choice present at an examination requested by an insurance carrier under Subsection (f). The insurance carrier shall pay a fee set by the commissioner to the doctor selected by the employee. If the injured employee is subject to a workers' compensation health care network under Chapter 1305, Insurance Code, the doctor must be the employee's treating doctor.

(h) The insurance carrier shall pay for:

(1) an examination required under Subsection (a), (f), or (f-2), unless otherwise prohibited by this subtitle or by an order or rule of the commissioner; and

(2) the reasonable expenses incident to the employee in submitting to the examination.

(i) An employee who, without good cause as determined by the commissioner, fails or refuses to appear at the time scheduled for an examination under Subsection (a) or (f) commits an administrative violation. An injured employee may not be fined more than \$10,000 for a violation of this subsection.

(j) An employee is not entitled to temporary income benefits, and an insurance carrier is authorized to suspend the payment of temporary income benefits, during and for a period in which the employee fails to submit to an examination required by Subsection (a) or (f) unless the commissioner determines that the employee had good cause for the failure to submit to the examination. The commissioner may order temporary income benefits to be paid for the period for which the commissioner determined that the employee had good cause. The commissioner by rule shall ensure that:

(1) an employee receives reasonable notice of an

examination and the insurance carrier's basis for suspension; and

(2) the employee is provided a reasonable opportunity to reschedule an examination for good cause.

(k) If the report of a designated doctor indicates that an employee has reached maximum medical improvement or is otherwise able to return to work immediately, the insurance carrier may suspend or reduce the payment of temporary income benefits immediately.

(l) A person who makes a frivolous request for a medical examination under Subsection (a) or (f), as determined by the commissioner, commits an administrative violation.

(b) A medical examination under this section shall be performed by the employee's treating doctor. The insurance carrier shall pay the costs of the examination.

(c) After the medical examination is performed, the treating doctor shall submit to the insurance carrier a report that details all injuries and diagnoses related to the compensable injury, on receipt of which the insurance carrier shall:

(1) accept all injuries and diagnoses as related to the compensable injury; or

(2) dispute the determination of specific injuries and diagnoses.

(d) Any treatment for an injury or diagnosis that is not

accepted by the insurance carrier under Subsection (c) as compensable at the time of the medical examination under Subsection (a) must be preauthorized before treatment is rendered. If the insurance carrier denies preauthorization because the treatment is for an injury or diagnosis unrelated to the compensable injury, the injured employee or affected health care provider may file an extent of injury dispute.

(e) Any treatment for an injury or diagnosis that is accepted by the insurance carrier under Subsection (c) as compensable at the time of the medical examination under Subsection (a) may not be reviewed for compensability, but may be reviewed for medical necessity.

(f) The commissioner may adopt rules relating to requirements for a report under this section, including requirements regarding the contents of a report.

(g) This section does not limit an injured employee or insurance carrier's ability to request an examination under Section 408.04 or 408.0041, as provided by those sections.

(1) the attack can be identified as:

(A) occurring at a definite time and place; and

(B) caused by a specific event occurring in the course and scope of the employee's employment;

(2) the preponderance of the medical evidence regarding the attack indicates that the employee's work rather than the natural progression of a preexisting heart condition or disease was a substantial contributing factor of the attack; and

SUBCHAPTER B. MEDICAL BENEFITS

Sec. 408.021. ENTITLEMENT TO MEDICAL BENEFITS. (a) An employee who sustains a compensable injury is entitled to all health care reasonably required by the nature of the injury as and when needed. The employee is specifically entitled to health care that:

(1) cures or relieves the effects naturally resulting from the compensable injury;

(2) promotes recovery; or

(3) enhances the ability of the employee to return to or retain employment.

(b) Medical benefits are payable from the date of the compensable injury.

(c) Except in an emergency, all health care must be approved or recommended by the employee's treating doctor.

(d) An insurance carrier's liability for medical benefits may not be limited or terminated by agreement or settlement.

Acts 1993, 73rd Leg., ch. 269, Sec. 1, eff. Sept. 1, 1993.

Sec. 408.022. SELECTION OF DOCTOR. (a) Except in an emergency, the division shall require an employee to receive medical treatment from a doctor chosen from a list of doctors approved by the commissioner. A doctor may perform only those procedures that are within the scope of the practice for which the doctor is licensed. The employee is entitled to the employee's initial choice of a doctor from the division's list.

(b) If an employee is dissatisfied with the initial choice of a doctor from the division's list, the employee may notify the division and request authority to select an alternate doctor. The notification must be in writing stating the reasons for the change, except notification may be by telephone when a medical necessity exists for immediate change.

(c) The commissioner shall prescribe criteria to be used by the division in granting the employee authority to select an alternate doctor. The criteria may include:

(1) whether treatment by the current doctor is medically inappropriate;

(2) the professional reputation of the doctor;

(3) whether the employee is receiving appropriate medical care to reach maximum medical improvement; and

(4) whether a conflict exists between the employee and the doctor to the extent that the doctor-patient relationship is jeopardized or impaired.

(d) A change of doctor may not be made to secure a new impairment rating or medical report.

(e) For purposes of this section, the following is not a selection of an alternate doctor:

(1) a referral made by the doctor chosen by the employee if the referral is medically reasonable and necessary;

(2) the receipt of services ancillary to surgery;

(3) the obtaining of a second or subsequent opinion only on the appropriateness of the diagnosis or treatment;

(4) the selection of a doctor because the original doctor:

(A) dies;

(B) retires; or

(C) becomes unavailable or unable to provide medical

care to the employee; or

(5) a change of doctors required because of a change of residence by the employee.

(f) This section does not apply to requirements regarding the selection of a doctor under a workers' compensation health care network established under Chapter 1305, Insurance Code, except as provided by that chapter.

Sec. 408.0221. REQUEST FOR DESCRIPTION OF EMPLOYMENT. (a) This section applies only to an employee of an employer who has 10 or more employees.

(b) To facilitate an injured employee's return to employment as soon as it is considered safe and appropriate by the injured employee's treating doctor, the treating doctor may request that the injured employee's employer provide the treating doctor with the information described by Subsection (d) on the form adopted under that subsection.

(c) Information provided to a treating doctor under Subsection (b) does not constitute:

(1) a request by the employer that the injured employee return to the employment;

(2) an offer of employment by the employer for the injured employee to return to employment; or

(3) an admission of the compensability of the injury of the employee.

(d) The commissioner shall prescribe a form to provide information from an employer to a treating doctor concerning the functions and physical responsibilities of an injured employee's job. To the extent possible, the form prescribed under this subsection shall be one page, use a check box format as appropriate, and be compatible with electronic mail. The form must include:

(1) the name and address of the employer and the contact information and availability of the individual representing the employer who has knowledge of the injured employee's job;

(2) the scope of the injured employee's employment, including any specific tasks, job duties, or work activities that the injured employee was required to perform at the time the employee sustained the injury; and

(3) an area for additional comments or information by the employer or individual representing the employer concerning:

(A) the injured employee's job; or

(B) the availability, if any, of other jobs that the employer may have that the employer would like the treating doctor to consider in determining whether an injured employee is able to return to work.

(e) The commissioner may adopt rules as necessary to implement this section and to facilitate communication between the employer and the treating doctor regarding return-to-work opportunities.

Sec. 408.023. LIST OF APPROVED DOCTORS; DUTIES OF TREATING DOCTORS. (a) The division shall develop a list of doctors licensed in this state who are approved to provide health care services under this subtitle. A doctor is eligible to be included on the division's list of approved doctors if the doctor:

(1) registers with the division in the manner prescribed by commissioner rules; and

(2) complies with the requirements adopted by the commissioner under this section.

(b) The commissioner by rule shall establish reasonable requirements for training for doctors as a prerequisite for inclusion on the list. Except as otherwise provided by this section, the requirements adopted under this subsection apply to doctors and other health care providers who:

(1) provide health care services as treating doctors;

(2) provide health care services as authorized by this chapter;

(3) perform medical peer review under this subtitle;

(4) perform utilization review of medical benefits provided under this subtitle; or

(5) provide health care services on referral from a

treating doctor, as provided by commissioner rule.

(c) The division shall issue to a doctor who is approved by the commissioner a certificate of registration. In determining whether to issue a certificate of registration, the commissioner may consider and condition approval on any practice restrictions applicable to the applicant that are relevant to services provided under this subtitle. The commissioner may also consider the practice restrictions of an applicant when determining appropriate sanctions under Section 408.0231.

(d) A certificate of registration issued under this section is valid, unless revoked, suspended, or revised, for the period provided by commissioner rule and may be renewed on application to the division. The division shall provide notice to each doctor on the approved doctor list of the pending expiration of the doctor's certificate of registration not later than the 60th day before the date of expiration of the certificate.

(e) Notwithstanding other provisions of this section, a doctor not licensed in this state but licensed in another state or jurisdiction who treats employees or performs utilization review of health care for an insurance carrier may apply for a certificate of registration under this section to be included on the division's list of approved doctors.

(f) Except in an emergency or for immediate post-injury medical care as defined by commissioner rule, or as provided by Subsection (h), (i), or (j), each doctor who performs functions under this subtitle, including examinations under this chapter, must hold a certificate of registration and be on the division's list of approved doctors in order to perform services or receive payment for those services.

(g) The commissioner by rule shall modify registration and training requirements for doctors who infrequently provide health care or who perform utilization review or peer review functions for insurance carriers as necessary to ensure that those doctors are informed of the regulations that affect health care benefit delivery under this subtitle.

(h) A utilization review agent or an insurance carrier that uses doctors to perform reviews of health care services provided under this subtitle, including utilization review, may only use doctors licensed to practice in this state.

(i) The commissioner may grant exceptions to the requirement

imposed under Subsection (f) as necessary to ensure that:

- (1) employees have access to health care; and
- (2) insurance carriers have access to evaluations of an employee's health care and income benefit eligibility as provided by this subtitle.

(j) A doctor who contracts with a workers' compensation health care network certified under Chapter 1305, Insurance Code, is not subject to the registration requirements of Subsections (a)-(i) for the purpose of providing health care services under that network contract. The doctor is subject to the requirements of Subsections (l)-(p), and Subsection (q) applies to health care services and functions provided by a doctor who contracts with a certified workers' compensation health care network.

(k) The requirements of Subsections (a)-(g) and Subsection (i) expire September 1, 2007. Before that date, the commissioner may waive the application of the provisions of Subsections (a)-(g) and Subsection (i) that require doctors to hold a certificate of registration and to be on the list of approved doctors if the commissioner determines that:

- (1) injured employees have adequate access to health care providers who are willing to treat injured employees for compensable injuries through workers' compensation health care networks certified under Chapter 1305, Insurance Code; or

- (2) injured employees who are not covered by a workers' compensation health care network certified under Chapter 1305, Insurance Code, do not have adequate access to health care providers who are willing to treat injured employees for compensable injuries.

(l) The injured employee's treating doctor is responsible for the efficient management of medical care as required by Section 408.025(c) and commissioner rules. The division shall collect information regarding:

- (1) return-to-work outcomes;
- (2) patient satisfaction; and
- (3) cost and utilization of health care provided or authorized by a treating doctor on the list of approved doctors.

(m) The commissioner may adopt rules to define the role of the treating doctor and to specify outcome information to be collected for a treating doctor.

(n) The commissioner by rule shall establish reasonable requirements for doctors, and health care providers financially

related to those doctors, regarding training, impairment rating testing, and disclosure of financial interests as required by Section 413.041, and for monitoring of those doctors and health care providers as provided by Sections 408.0231, 413.0511, and 413.0512.

(o) A doctor, including a doctor who contracts with a workers' compensation health care network, shall:

(1) comply with the requirements established by commissioner rule under Subsections (l) and (m) and with Section 413.041 regarding the disclosure of financial interests; and

(2) if the doctor intends to provide certifications of maximum medical improvement or assign impairment ratings, comply with the impairment rating training and testing requirements established by commissioner rule under Subsection (n).

(p) A person required to comply with Subsection (o), including a doctor who contracts with a workers' compensation health care network, who does not comply with that section commits an administrative violation.

(q) An insurance carrier may not use, for the purpose of suspending temporary income benefits or computing impairment income benefits, a certification of maximum medical improvement or an impairment rating assigned by a doctor, including a doctor who contracts with a workers' compensation health care network certified under Chapter 1305, Insurance Code, who fails to comply with Subsection (o)(2).

(r) Notwithstanding the waiver or expiration of Subsections (a)-(g) and (i), there may be no direct or indirect provision of health care under this subtitle and rules adopted under this subtitle, and no direct or indirect receipt of remuneration under this subtitle and rules adopted under this subtitle by a doctor who:

(1) before September 1, 2007:

(A) was removed or deleted from the list of approved doctors either by action of the Texas Workers' Compensation Commission or the division or by agreement with the doctor;

(B) was not admitted to the list of approved doctors either by action of the Texas Workers' Compensation Commission or the division or by agreement with the doctor;

(C) was suspended from the list of approved doctors either by action of the Texas Workers' Compensation Commission or the division or by agreement with the doctor; or

(D) had the doctor's license to practice suspended by

the appropriate licensing agency, including a suspension that was stayed, deferred, or probated, or voluntarily relinquished the license to practice; and

(2) was not reinstated or restored by the Texas Workers' Compensation Commission or the division to the list of approved doctors before September 1, 2007.

(s) The waiver or expiration of Subsections (a)-(g) and (i) do not limit the division's ability to impose sanctions as provided by this subtitle and commissioner rules.

Sec. 408.0231. MAINTENANCE OF LIST OF APPROVED DOCTORS; SANCTIONS AND PRIVILEGES RELATING TO HEALTH CARE. (a) The commissioner shall delete from the list of approved doctors a doctor:

(1) who fails to register with the division as provided by this chapter and commissioner rules;

(2) who is deceased;

(3) whose license to practice in this state is revoked, suspended, or not renewed by the appropriate licensing authority; or

(4) who requests to be removed from the list.

(b) The commissioner by rule shall establish criteria for:

(1) deleting or suspending a doctor from the list of approved doctors;

(2) imposing sanctions on a doctor or an insurance carrier as provided by this section;

(3) monitoring of utilization review agents, as provided by a memorandum of understanding between the division and the Texas

Department of Insurance; and

(4) authorizing increased or reduced utilization review and preauthorization controls on a doctor.

(c) Rules adopted under Subsection (b) are in addition to, and do not affect, the rules adopted under Section 415.023(b). The criteria for deleting a doctor from the list or for recommending or imposing sanctions may include anything the commissioner considers relevant, including:

(1) a sanction of the doctor by the commissioner for a violation of Chapter 413 or Chapter 415;

(2) a sanction by the Medicare or Medicaid program for:
(A) substandard medical care;
(B) overcharging;
(C) overutilization of medical services; or
(D) any other substantive noncompliance with requirements of those programs regarding professional practice or billing;

(3) evidence from the division's medical records that the applicable insurance carrier's utilization review practices or the doctor's charges, fees, diagnoses, treatments, evaluations, or impairment ratings are substantially different from those the commissioner finds to be fair and reasonable based on either a single determination or a pattern of practice;

(4) a suspension or other relevant practice restriction of the doctor's license by an appropriate licensing authority;

(5) professional failure to practice medicine or provide health care, including chiropractic care, in an acceptable manner consistent with the public health, safety, and welfare;

(6) findings of fact and conclusions of law made by a court, an administrative law judge of the State Office of Administrative Hearings, or a licensing or regulatory authority; or

(7) a criminal conviction.

(d) The commissioner by rule shall establish procedures under which a doctor may apply for:

(1) reinstatement to the list of approved doctors; or

(2) restoration of doctor practice privileges removed by the commissioner based on sanctions imposed under this section.

(e) The commissioner shall act on a recommendation by the medical advisor selected under Section 413.0511 and, after notice and the opportunity for a hearing, may impose sanctions under this

section on a doctor or an insurance carrier or may recommend action regarding a utilization review agent. The commissioner and the commissioner of insurance shall enter into a memorandum of understanding to coordinate the regulation of insurance carriers and utilization review agents as necessary to ensure:

- (1) compliance with applicable regulations; and
- (2) that appropriate health care decisions are reached under this subtitle and under Chapter 4201, Insurance Code.

(f) The sanctions the commissioner may recommend or impose under this section include:

- (1) reduction of allowable reimbursement;
- (2) mandatory preauthorization of all or certain health care services;
- (3) required peer review monitoring, reporting, and audit;
- (4) deletion or suspension from the approved doctor list and the designated doctor list;
- (5) restrictions on appointment under this chapter;
- (6) conditions or restrictions on an insurance carrier regarding actions by insurance carriers under this subtitle in accordance with the memorandum of understanding adopted under Subsection (e); and
- (7) mandatory participation in training classes or other courses as established or certified by the division.

(g) The commissioner shall adopt rules regarding doctors who perform peer review functions for insurance carriers. Those rules may include standards for peer review, imposition of sanctions on doctors performing peer review functions, including restriction, suspension, or removal of the doctor's ability to perform peer review on behalf of insurance carriers in the workers' compensation system, and other issues important to the quality of peer review, as determined by the commissioner. A doctor who performs peer review under this subtitle must hold the appropriate professional license issued by this state. A doctor, other than a chiropractor or a dentist, who performs peer review is subject to Section 408.0043. A dentist who performs a peer review of a dental service provided to an injured employee is subject to Section 408.0044. A chiropractor who performs a peer review of a chiropractic service provided to an injured employee is subject to Section 408.0045.

Sec. 408.024. NONCOMPLIANCE WITH SELECTION REQUIREMENTS.

Except as otherwise provided, and after notice and an opportunity for hearing, the commissioner may relieve an insurance carrier of liability for health care that is furnished by a health care provider or another person selected in a manner inconsistent with the requirements of this subchapter.

Sec. 408.025. REPORTS AND RECORDS REQUIRED FROM HEALTH CARE PROVIDERS. (a) The commissioner by rule shall adopt requirements for reports and records that are required to be filed with the division or provided to the injured employee, the employee's attorney, or the insurance carrier by a health care provider.

(a-1) A treating doctor may delegate to a physician assistant who is licensed to practice in this state under Chapter 204, Occupations Code, or an advanced practice registered nurse who is licensed to practice in this state under Chapter 301, Occupations Code, the authority to complete and sign a work status report regarding an injured employee's ability to return to work. The delegating treating doctor is responsible for the acts of the physician assistant or advanced practice registered nurse under this subsection.

(b) The commissioner by rule shall adopt requirements for reports and records that are to be made available by a health care provider to another health care provider to prevent unnecessary

duplication of tests and examinations.

(c) The treating doctor is responsible for maintaining efficient utilization of health care.

(d) On the request of an injured employee, the employee's attorney, or the insurance carrier, a health care provider shall furnish records relating to treatment or hospitalization for which compensation is being sought. The division may regulate the charge for furnishing a report or record, but the charge may not be less than the fair and reasonable charge for furnishing the report or record. A health care provider may disclose to the insurance carrier of an affected employer records relating to the diagnosis or treatment of the injured employee without the authorization of the injured employee to determine the amount of payment or the entitlement to payment.

(b) Insurance carriers shall accept medical bills submitted electronically by health care providers in accordance with commissioner rule.

(c) The commissioner shall by rule establish criteria for granting exceptions to insurance carriers and health care providers who are unable to submit or accept medical bills electronically.

(d) On or after January 1, 2008, the commissioner may adopt rules regarding the electronic payment of medical bills by insurance carriers to health care providers.

Sec. 408.027. PAYMENT OF HEALTH CARE PROVIDER. (a) A health care provider shall submit a claim for payment to the insurance carrier not later than the 95th day after the date on which the health care services are provided to the injured employee. Failure by the health care provider to timely submit a claim for payment constitutes a forfeiture of the provider's right to reimbursement for that claim for payment.

(b) The insurance carrier must pay, reduce, deny, or determine to audit the health care provider's claim not later than the 45th day after the date of receipt by the carrier of the provider's claim. The carrier may request additional documentation necessary to clarify the provider's charges at any time during the 45-day period. If the insurance carrier requests additional documentation under this subsection, the health care provider must provide the requested documentation not later than the 15th day after the date of receipt of the carrier's request. If the insurance carrier elects to audit the claim, the carrier must complete the audit not later than the

160th day after the date of receipt by the carrier of the health care provider's claim, and, not later than the 160th day after the receipt of the claim, must make a determination regarding the relationship of the health care services provided to the compensable injury, the extent of the injury, and the medical necessity of the services provided. If the insurance carrier chooses to audit the claim, the insurance carrier must pay to the health care provider not later than the 45th day after the date of receipt by the carrier of the provider's claim 85 percent of:

(1) the amount for the health care service established under the fee guidelines authorized under this subtitle if the health care service is not provided through a workers' compensation health care network under Chapter 1305, Insurance Code; or

(2) the amount of the contracted rate for that health care service if the health care service is provided through a workers' compensation health care network under Chapter 1305, Insurance Code.

(c) If the health care services provided are determined to be appropriate, the insurance carrier shall pay the health care provider the remaining 15 percent of the claim not later than the 160th day after the date of receipt by the carrier of the health care provider's documentation of the claim. An insurance carrier commits an administrative violation if the carrier, in violation of Subsection (b), fails to:

(1) pay, reduce, deny, or notify the health care provider of the intent to audit the claim by the 45th day after the date of receipt by the carrier of the health care provider's claim; or

(2) pay, reduce, or deny an audited claim by the 160th day after the date of receipt of the claim.

(d) If an insurance carrier contests the compensability of an injury and the injury is determined not to be compensable, the carrier may recover the amounts paid for health care services from the employee's accident or health benefit plan, or any other person who may be obligated for the cost of the health care services. If an accident or health insurance carrier or other person obligated for the cost of health care services has paid for health care services for an employee for an injury for which a workers' compensation insurance carrier denies compensability, and the injury is later determined to be compensable, the accident or health insurance carrier or other person may recover the amounts paid for such services from the workers' compensation insurance carrier. If an

accident or health insurance carrier or other person obligated for the cost of health care services has paid for health care services for an employee for an injury for which the workers' compensation insurance carrier or the employer has not disputed compensability, the accident or health insurance carrier or other person may recover reimbursement from the insurance carrier in the manner described by Section 409.009 or 409.0091, as applicable.

(e) If an insurance carrier disputes the amount of payment or the health care provider's entitlement to payment, the insurance carrier shall send to the division, the health care provider, and the injured employee a report that sufficiently explains the reasons for the reduction or denial of payment for health care services provided to the employee. The insurance carrier is entitled to a hearing as provided by Section 413.031(d).

(f) Except as provided by Section 408.0281 or 408.0284, any payment made by an insurance carrier under this section shall be in accordance with the fee guidelines authorized under this subtitle if the health care service is not provided through a workers' compensation health care network under Chapter 1305, Insurance Code, or at a contracted rate for that health care service if the health care service is provided through a workers' compensation health care network under Chapter 1305, Insurance Code.

(g) Notwithstanding any other provision in this subtitle or Chapter 1305, Insurance Code, this section and Section 408.0271 apply to health care provided through a workers' compensation health care network established under Chapter 1305, Insurance Code. The commissioner shall adopt rules as necessary to implement the provisions of this section and Section 408.0271.

Sec. 408.0271. REIMBURSEMENT BY HEALTH CARE PROVIDER. (a) If the health care services provided to an injured employee are determined by the insurance carrier to be inappropriate, the insurance carrier shall:

(1) notify the health care provider in writing of the carrier's decision; and

(2) demand a refund by the health care provider of the portion of payment on the claim that was received by the health care provider for the inappropriate services.

(b) The health care provider may appeal the insurance carrier's determination under Subsection (a). The health care provider must file an appeal under this subsection with the insurance carrier not later than the 45th day after the date of the insurance carrier's request for the refund. The insurance carrier must act on the appeal not later than the 45th day after the date on which the provider files the appeal.

(c) A health care provider shall reimburse the insurance carrier for payments received by the provider for inappropriate charges not later than the 45th day after the date of the carrier's notice. The failure by the health care provider to timely remit payment to the carrier constitutes an administrative violation.

Added by Acts 2005, 79th Leg., Ch. 265 (H.B. 7), Sec. 3.0895, eff. September 1, 2005.

Sec. 408.0272. CERTAIN EXCEPTIONS FOR UNTIMELY SUBMISSION OF CLAIM. (a) In this section:

(1) "Group accident and health insurance" has the meaning assigned by Chapter 1251, Insurance Code.

(2) "Health maintenance organization" has the meaning assigned by Chapter 843, Insurance Code.

(b) Notwithstanding Section 408.027, a health care provider who fails to timely submit a claim for payment to the insurance carrier under Section 408.027(a) does not forfeit the provider's right to reimbursement for that claim for payment solely for failure to submit a timely claim if:

(1) the provider submits proof satisfactory to the

commissioner that the provider, within the period prescribed by Section 408.027(a), erroneously filed for reimbursement with:

(A) an insurer that issues a policy of group accident and health insurance under which the injured employee is a covered insured;

(B) a health maintenance organization that issues an evidence of coverage under which the injured employee is a covered enrollee; or

(C) a workers' compensation insurance carrier other than the insurance carrier liable for the payment of benefits under this title; or

(2) the commissioner determines that the failure resulted from a catastrophic event that substantially interfered with the normal business operations of the provider.

(c) Notwithstanding Subsection (b), a health care provider who erroneously submits a claim for payment to an entity described by Subdivision (1) of that subsection forfeits the provider's right to reimbursement for that claim if the provider fails to submit the claim to the correct workers' compensation insurance carrier within 95 days after the date the provider is notified of the provider's erroneous submission of the claim.

(d) Notwithstanding any other provision of this section or Section 408.027, the period for submitting a claim for payment may be extended by agreement of the parties.

Added by Acts 2007, 80th Leg., R.S., Ch. 459 (H.B. 1005), Sec. 1, eff. September 1, 2007.

Sec. 408.028. PHARMACEUTICAL SERVICES. (a) A physician providing care to an employee under this subchapter shall prescribe for the employee any necessary prescription drugs, and order over-the-counter alternatives to prescription medications as clinically appropriate and applicable, in accordance with applicable state law and as provided by Subsection (b). A doctor providing care may order over-the-counter alternatives to prescription medications, when clinically appropriate, in accordance with applicable state law and as provided by Subsection (b).

(b) The commissioner by rule shall require the use of generic pharmaceutical medications and clinically appropriate over-the-

counter alternatives to prescription medications unless otherwise specified by the prescribing doctor, in accordance with applicable state law. The commissioner by rule shall adopt a closed formulary under Section 413.011. Rules adopted by the commissioner shall allow an appeals process for claims in which a treating doctor determines and documents that a drug not included in the formulary is necessary to treat an injured employee's compensable injury.

(c) Except as otherwise provided by this subtitle, an insurance carrier may not require an employee to use pharmaceutical services designated by the carrier.

(d) The commissioner shall adopt rules to allow an employee to purchase over-the-counter alternatives to prescription medications prescribed or ordered under Subsection (a) or (b) and to obtain reimbursement from the insurance carrier for those medications.

(e) Notwithstanding Subsection (b), the commissioner by rule shall allow an employee to purchase a brand name drug rather than a generic pharmaceutical medication or over-the-counter alternative to a prescription medication if a health care provider prescribes a generic pharmaceutical medication or an over-the-counter alternative to a prescription medication. The employee shall be responsible for paying the difference between the cost of the brand name drug and the cost of the generic pharmaceutical medication or of an over-the-counter alternative to a prescription medication. The employee may not seek reimbursement for the difference in cost from an insurance carrier and is not entitled to use the medical dispute resolution provisions of Chapter 413 with regard to the prescription. A payment described by this subsection by an employee to a health care provider does not violate Section 413.042. This subsection does not affect the duty of a health care provider to comply with the requirements of Subsection (b) when prescribing medications or ordering over-the-counter alternatives to prescription medications.

(f) Notwithstanding any other provision of this title, the commissioner by rule shall adopt a fee schedule for pharmacy and pharmaceutical services that will:

- (1) provide reimbursement rates that are fair and reasonable;
- (2) assure adequate access to medications and services for injured workers;
- (3) minimize costs to employees and insurance carriers; and
- (4) take into consideration the increased security of

payment afforded by this subtitle.

(g) Section 413.011(d) and the rules adopted to implement that subsection do not apply to the fee schedule adopted by the commissioner under Subsection (f).

Sec. 408.0281. REIMBURSEMENT FOR PHARMACEUTICAL SERVICES; ADMINISTRATIVE VIOLATION. (a) In this section:

(1) "Informal network" means a network that:

(A) is established under a contract between an insurance carrier or an insurance carrier's authorized agent and a health care provider for the provision of pharmaceutical services; and

(B) includes a specific fee schedule.

(2) "Voluntary network" means a voluntary workers' compensation health care delivery network established under former Section 408.0223, as that section existed before repeal by Chapter 265 (H.B. 7), Acts of the 79th Legislature, Regular Session, 2005, by an insurance carrier for the provision of pharmaceutical services.

(b) Notwithstanding any provision of Chapter 1305, Insurance Code, or Section 504.053 of this code, prescription medication or services, as defined by Section 401.011(19)(E):

(1) may be reimbursed in accordance with the fee guidelines adopted by the commissioner or at a contract rate in accordance with this section; and

(2) may not be delivered through:

(A) a workers' compensation health care network under Chapter 1305, Insurance Code; or

(B) a contract described by Section 504.053(b)(2).

(c) Notwithstanding any other provision of this title, including Section 408.028(f), or any provision of Chapter 1305,

Insurance Code, an insurance carrier may pay a health care provider fees for pharmaceutical services that are inconsistent with the fee guidelines adopted by the commissioner only if the carrier has a contract with the health care provider and that contract includes a specific fee schedule. An insurance carrier or the carrier's authorized agent may use an informal or voluntary network to obtain a contractual agreement that provides for fees different from the fees authorized under the fee guidelines adopted by the commissioner for pharmaceutical services. If a carrier or the carrier's authorized agent chooses to use an informal or voluntary network to obtain a contractual fee arrangement, there must be a contractual arrangement between:

(1) the carrier or authorized agent and the informal or voluntary network that authorizes the network to contract with health care providers for pharmaceutical services on the carrier's behalf; and

(2) the informal or voluntary network and the health care provider that includes a specific fee schedule and complies with the notice requirements of this section.

(d) An informal or voluntary network, or the carrier or the carrier's authorized agent, as appropriate, shall, at least quarterly, notify each health care provider of any person, other than an injured employee, to which the network's contractual fee arrangements with the health care provider are sold, leased, transferred, or conveyed. Notice to each health care provider:

(1) must include:

(A) the contact information for the network, including the name, physical address, and toll-free telephone number at which a health care provider with which the network has a contract may contact the network; and

(B) in the body of the notice:

(i) the name, physical address, and telephone number of any person, other than an injured employee, to which the network's contractual fee arrangement with the health care provider is sold, leased, transferred, or conveyed; and

(ii) the start date and any end date of the period during which any person, other than an injured employee, to which the network's contractual fee arrangement with the health care provider is sold, leased, transferred, or conveyed; and

(2) may be provided:

(A) in an electronic format, if a paper version is available on request by the division; and

(B) through an Internet website link, but only if the website:

(i) contains the information described by Subdivision (1); and

(ii) is updated at least monthly with current and correct information.

(e) An informal or voluntary network, or the carrier or the carrier's authorized agent, as appropriate, shall document the delivery of the notice required under Subsection (d), including the method of delivery, to whom the notice was delivered, and the date of delivery. For purposes of Subsection (d), a notice is considered to be delivered on, as applicable:

(1) the fifth day after the date the notice is mailed via United States Postal Service; or

(2) the date the notice is faxed or electronically delivered.

(f) An insurance carrier, or the carrier's authorized agent or an informal or voluntary network at the carrier's request, shall provide copies of each contract described by Subsection (c) to the division on the request of the division. Information included in a contract under Subsection (c) is confidential and is not subject to disclosure under Chapter 552, Government Code. Notwithstanding Subsection (c), the insurance carrier may be required to pay fees in accordance with the division's fee guidelines if:

(1) the contract:

(A) is not provided to the division on the division's request;

(B) does not include a specific fee schedule consistent with Subsection (c); or

(C) does not clearly state that the contractual fee arrangement is between the health care provider and the named insurance carrier or the carrier's authorized agent; or

(2) the carrier or the carrier's authorized agent does not comply with the notice requirements under Subsection (d).

(g) Failure to provide documentation described by Subsection (e) to the division on the request of the division or failure to provide notice as required under Subsection (d) creates a rebuttable presumption in an enforcement action under this subtitle and in a

medical fee dispute under Chapter 413 that a health care provider did not receive the notice.

(h) An insurance carrier or the carrier's authorized agent commits an administrative violation if the carrier or agent violates any provision of this section. Any administrative penalty assessed under this subsection shall be assessed against the carrier, regardless of whether the carrier or agent committed the violation.

(i) Notwithstanding Section 1305.003(b), Insurance Code, in the event of a conflict between this section and Section 413.016 or any other provision of Chapter 413 of this code or Chapter 1305, Insurance Code, this section prevails.

Sec. 408.0282. REQUIREMENTS FOR CERTAIN INFORMAL OR VOLUNTARY NETWORKS. (a) Each informal or voluntary network described by Section 408.0281 or 408.0284 shall, not later than the 30th day after the date the network is established, report the following information to the division:

(1) the name of the informal or voluntary network and federal employer identification number;

(2) an executive contact for official correspondence for the informal or voluntary network;

(3) a toll-free telephone number by which a health care provider may contact the informal or voluntary network;

(4) a list of each insurance carrier with whom the informal or voluntary network contracts, including the carrier's federal employer identification number; and

(5) a list of, and contact information for, each entity with which the informal or voluntary network has a contract or other business relationship that benefits or is entered into on behalf of an insurance carrier, including an insurance carrier's authorized agent or a subsidiary or other affiliate of the network.

(b) Each informal or voluntary network shall report any changes to the information provided under Subsection (a) to the division not later than the 30th day after the effective date of the change.

(c) An informal or voluntary network shall submit a report required under this section, including a report of changes required

under Subsection (b), to the division through the division's online reporting system available through the division's Internet website.

(d) An informal or voluntary network commits an administrative violation if the informal or voluntary network violates any provision of this section.

Sec. 408.0284. REIMBURSEMENT FOR DURABLE MEDICAL EQUIPMENT AND HOME HEALTH CARE SERVICES; ADMINISTRATIVE VIOLATION. (a) In this section:

(1) "Durable medical equipment" includes prosthetics and orthotic devices and related medical equipment and supplies. The term does not include:

(A) an object or device that is surgically implanted, embedded, inserted, or otherwise applied;

(B) related equipment necessary to operate, program, or recharge the object or device described by Paragraph (A); or

(C) an intrathecal pump.

(2) "Informal network" means a network that:

(A) is established under a contract between an insurance carrier or an insurance carrier's authorized agent and a health care provider for the provision of durable medical equipment or home health care services; and

(B) includes a specific fee schedule.

(3) "Voluntary network" means a voluntary workers' compensation health care delivery network established under former Section 408.0223, as that section existed before repeal by Chapter 265 (House Bill No. 7), Acts of the 79th Legislature, Regular Session, 2005, by an insurance carrier for the provision of durable medical equipment or home health care services.

(b) Notwithstanding any provision of Chapter 1305, Insurance Code, or Section 504.053 of this code, durable medical equipment and home health care services may be reimbursed in accordance with the fee guidelines adopted by the commissioner or at a voluntarily

negotiated contract rate in accordance with this section.

(c) Notwithstanding any other provision of this title or any provision of Chapter 1305, Insurance Code, an insurance carrier may pay a health care provider fees for durable medical equipment or home health care services that are inconsistent with the fee guidelines adopted by the commissioner only if the carrier or the carrier's authorized agent has a contract with the health care provider and that contract includes a specific fee schedule. An insurance carrier or the carrier's authorized agent may use an informal or voluntary network to obtain a contractual agreement that provides for fees different from the fees authorized under the fee guidelines adopted by the commissioner for durable medical equipment or home health care services. If a carrier or the carrier's authorized agent chooses to use an informal or voluntary network to obtain a contractual fee arrangement, there must be a contractual arrangement between:

(1) the carrier or authorized agent and the informal or voluntary network that authorizes the network to contract with health care providers for durable medical equipment or home health care services on the carrier's behalf; and

(2) the informal or voluntary network and the health care provider that includes a specific fee schedule and complies with the notice requirements of this section.

(d) An informal or voluntary network, or the carrier or the carrier's authorized agent shall, at least quarterly, notify each health care provider of any person, other than an injured employee, to which the network's contractual fee arrangements with the health care provider are sold, leased, transferred, or conveyed. Notice to each health care provider:

(1) must include:

(A) the contact information for the network, including the name, physical address, and toll-free telephone number at which a health care provider with which the network has a contract may contact the network; and

(B) in the body of the notice:

(i) the name, physical address, and telephone number of any person, other than an injured employee, to which the network's contractual fee arrangement with the health care provider is sold, leased, transferred, or conveyed; and

(ii) the start date and any end date of the period during which the network's contractual fee arrangement with the

health care provider is sold, leased, transferred, or conveyed; and

(2) may be provided:

(A) in an electronic format, if a paper version is available on request by the division; and

(B) through an Internet website link, but only if the website:

(i) contains the information described by Subdivision (1); and

(ii) is updated at least monthly with current and correct information.

(e) An informal or voluntary network, or the carrier or the carrier's authorized agent, as appropriate, shall document the delivery of the notice required under Subsection (d), including the method of delivery, to whom the notice was delivered, and the date of delivery. For purposes of Subsection (d), a notice is considered to be delivered on, as applicable:

(1) the fifth day after the date the notice is mailed via United States Postal Service; or

(2) the date the notice is faxed or electronically delivered.

(f) An insurance carrier, or the carrier's authorized agent or an informal or voluntary network at the carrier's request, shall provide copies of each contract described by Subsection (c) to the division on the request of the division. Information included in a contract under Subsection (c) is confidential and is not subject to disclosure under Chapter 552, Government Code. Notwithstanding Subsection (c), the insurance carrier may be required to pay fees in accordance with the division's fee guidelines if:

(1) the contract:

(A) is not provided to the division on the division's request;

(B) does not include a specific fee schedule consistent with Subsection (c); or

(C) does not clearly state that the contractual fee arrangement is between the health care provider and the named insurance carrier or the carrier's authorized agent; or

(2) the carrier or the carrier's authorized agent does not comply with the notice requirements under Subsection (d).

(g) Failure to provide documentation described by Subsection (e) to the division on the request of the division or failure to

provide notice as required under Subsection (d) creates a rebuttable presumption in an enforcement action under this subtitle and in a medical fee dispute under Chapter 413 that a health care provider did not receive the notice.

(h) An insurance carrier or the carrier's authorized agent commits an administrative violation if the carrier or agent violates any provision of this section. Any administrative penalty assessed under this subsection shall be assessed against the carrier, regardless of whether the carrier or agent committed the violation.

(i) Notwithstanding Section 1305.003(b), Insurance Code, in the event of a conflict between this section and Section 413.016 or any other provision of Chapter 413 of this code or Chapter 1305, Insurance Code, this section prevails.

SUBCHAPTER C. COMPUTATION OF AVERAGE WEEKLY WAGE

Sec. 408.041. AVERAGE WEEKLY WAGE. (a) Except as otherwise provided by this subtitle, the average weekly wage of an employee who has worked for the employer for at least the 13 consecutive weeks immediately preceding an injury is computed by dividing the sum of the wages paid in the 13 consecutive weeks immediately preceding the date of the injury by 13.

(b) The average weekly wage of an employee whose wage at the time of injury has not been fixed or cannot be determined or who has worked for the employer for less than the 13 weeks immediately preceding the injury equals:

(1) the usual wage that the employer pays a similar employee for similar services; or

(2) if a similar employee does not exist, the usual wage paid in that vicinity for the same or similar services provided for remuneration.

(c) If Subsection (a) or (b) cannot reasonably be applied because the employee's employment has been irregular or because the employee has lost time from work during the 13-week period immediately preceding the injury because of illness, weather, or another cause beyond the control of the employee, the commissioner

may determine the employee's average weekly wage by any method that the commissioner considers fair, just, and reasonable to all parties and consistent with the methods established under this section.

Sec. 408.042. AVERAGE WEEKLY WAGE FOR PART-TIME EMPLOYEE OR EMPLOYEE WITH MULTIPLE EMPLOYMENT. (a) The average weekly wage of a part-time employee who limits the employee's work to less than a full-time workweek as a regular course of that employee's conduct is computed as provided by Section 408.041.

(b) For part-time employees not covered by Subsection (a), the average weekly wage:

(1) for determining temporary income benefits is computed as provided by Section 408.041; and

(2) for determining impairment income benefits, supplemental income benefits, lifetime income benefits, and death benefits is computed as follows:

(A) if the employee has worked for the employer for at least the 13 weeks immediately preceding the date of the injury, the average weekly wage is computed by dividing the sum of the wages paid in the 13 consecutive weeks immediately preceding the date of the injury by 13 and adjusting that amount to the weekly wage level the employee would have attained by working a full-time workweek at the same rate of pay; or

(B) if the employee has worked for the employer for less than 13 weeks immediately preceding the date of the injury, the average weekly wage is equal to:

(i) the weekly wage that the employer pays a similar employee for similar services based on a full-time workweek; or

(ii) if a similar employee does not exist, the usual wage paid in that vicinity for the same or similar services based on a full-time workweek.

(c) For employees with multiple employment, the average weekly wage for determining temporary income benefits, impairment income

benefits, supplemental income benefits, lifetime income benefits, and death benefits, is computed as follows:

(1) the average weekly wage for an employee with multiple employment is equal to the sum of the average weekly wages computed under Subdivisions (2) and (3);

(2) for each of the employers for whom the employee has worked for at least the 13 weeks immediately preceding the date of injury, the average weekly wage is equal to the sum of the wages paid by that employer to the employee in the 13 weeks immediately preceding the injury divided by 13;

(3) for each of the employers for whom the employee has worked for less than the 13 weeks immediately preceding the date of the injury, the average weekly wage is equal to:

(A) the weekly wage that employer pays similar employees for similar services; or

(B) if a similar employee does not exist, the usual weekly wage paid in that vicinity for the same or similar services; and

(4) the average weekly wage of an employee with multiple employment who limits the employee's work to less than a full-time workweek, but does not do so as a regular course of that employee's conduct, is adjusted to the weekly wage level the employee would have attained by working a full-time workweek at the employee's average rate of pay.

(d) The commissioner shall:

(1) prescribe a form to collect information regarding the wages of employees with multiple employment; and

(2) by rule, determine the manner by which the division collects and distributes wage information to implement this section.

(e) For an employee with multiple employment, only the employee's wages that are reportable for federal income tax purposes may be considered. The employee shall document and verify wage payments subject to this section.

(f) If the commissioner determines that computing the average weekly wage for an employee as provided by Subsection (c) is impractical or unreasonable, the commissioner shall set the average weekly wage in a manner that more fairly reflects the employee's average weekly wage and that is fair and just to both parties or is in the manner agreed to by the parties. The commissioner by rule may define methods to determine a fair and just average weekly wage

consistent with this section.

(g) An insurance carrier is entitled to apply for and receive reimbursement at least annually from the subsequent injury fund for the amount of income and death benefits paid to a worker under this section that are based on employment other than the employment during which the compensable injury occurred. The commissioner may adopt rules that govern the documentation, application process, and other administrative requirements necessary to implement this subsection.

(h) In this section:

(1) "Employee with multiple employment" means an employee who has more than one employer.

(2) "Full-time workweek" means a 40-hour workweek.

(3) "Part-time employee" means an employee who, at the time of the injury, was working less than a full-time workweek for the employer for whom the employee was working when the compensable injury occurred.

Sec. 408.043. AVERAGE WEEKLY WAGE FOR SEASONAL EMPLOYEE. (a) For determining the amount of temporary income benefits of a seasonal employee, the average weekly wage of the employee is computed as provided by Section 408.041 and is adjusted as often as necessary to reflect the wages the employee could reasonably have expected to earn during the period that temporary income benefits are paid.

(b) For determining the amount of impairment income benefits, supplemental income benefits, lifetime income benefits, or death benefits of a seasonal employee, the average weekly wage of the employee is computed by dividing the amount of total wages earned by the employee during the 12 months immediately preceding the date of the injury by 50.

(c) If, for good reason, the commissioner determines that computing the average weekly wage for a seasonal employee as provided

by this section is impractical, the commissioner shall compute the average weekly wage as of the time of the injury in a manner that is fair and just to both parties.

(d) In this section, "seasonal employee" means an employee who, as a regular course of the employee's conduct, engages in seasonal or cyclical employment that does not continue throughout the entire year.

Sec. 408.044. AVERAGE WEEKLY WAGE FOR MINOR, APPRENTICE, TRAINEE, OR STUDENT. (a) For computing impairment income benefits, supplemental income benefits, lifetime income benefits, or death benefits, the average weekly wage of an employee shall be adjusted to reflect the level of expected wages during the period that the benefits are payable if:

(1) the employee is a minor, apprentice, trainee, or student at the time of the injury;

(2) the employee's employment or earnings at the time of the injury are limited primarily because of apprenticeship, continuing formal training, or education intended to enhance the employee's future wages; and

(3) the employee's wages would reasonably be expected to change because of a change of employment during that period.

(b) An adjustment under Subsection (a) may not consider expected wage levels for a period occurring after the third anniversary of the date of the injury.

Sec. 408.0445. AVERAGE WEEKLY WAGE FOR MEMBERS OF STATE MILITARY FORCES, TEXAS TASK FORCE 1, INTRASTATE FIRE MUTUAL AID SYSTEM TEAMS, AND REGIONAL INCIDENT MANAGEMENT TEAMS. (a) For purposes of computing income benefits or death benefits under Section 437.227, Government Code, the average weekly wage of a member of the state military forces as defined by Section 437.001, Government Code,

who is engaged in authorized training or duty is an amount equal to the sum of the member's regular weekly wage at any employment the member holds in addition to serving as a member of the state military forces, disregarding any period during which the member is not fully compensated for that employment because the member is engaged in authorized military training or duty, and the member's regular weekly wage as a member of the state military forces, except that the amount may not exceed 100 percent of the state average weekly wage as determined under Section 408.047.

(b) For purposes of computing income benefits or death benefits under Section 88.303, Education Code, the average weekly wage of a Texas Task Force 1 member, as defined by Section 88.301, Education Code, who is engaged in authorized training or duty is an amount equal to the sum of the member's regular weekly wage at any employment, including self-employment, that the member holds in addition to serving as a member of Texas Task Force 1, except that the amount may not exceed 100 percent of the state average weekly wage as determined under Section 408.047. A member for whom an average weekly wage cannot be computed shall be paid the minimum weekly benefit established by the division.

(c) For purposes of computing income benefits or death benefits under Section 88.126, Education Code, the average weekly wage of an intrastate fire mutual aid system team member or a regional incident management team member, as defined by Section 88.126, Education Code, who is engaged in authorized training or duty is an amount equal to the sum of the member's regular weekly wage at any employment, including self-employment, that the member holds in addition to serving as a member of an intrastate fire mutual aid system team or a regional incident management team, as applicable, except that the amount may not exceed 100 percent of the state average weekly wage as determined under Section 408.047. A member for whom an average weekly wage cannot be computed shall be paid the minimum weekly benefit established by the division.

Sec. 408.0446. AVERAGE WEEKLY WAGE; SCHOOL DISTRICT EMPLOYEE.

(a) For determining the amount of temporary income benefits of a school district employee under Chapter 504, the average weekly wage is computed on the basis of wages earned in a week rather than on the basis of wages paid in a week. The wages earned in any given week are equal to the amount that would be deducted from an employee's salary if the employee were absent from work for one week and the employee did not have personal leave available to compensate the employee for lost wages for that week.

(b) An insurance carrier may adjust a school district employee's average weekly wage as often as necessary to reflect the wages the employee reasonably could expect to earn during the period for which temporary income benefits are paid. In adjusting a school district employee's average weekly wage under this subsection, the insurance carrier may consider any evidence of the employee's reasonable expectation of earnings.

(c) For determining the amount of impairment income benefits, supplemental income benefits, lifetime income benefits, or death benefits of a school district employee under Chapter 504, the average weekly wage of the employee is computed by dividing the total amount of wages earned by the employee during the 12 months immediately preceding the date of the injury by 50.

(d) If the commissioner determines that computing the average weekly wage of a school district employee as provided by this section is impractical because the employee did not earn wages during the 12 months immediately preceding the date of the injury, the commissioner shall compute the average weekly wage in a manner that is fair and just to both parties.

(e) The commissioner shall adopt rules as necessary to implement this section.

- (2) the nature of the work; and
- (3) the number of hours normally worked.

(b) Not later than the 30th day after the date the employer receives notice of an injury to the employee, the employer shall file a wage statement showing the amount of all wages paid to the employee.

(c) The commissioner by rule shall establish requirements for

agreements under which income benefits may be paid monthly. Income benefits may be paid monthly only:

(1) on the request of the employee and the agreement of the employee and the insurance carrier; and

(2) in compliance with the requirements adopted by the commissioner.

(d) An employee's entitlement to income benefits under this chapter terminates on the death of the employee. An interest in future income benefits does not survive after the employee's death.

(5) a method for coordinating overpayments that may be recouped from future income benefits and reimbursements described by

Section 410.209.

(c) The procedure for recouping overpayments under Subsection (a)(1) must take into consideration the cause of the overpayment and minimize the financial hardship to the injured employee.

If the disability does not begin at once after the injury occurs or within eight days of the occurrence but does result subsequently, weekly income benefits accrue on the eighth day after the date on which the disability began.

(a) If there is a likelihood that income benefits will be paid, the commissioner may grant an employee suffering financial hardship advances as provided by this subtitle against the amount of income benefits to which the employee may be entitled. An advance may be ordered before or after the employee attains maximum medical improvement. An insurance carrier shall pay the advance ordered.

(b) An employee must apply to the division for an advance on a form prescribed by the commissioner. The application must describe the hardship that is the grounds for the advance.

(c) An advance under this section may not exceed an amount equal to four times the maximum weekly benefit for temporary income benefits as computed in Section 408.061. The commissioner may not grant more than three advances to a particular employee based on the same injury.

(d) The commissioner may not grant an advance to an employee who is receiving, on the date of the application under Subsection (b), at least 90 percent of the employee's net preinjury wages under

SUBCHAPTER F. TEMPORARY INCOME BENEFITS

Sec. 408.101. TEMPORARY INCOME BENEFITS. (a) An employee is entitled to temporary income benefits if the employee has a disability and has not attained maximum medical improvement.

(b) On the initiation of compensation as provided by Section 409.021, the insurance carrier shall pay temporary income benefits as provided by this subchapter.

Sec. 408.102. DURATION OF TEMPORARY INCOME BENEFITS. (a) Temporary income benefits continue until the employee reaches maximum medical improvement.

(b) The commissioner by rule shall establish a presumption that maximum medical improvement has been reached based on a lack of medical improvement in the employee's condition.

Sec. 408.103. AMOUNT OF TEMPORARY INCOME BENEFITS. (a) Subject to Sections 408.061 and 408.062, the amount of a temporary income benefit is equal to:

(1) 70 percent of the amount computed by subtracting the employee's weekly earnings after the injury from the employee's average weekly wage; or

(2) for the first 26 weeks, 75 percent of the amount computed by subtracting the employee's weekly earnings after the injury from the employee's average weekly wage if the employee earns

less than \$10 an hour.

(b) A temporary income benefit under Subsection (a)(2) may not exceed the employee's actual earnings for the previous year. It is presumed that the employee's actual earnings for the previous year are equal to:

(1) the sum of the employee's wages as reported in the most recent four quarterly wage reports to the Texas Workforce Commission divided by 52;

(2) the employee's wages in the single quarter of the most recent four quarters in which the employee's earnings were highest, divided by 13, if the commissioner finds that the employee's most recent four quarters' earnings reported in the Texas Workforce Commission wage reports are not representative of the employee's usual earnings; or

(3) the amount the commissioner determines from other credible evidence to be the actual earnings for the previous year if the Texas Workforce Commission does not have a wage report reflecting at least one quarter's earnings because the employee worked outside the state during the previous year.

(c) A presumption under Subsection (b) may be rebutted by other credible evidence of the employee's actual earnings.

(d) The Texas Employment Commission shall provide information required under this section in the manner most efficient for transferring the information.

(e) For purposes of Subsection (a), if an employee is offered a bona fide position of employment that the employee is reasonably capable of performing, given the physical condition of the employee and the geographic accessibility of the position to the employee, the employee's weekly earnings after the injury are equal to the weekly wage for the position offered to the employee.

SUBCHAPTER G. IMPAIRMENT INCOME BENEFITS

Sec. 408.121. IMPAIRMENT INCOME BENEFITS. (a) An employee's entitlement to impairment income benefits begins on the day after the date the employee reaches maximum medical improvement and ends on the

earlier of:

(1) the date of expiration of a period computed at the rate of three weeks for each percentage point of impairment; or

(2) the date of the employee's death.

(b) The insurance carrier shall begin to pay impairment income benefits not later than the fifth day after the date on which the insurance carrier receives the doctor's report certifying maximum medical improvement. Impairment income benefits shall be paid for a period based on the impairment rating, unless that rating is disputed under Subsection (c).

(c) If the insurance carrier disputes the impairment rating used under Subsection (a), the carrier shall pay the employee impairment income benefits for a period based on the carrier's reasonable assessment of the correct rating.

Sec. 408.122. ELIGIBILITY FOR IMPAIRMENT INCOME BENEFITS. A claimant may not recover impairment income benefits unless evidence of impairment based on an objective clinical or laboratory finding exists. If the finding of impairment is made by a doctor chosen by the claimant and the finding is contested, a designated doctor or a doctor selected by the insurance carrier must be able to confirm the objective clinical or laboratory finding on which the finding of impairment is based.

Sec. 408.1225. DESIGNATED DOCTOR. (a) To be eligible to serve as a designated doctor, a doctor must maintain an active certification by the division.

(a-1) The commissioner by rule shall develop a process for the certification of a designated doctor.

(a-2) The rules adopted by the commissioner under Subsection

(a-1) must:

(1) require the division to evaluate the qualification of designated doctors for certification using eligibility requirements, including:

(A) educational experience;

(B) previous training; and

(C) demonstrated ability to perform the specific designated doctor duties described by Section 408.0041; and

(2) require standard training and testing to be completed in accordance with policies and guidelines developed by the division.

(a-3) The division shall develop guidelines for certification training programs for certification of a designated doctor under Subsection (a-1) to ensure a designated doctor's competency and continued competency in providing assessments, including:

(1) a standard curriculum;

(2) standard course materials; and

(3) testing criteria.

(a-4) The division shall develop and implement a procedure to periodically review and update the guidelines developed under Subsection (a-3).

(a-5) The division may authorize an independent training and testing provider to conduct the certification program for the division under the guidelines developed under Subsection (a-3).

(b) The commissioner shall ensure the quality of designated doctor decisions and reviews through active monitoring of the decisions and reviews, and may take action as necessary to:

(1) restrict the participation of a designated doctor;

(2) deny renewal of a designated doctor's certification; or

(3) revoke a designated doctor's certification under Section 413.044.

(c) The report of the designated doctor has presumptive weight, and the division shall base its determination of whether the employee has reached maximum medical improvement on the report unless the preponderance of the other medical evidence is to the contrary.

(d) The commissioner shall develop rules to ensure that a designated doctor called on to conduct an examination under Section 408.0041 has no conflict of interest in serving as a designated doctor in performing any examination.

(e) A designated doctor, other than a chiropractor, is subject to Section 408.0043. A designated doctor who is a chiropractor is

subject to Section 408.0045. To the extent of a conflict between this section and Section 408.0043 or 408.0045, this section controls.

(f) A designated doctor shall continue providing services related to a case assigned to the designated doctor, including performing subsequent examinations or acting as a resource for division disputes, unless the division authorizes the designated doctor to discontinue providing services. The commissioner by rule shall prescribe the circumstances under which a designated doctor is permitted to discontinue providing services, including:

(1) the doctor decides to stop practicing in the workers' compensation system; or

(2) the doctor relocates the doctor's residence or practice.

(g) On request of the division, a designated doctor shall provide the division with a copy of any contract that is:

(1) between the designated doctor and an authorized agent of the doctor; and

(2) for services provided by the agent related to the designated doctor's duties, including scheduling, billing, and organizing medical records.

(h) A contract provided to the division under Subsection (g) is not subject to disclosure under Chapter 552, Government Code.

Sec. 408.123. CERTIFICATION OF MAXIMUM MEDICAL IMPROVEMENT; EVALUATION OF IMPAIRMENT RATING. (a) After an employee has been certified by a doctor as having reached maximum medical improvement, the certifying doctor shall evaluate the condition of the employee and assign an impairment rating using the impairment rating guidelines described by Section 408.124. If the certification and

evaluation are performed by a doctor other than the employee's treating doctor, the certification and evaluation shall be submitted to the treating doctor, and the treating doctor shall indicate agreement or disagreement with the certification and evaluation.

(b) A certifying doctor shall issue a written report certifying that maximum medical improvement has been reached, stating the employee's impairment rating, and providing any other information required by the commissioner to:

- (1) the division;
- (2) the employee; and
- (3) the insurance carrier.

(c) The commissioner shall adopt a rule that provides that, at the conclusion of any examination in which maximum medical improvement is certified and any impairment rating is assigned by the treating doctor, written notice shall be given to the employee that the employee may dispute the certification of maximum medical improvement and assigned impairment rating. The notice to the employee must state how to dispute the certification of maximum medical improvement and impairment rating.

(d) If an employee is not certified as having reached maximum medical improvement before the expiration of 102 weeks after the date income benefits begin to accrue, the division shall notify the treating doctor of the requirements of this subchapter.

(e) Except as otherwise provided by this section, an employee's first valid certification of maximum medical improvement and first valid assignment of an impairment rating is final if the certification or assignment is not disputed before the 91st day after the date written notification of the certification or assignment is provided to the employee and the carrier by verifiable means.

(f) An employee's first certification of maximum medical improvement or assignment of an impairment rating may be disputed after the period described by Subsection (e) if:

(1) compelling medical evidence exists of:

(A) a significant error by the certifying doctor in applying the appropriate American Medical Association guidelines or in calculating the impairment rating;

(B) a clearly mistaken diagnosis or a previously undiagnosed medical condition; or

(C) improper or inadequate treatment of the injury before the date of the certification or assignment that would render

the certification or assignment invalid; or

(2) other compelling circumstances exist as prescribed by commissioner rule.

(g) If an employee has not been certified as having reached maximum medical improvement before the expiration of 104 weeks after the date income benefits begin to accrue or the expiration date of any extension of benefits under Section 408.104, the impairment rating assigned after the expiration of either of those periods is final if the impairment rating is not disputed before the 91st day after the date written notification of the certification or assignment is provided to the employee and the carrier by verifiable means. A certification or assignment may be disputed after the 90th day only as provided by Subsection (f).

(h) If an employee's disputed certification of maximum medical improvement or assignment of impairment rating is finally modified, overturned, or withdrawn, the first certification or assignment made after the date of the modification, overturning, or withdrawal becomes final if the certification or assignment is not disputed before the 91st day after the date notification of the certification or assignment is provided to the employee and the carrier by verifiable means. A certification or assignment may be disputed after the 90th day only as provided by Subsection (f).

Sec. 408.124. IMPAIRMENT RATING GUIDELINES. (a) An award of an impairment income benefit, whether by the commissioner or a court, must be based on an impairment rating determined using the impairment rating guidelines described by this section.

(b) For determining the existence and degree of an employee's impairment, the division shall use "Guides to the Evaluation of Permanent Impairment," third edition, second printing, dated February 1989, published by the American Medical Association.

(c) Notwithstanding Subsection (b), the commissioner by rule

may adopt the fourth edition of the "Guides to the Evaluation of Permanent Impairment," published by the American Medical Association, or a subsequent edition of those guides, for determining the existence and degree of an employee's impairment.

(b) The designated doctor shall report in writing to the division.

(c) The report of the designated doctor shall have presumptive weight, and the division shall base the impairment rating on that report unless the preponderance of the other medical evidence is to the contrary. If the preponderance of the medical evidence contradicts the impairment rating contained in the report of the designated doctor chosen by the division, the division shall adopt the impairment rating of one of the other doctors.

(d) To avoid undue influence on a person selected as a designated doctor under this section, only the injured employee or an appropriate member of the staff of the division may communicate with the designated doctor about the case regarding the injured employee's medical condition or history before the examination of the injured employee by the designated doctor. After that examination is completed, communication with the designated doctor regarding the injured employee's medical condition or history may be made only through appropriate division staff members. The designated doctor may initiate communication with any doctor who has previously treated or examined the injured employee for the work-related injury.

(e) Notwithstanding Subsection (d), the treating doctor and the insurance carrier are both responsible for sending to the designated doctor all the injured employee's medical records that are in their possession and that relate to the issue to be evaluated by the

designated doctor. The treating doctor and the insurance carrier may send the records without a signed release from the employee. The designated doctor is authorized to receive the employee's confidential medical records to assist in the resolution of disputes. The treating doctor and the insurance carrier may also send the designated doctor an analysis of the injured employee's medical condition, functional abilities, and return-to-work opportunities.

(f) A violation of Subsection (d) is an administrative violation.

(b) An employee who elects to commute impairment income benefits is not entitled to additional income benefits for the compensable injury.

Sec. 408.129. ACCELERATION OF IMPAIRMENT INCOME BENEFITS. (a) On approval by the commissioner of a written request received from an employee, an insurance carrier shall accelerate the payment of impairment income benefits to the employee. The accelerated payment may not exceed a rate of payment equal to that of the employee's net preinjury wage.

(b) The commissioner shall approve the request and order the acceleration of the benefits if the commissioner determines that the acceleration is:

- (1) required to relieve hardship; and
- (2) in the overall best interest of the employee.

(c) The duration of the impairment income benefits to which the employee is entitled shall be reduced to offset the increased payments caused by the acceleration taking into consideration the discount for present payment computed at the rate provided under Section 401.023.

(1) the employee earns wages for at least 90 days that are less than 80 percent of the employee's average weekly wage;

(2) the employee meets the requirements of Subsections (a)(1), (3), and (4); and

(c) If an insurance carrier disputes the commissioner's determination that an employee is entitled to supplemental income benefits or the amount of supplemental income benefits due and the employee prevails on any disputed issue, the insurance carrier is liable for reasonable and necessary attorney's fees incurred by the employee as a result of the insurance carrier's dispute and for

supplemental income benefits accrued but not paid and interest on that amount, according to Section 408.064. Attorney's fees awarded under this subsection are not subject to Sections 408.221(b), (f), and (i).

Sec. 408.151. MEDICAL EXAMINATIONS FOR SUPPLEMENTAL INCOME BENEFITS. (a) On or after the second anniversary of the date the commissioner makes the initial award of supplemental income benefits, an insurance carrier may not require an employee who is receiving supplemental income benefits to submit to a medical examination more than annually if, in the preceding year, the employee's medical condition resulting from the compensable injury has not improved sufficiently to allow the employee to return to work.

(b) If a dispute exists as to whether the employee's medical condition has improved sufficiently to allow the employee to return to work, the commissioner shall direct the employee to be examined by a designated doctor chosen by the division. The designated doctor shall report to the division. The report of the designated doctor has presumptive weight, and the division shall base its determination

of whether the employee's medical condition has improved sufficiently to allow the employee to return to work on that report unless the preponderance of the other medical evidence is to the contrary.

- (6) a physically traumatic injury to the brain resulting in incurable insanity or imbecility; or
- (7) third degree burns that cover at least 40 percent of the body and require grafting, or third degree burns covering the majority of either both hands or one hand and the face.

(c) Subject to Section 408.061, the amount of lifetime income benefits is equal to 75 percent of the employee's average weekly wage. Benefits being paid shall be increased at a rate of three percent a year notwithstanding Section 408.061.

(d) An insurance carrier may pay lifetime income benefits through an annuity if the annuity agreement meets the terms and conditions for annuity agreements adopted by the commissioner by rule. The establishment of an annuity under this subsection does not relieve the insurance carrier of the liability under this title for ensuring that the lifetime income benefits are paid.

Sec. 408.162. SUBSEQUENT INJURY FUND BENEFITS. (a) If a subsequent compensable injury, with the effects of a previous injury, results in a condition for which the injured employee is entitled to lifetime income benefits, the insurance carrier is liable for the payment of benefits for the subsequent injury only to the extent that the subsequent injury would have entitled the employee to benefits had the previous injury not existed.

(b) The subsequent injury fund shall compensate the employee for the remainder of the lifetime income benefits to which the employee is entitled.

SUBCHAPTER J. DEATH AND BURIAL BENEFITS

Sec. 408.181. DEATH BENEFITS. (a) An insurance carrier shall pay death benefits to the legal beneficiary if a compensable injury to the employee results in death.

(b) Subject to Section 408.061, the amount of a death benefit is equal to 75 percent of the employee's average weekly wage.

(c) The commissioner by rule shall establish requirements for agreements under which death benefits may be paid monthly. Death benefits may be paid monthly only:

(1) on the request of the legal beneficiary and the agreement of the legal beneficiary and the insurance carrier; and

(2) in compliance with the requirements adopted by the commissioner.

(d) An insurance carrier may pay death benefits through an annuity if the annuity agreement meets the terms and conditions for annuity agreements adopted by the commissioner by rule. The establishment of an annuity under this subsection does not relieve the insurance carrier of the liability under this title for ensuring that the death benefits are paid.

Sec. 408.182. DISTRIBUTION OF DEATH BENEFITS. (a) If there is an eligible child or grandchild and an eligible spouse, half of the death benefits shall be paid to the eligible spouse and half shall be paid in equal shares to the eligible children. If an eligible child has predeceased the employee, death benefits that would have been paid to that child shall be paid in equal shares per stirpes to the children of the deceased child.

(b) If there is an eligible spouse and no eligible child or grandchild, all the death benefits shall be paid to the eligible spouse.

(c) If there is an eligible child or grandchild and no eligible spouse, the death benefits shall be paid to the eligible children or grandchildren.

(d) If there is no eligible spouse, no eligible child, and no eligible grandchild, the death benefits shall be paid in equal shares to surviving dependents of the deceased employee who are parents, stepparents, siblings, or grandparents of the deceased.

(d-1) If there is no eligible spouse, no eligible child, and no eligible grandchild, and there are no surviving dependents of the deceased employee who are parents, siblings, or grandparents of the deceased, the death benefits shall be paid in equal shares to surviving eligible parents of the deceased. A payment of death benefits made under this subsection may not exceed one payment per household. Total payments under this section may not exceed 104 weeks regardless of the number of surviving eligible parents.

(d-2) Except as otherwise provided by this subsection, to be eligible to receive death benefits under Subsection (d-1), an eligible parent must file with the division a claim for those benefits not later than the first anniversary of the date of the injured employee's death from the compensable injury. The claim must designate all eligible parents and necessary information for payment to the eligible parents. The insurance carrier is not liable for payment to any eligible parent not designated on the claim. Failure to file a claim in the time required bars the claim unless good cause

exists for the failure to file a claim under this section.

(e) If an employee is not survived by legal beneficiaries or eligible parents, the death benefits shall be paid to the subsequent injury fund under Section 403.007.

(f) In this section:

(1) "Eligible child" means a child of a deceased employee if the child is:

(A) a minor;

(B) enrolled as a full-time student in an accredited educational institution and is less than 25 years of age; or

(C) a dependent of the deceased employee at the time of the employee's death.

(2) "Eligible grandchild" means a grandchild of a deceased employee who is a dependent of the deceased employee and whose parent is not an eligible child.

(3) "Eligible spouse" means the surviving spouse of a deceased employee unless the spouse abandoned the employee for longer than the year immediately preceding the death without good cause, as determined by the division.

(4) "Eligible parent" means the mother or the father of a deceased employee, including an adoptive parent or a stepparent. The term does not include a parent whose parental rights have been terminated.

(d) A child eligible for death benefits under Subsection (c) who at age 18 is enrolled as a full-time student in an accredited educational institution or a child who is eligible for death benefits because on the date of the employee's death the child is enrolled as a full-time student in an accredited educational institution is entitled to receive or to continue to receive, as appropriate, benefits until the earliest of:

(1) the date the child ceases, for a second consecutive semester, to be enrolled as a full-time student in an accredited educational institution;

(2) the date the child attains the age of 25; or

(b) Except as otherwise provided, an attorney's fee under this section is based on the attorney's time and expenses according to written evidence presented to the division or court. Except as provided by Subsection (c) or Section 408.147(c), the attorney's fee shall be paid from the claimant's recovery.

(c) An insurance carrier that seeks judicial review under Subchapter G, Chapter 410, of a final decision of the appeals panel regarding compensability or eligibility for, or the amount of, income or death benefits is liable for reasonable and necessary attorney's fees as provided by Subsection (d) incurred by the claimant as a result of the insurance carrier's appeal if the claimant prevails on an issue on which judicial review is sought by the insurance carrier in accordance with the limitation of issues contained in Section 410.302. If the carrier appeals multiple issues and the claimant prevails on some, but not all, of the issues appealed, the court shall apportion and award fees to the claimant's attorney only for the issues on which the claimant prevails. In making that apportionment, the court shall consider the factors prescribed by Subsection (d). This subsection does not apply to attorney's fees

(6) the benefits to the claimant that the attorney is responsible for securing; and

(7) the experience and ability of the attorney performing the services.

(e) The commissioner by rule or the court may provide for the commutation of an attorney's fee, except that the attorney's fee shall be paid in periodic payments in a claim involving death benefits if the only dispute is as to the proper beneficiary or beneficiaries.

(f) The commissioner by rule shall provide guidelines for maximum attorney's fees for specific services in accordance with this section.

(g) An attorney's fee may not be allowed in a case involving a fatal injury or lifetime income benefit if the insurance carrier admits liability on all issues and tenders payment of maximum benefits in writing under this subtitle while the claim is pending before the division.

(h) An attorney's fee shall be paid to the attorney by separate draft.

(i) Except as provided by Subsection (c) or Section 408.147(c), an attorney's fee may not exceed 25 percent of the claimant's recovery.

Except as provided by Subsection (e), the insurance carrier must electronically file the report with the division not later than the seventh day after the date on which the carrier receives the report from the employer.

(f) A report required under this section may not be considered to be an admission by or evidence against an employer or an insurance carrier in a proceeding before the division or a court in which the

neglects, or refuses to file the report under Section 409.005, the period for filing a claim for compensation under Sections 409.003 and 409.07 does not begin to run against the claim of an injured employee or a legal beneficiary until the day on which the report required under Section 409.005 has been furnished.

Sec. 409.0091. REIMBURSEMENT PROCEDURES FOR CERTAIN ENTITIES.

(a) In this section, "health care insurer" means an insurance carrier and an authorized representative of an insurance carrier, as described by Section 402.084(c-1).

(b) This section applies only to a request for reimbursement by a health care insurer.

(c) Health care paid by a health care insurer may be reimbursable as a medical benefit.

(d) Except as provided by Subsection (e), this section does not prohibit or limit a substantive defense by a workers' compensation insurance carrier that the health care paid for by the health care insurer was not a medical benefit or not a correct payment. A subclaimant may not be reimbursed for payment for any health care that was previously denied by a workers' compensation insurance carrier under:

(1) a preauthorization review of the specific service or medical procedure; or

(2) a medical necessity review that determined the service

was not medically necessary for the treatment of a compensable injury.

(e) It is not a defense to a subclaim by a health care insurer that:

(1) the subclaimant has not sought reimbursement from a health care provider or the subclaimant's insurer;

(2) the subclaimant or the health care provider did not request preauthorization under Section 413.014 or rules adopted under that section; or

(3) the health care provider did not bill the workers' compensation insurance carrier, as provided by Section 408.027, before the 95th day after the date the health care for which the subclaimant paid was provided.

(f) Subject to the time limits under Subsection (n), the health care insurer shall provide, with any reimbursement request, the tax identification number of the health care insurer and the following to the workers' compensation insurance carrier, in a form prescribed by the division:

(1) information identifying the workers' compensation case, including:

(A) the division claim number;

(B) the name of the patient or claimant;

(C) the social security number of the patient or claimant; and

(D) the date of the injury; and

(2) information describing the health care paid by the health care insurer, including:

(A) the name of the health care provider;

(B) the tax identification number of the health care provider;

(C) the date of service;

(D) the place of service;

(E) the ICD-9 code;

(F) the CPT, HCPCS, NDC, or revenue code;

(G) the amount charged by the health care provider; and

(H) the amount paid by the health care insurer.

(g) The workers' compensation insurance carrier shall reduce the amount of the reimbursable subclaim by any payments the workers' compensation insurance carrier previously made to the same health care provider for the provision of the same health care on the same

dates of service. In making such a reduction in reimbursement to the subclaimant, the workers' compensation insurance carrier shall provide evidence of the previous payments made to the provider.

(h) For each medical benefit paid, the workers' compensation insurance carrier shall pay to the health care insurer the lesser of the amount payable under the applicable fee guideline as of the date of service or the actual amount paid by the health care insurer. In the absence of a fee guideline for a specific service paid, the amount per service paid by the health care insurer shall be considered in determining a fair and reasonable payment under rules under this subtitle defining fair and reasonable medical reimbursement. The health care insurer may not recover interest as a part of the subclaim.

(i) On receipt of a request for reimbursement under this section, the workers' compensation insurance carrier shall respond to the request in writing not later than the 90th day after the date on which the request is received. If additional information is requested under Subsection (j), the workers' compensation insurance carrier shall respond not later than the 120th day unless the time is extended under Subsection (j).

(j) If the workers' compensation insurance carrier requires additional information from the health care insurer, the workers' compensation insurance carrier shall send notice to the health care insurer requesting the additional information. The health care insurer shall have 30 days to provide the requested information. The workers' compensation insurance carrier and the health care insurer may establish additional periods for compliance with this subsection by written mutual agreement.

(k) Unless the parties have agreed to an extension of time under Subsection (j), the health care insurer must file a written subclaim under this section not later than the 120th day after:

(1) the workers' compensation insurance carrier fails to respond to a request for reimbursement; or

(2) receipt of the workers' compensation insurance carrier's notice of denial to pay or reduction in reimbursement.

(l) Any dispute that arises from a failure to respond to or a reduction or denial of a request for reimbursement of services that form the basis of the subclaim must go through the appropriate dispute resolution process under this subtitle and division rules. The commissioner of insurance and the commissioner of workers'

compensation shall modify rules under this subtitle as necessary to allow the health care insurer access as a subclaimant to the appropriate dispute resolution process. Rules adopted or amended by the commissioner of insurance and the commissioner of workers' compensation must recognize the status of a subclaimant as a party to the dispute. Rules modified or adopted under this section should ensure that the workers' compensation insurance carrier is not penalized, including not being held responsible for costs of obtaining the additional information, if the workers' compensation insurance carrier denies payment in order to move to dispute resolution to obtain additional information to process the request.

(m) In a dispute filed under Chapter 410 that arises from a subclaim under this section, an administrative law judge may issue an order regarding compensability or eligibility for benefits and order the workers' compensation insurance carrier to reimburse health care services paid by the health care insurer as appropriate under this subtitle. Any dispute over the amount of medical benefits owed under this section, including medical necessity issues, shall be determined by medical dispute resolution under Sections 413.031 and 413.032.

(n) Except as provided by Subsection (s), a health care insurer must file a request for reimbursement with the workers' compensation insurance carrier not later than six months after the date on which the health care insurer received information under Section 402.084(c-3) and not later than 18 months after the health care insurer paid for the health care service.

(o) The commissioner and the commissioner of insurance shall amend or adopt rules to specify the process by which an employee who has paid for health care services described by Section 408.027(d) may seek reimbursement.

(p) Until September 1, 2011, a workers' compensation insurance carrier is exempt from any department and division data reporting requirements affected by a lack of information caused by reimbursement requests or subclaims under this section. If data reporting is required after that date, the requirement is prospective only and may not require any data to be reported between September 1, 2007, and the date required reporting is reinstated. The department and the division may make legislative recommendations to the 82nd Legislature for the collection of reimbursement request and subclaim data.

(q) An action or failure to act by a workers' compensation

insurance carrier under this section may not serve as the basis for an examination or administrative action by the department or the division, or for any cause of action by any person, except for judicial review under this subtitle.

(r) The commissioner of insurance and the commissioner of workers' compensation may adopt additional rules to clarify the processes required by, fulfill the purpose of, or assist the parties in the proper adjudication of subclaims under this section.

(s) On or after September 1, 2007, from information provided to a health care insurer before January 1, 2007, under Section 402.084(c-3), the health care insurer may file not later than March 1, 2008:

(1) a subclaim with the division under Subsection (l) if a request for reimbursement has been presented and denied by a workers' compensation insurance carrier; or

(2) a request for reimbursement under Subsection (f) if a request for reimbursement has not previously been presented and denied by the workers' compensation insurance carrier.

(b) If the division determines that an injured employee would be assisted by vocational rehabilitation, the division shall notify:

(1) the injured employee in writing of the services and facilities available through the Texas Workforce Commission and private providers of vocational rehabilitation; and

(2) the Texas Workforce Commission that the injured employee has been identified as one who could be assisted by vocational rehabilitation.

SUBCHAPTER B. PAYMENT OF BENEFITS

Sec. 409.021. INITIATION OF BENEFITS; INSURANCE CARRIER'S REFUSAL; ADMINISTRATIVE VIOLATION. (a) An insurance carrier shall initiate compensation under this subtitle promptly. Not later than the 15th day after the date on which an insurance carrier receives written notice of an injury, the insurance carrier shall:

(1) begin the payment of benefits as required by this subtitle; or

(2) notify the division and the employee in writing of its refusal to pay and advise the employee of:

(A) the right to request a benefit review conference; and

(B) the means to obtain additional information from the division.

(a-1) An insurance carrier that fails to comply with Subsection

(a) does not waive the carrier's right to contest the compensability of the injury as provided by Subsection (c) but commits an administrative violation subject to Subsection (e).

(a-2) An insurance carrier is not required to comply with Subsection (a) if the insurance carrier has accepted the claim as a compensable injury and income or death benefits have not yet accrued but will be paid by the insurance carrier when the benefits accrue and are due.

(a-3) An insurance carrier is not required to comply with Subsection (a) if the claim results from an employee's disability or death for which a presumption is claimed to be applicable under Subchapter B, Chapter 607, Government Code, and, not later than the 15th day after the date on which the insurance carrier received written notice of the injury, the insurance carrier has provided the employee and the division with a notice that describes all steps taken by the insurance carrier to investigate the injury before the notice was given and the evidence the carrier reasonably believes is necessary to complete its investigation of the compensability of the injury. The commissioner shall adopt rules as necessary to implement this subsection.

(b) An insurance carrier shall notify the division in writing of the initiation of income or death benefit payments in the manner prescribed by commissioner rules.

(c) If an insurance carrier does not contest the compensability of an injury on or before the 60th day after the date on which the insurance carrier is notified of the injury, the insurance carrier waives its right to contest compensability. The initiation of payments by an insurance carrier does not affect the right of the insurance carrier to continue to investigate or deny the compensability of an injury during the 60-day period.

(d) An insurance carrier may reopen the issue of the compensability of an injury if there is a finding of evidence that could not reasonably have been discovered earlier.

(e) An insurance carrier commits an administrative violation if the insurance carrier does not initiate payments or file a notice of refusal as required by this section.

Text of subsec. (f) as added by Acts 2003, 78th Leg., ch. 939, Sec. 1

(f) For purposes of this section, "written notice" to a certified self-insurer occurs only on written notice to the qualified claims servicing contractor designated by the certified self-insurer

under Section 407.061(c).

(1) a certified self-insurer receives notice on the date the qualified claims servicing contractor designated by the certified self-insurer under Section 407.061(c) receives notice; and

Sec. 409.022. REFUSAL TO PAY BENEFITS; NOTICE; ADMINISTRATIVE VIOLATION. (a) An insurance carrier's notice of refusal to pay benefits under Section 409.021 must specify the grounds for the refusal.

(b) The grounds for the refusal specified in the notice constitute the only basis for the insurance carrier's defense on the issue of compensability in a subsequent proceeding, unless the defense is based on newly discovered evidence that could not reasonably have been discovered at an earlier date.

(c) An insurance carrier commits an administrative violation if the insurance carrier does not have reasonable grounds for a refusal

to pay benefits, as determined by the commissioner.

(d) In this subsection, the terms "emergency medical technician," "firefighter," and "peace officer" have the meanings assigned by Section 607.051, Government Code. In addition to the other requirements of this section, if an insurance carrier's notice of refusal to pay benefits under Section 409.021 is sent in response to a claim for compensation resulting from an emergency medical technician's, a firefighter's, or a peace officer's disability or death for which a presumption is claimed to be applicable under Subchapter B, Chapter 607, Government Code, the notice must include a statement by the carrier that:

(1) explains why the carrier determined a presumption under that subchapter does not apply to the claim for compensation; and

(2) describes the evidence that the carrier reviewed in making the determination described by Subdivision (1).

(d-1) An insurance carrier has not committed an administrative violation under Section 409.021 if the carrier has sent notice to the employee as required by Subsection (d) of this section or Section 409.021(a-3).

(a) An insurance carrier shall continue to pay benefits promptly as and when the benefits accrue without a final decision, order, or other action of the commissioner, except as otherwise provided.

(b) Benefits shall be paid solely to the order of the employee or the employee's legal beneficiary.

(c) An insurance carrier commits an administrative violation if the insurance carrier fails to comply with this section.

(d) An insurance carrier that commits multiple violations of this section commits an additional administrative violation and is subject to:

- (1) the sanctions provided under Section 415.023; and
- (2) revocation of the right to do business under the workers' compensation laws of this state.

- (1) is made by electronic funds transfer and is deposited in the employee's account on or before the benefit payment due date;
- (2) is made by mail and is mailed in time for the payment to be postmarked on or before the benefit payment due date; or

department on at least a quarterly basis.

(d) If the commissioner determines that an independent review organization is in violation of this chapter, rules adopted by the commissioner under this chapter, applicable provisions of this code or rules adopted under this code, or applicable provisions of the Insurance Code or rules adopted under that code, the commissioner or a designated representative shall notify the independent review organization of the alleged violation and may compel the production of any documents or other information as necessary to determine whether the violation occurred.

(2) can be used in a meaningful way to allow the commission to control medical costs as provided by this subtitle.

(c) The division shall ensure that the data base is available for public access for a reasonable fee established by the commissioner. The identities of injured workers and beneficiaries may not be disclosed.

SUBCHAPTER B. MEDICAL SERVICES AND FEES

Sec. 413.011. REIMBURSEMENT POLICIES AND GUIDELINES; TREATMENT GUIDELINES AND PROTOCOLS. (a) The commissioner shall adopt health care reimbursement policies and guidelines that reflect the standardized reimbursement structures found in other health care delivery systems with minimal modifications to those reimbursement methodologies as necessary to meet occupational injury requirements. To achieve standardization, the commissioner shall adopt the most current reimbursement methodologies, models, and values or weights used by the federal Centers for Medicare and Medicaid Services, including applicable payment policies relating to coding, billing, and reporting, and may modify documentation requirements as necessary to meet the requirements of Section 413.053.

(b) In determining the appropriate fees, the commissioner shall also develop one or more conversion factors or other payment adjustment factors taking into account economic indicators in health care and the requirements of Subsection (d). The commissioner shall also provide for reasonable fees for the evaluation and management of care as required by Section 408.025(c) and commissioner rules. This section does not adopt the Medicare fee schedule, and the commissioner may not adopt conversion factors or other payment adjustment factors based solely on those factors as developed by the

federal Centers for Medicare and Medicaid Services.

(c) This section may not be interpreted in a manner that would discriminate in the amount or method of payment or reimbursement for services in a manner prohibited by Section 1451.104, Insurance Code, or as restricting the ability of chiropractors to serve as treating doctors as authorized by this subtitle. The commissioner shall also develop guidelines relating to fees charged or paid for providing expert testimony relating to an issue arising under this subtitle.

(d) Fee guidelines must be fair and reasonable and designed to ensure the quality of medical care and to achieve effective medical cost control. The guidelines may not provide for payment of a fee in excess of the fee charged for similar treatment of an injured individual of an equivalent standard of living and paid by that individual or by someone acting on that individual's behalf. The commissioner shall consider the increased security of payment afforded by this subtitle in establishing the fee guidelines.

(d-4) Notwithstanding this section or any other provision of this title, an insurance carrier, an insurance carrier's authorized agent, or a network certified under Chapter 1305, Insurance Code, arranging for non-network services or out-of-network services under Section 1305.006, Insurance Code, may continue to contract with a health care provider to secure health care for an injured employee for fees that exceed the fees adopted by the division under this section.

(d-5) The commissioner and the commissioner of insurance may adopt rules as necessary to implement this section.

(e) The commissioner by rule shall adopt treatment guidelines and return-to-work guidelines and may adopt individual treatment protocols. Treatment guidelines and protocols must be evidence-based, scientifically valid, and outcome-focused and designed to reduce excessive or inappropriate medical care while safeguarding necessary medical care. Treatment may not be denied solely on the basis that the treatment for the compensable injury in question is not specifically addressed by the treatment guidelines.

(f) In addition to complying with the requirements of Subsection (e), medical policies or guidelines adopted by the commissioner must be:

(1) designed to ensure the quality of medical care and to achieve effective medical cost control;

(2) designed to enhance a timely and appropriate return to

work; and

(3) consistent with Sections 413.013, 413.020, 413.052, and 413.053.

(g) The commissioner may adopt rules relating to disability management that are designed to promote appropriate health care at the earliest opportunity after the injury to maximize injury healing and improve stay-at-work and return-to-work outcomes through appropriate management of work-related injuries or conditions. The commissioner by rule may identify claims in which application of disability management activities is required and prescribe at what point in the claim process a treatment plan is required. The determination may be based on any factor considered relevant by the commissioner. Rules adopted under this subsection do not apply to claims subject to workers' compensation health care networks under Chapter 1305, Insurance Code.

(h) A dispute involving a treatment plan required under Subsection (g) may be appealed to an independent review organization in the manner described by Section 413.031.

(i) The division shall examine whether injured employees have reasonable access to surgically implanted, inserted, or otherwise applied devices or tissues and investigate whether reimbursement rates or any other barriers exist that reduce the ability of an injured employee to access those medical needs. The division shall recommend to the legislature any statutory changes necessary to ensure appropriate access to those medical needs.

services must authorize pharmacies to use agents or assignees to process claims and act on the behalf of the pharmacies under terms and conditions agreed on by the pharmacies.

(b) The reimbursement rates for medical services provided to an injured employee by a federal military treatment facility must be the amount charged by the facility as determined under 32 C.F.R. Part 220.

(c) Chapter 1305, Insurance Code, and the following sections of this code do not apply to the reimbursement of a federal military treatment facility's charges for medical services provided to an injured employee:

- (1) Sections 408.027(a) and (f);
- (2) Section 408.0271;
- (3) Section 408.0272;

- (8) Section 413.031, as that section relates to medical fee disputes;
- (9) Section 413.041; and
- (10) Section 504.053.

(d) The commissioner shall adopt rules necessary to implement this section, including rules establishing:

- (1) requirements for processing medical bills for services provided to an injured employee by a federal military treatment facility; and
- (2) a separate medical dispute resolution process to resolve disputes over charges billed directly to an injured employee by a federal military treatment facility.

Sec. 413.0115. REQUIREMENTS FOR CERTAIN VOLUNTARY OR INFORMAL NETWORKS. (a) In this section:

(1) "Informal network" means a health care provider network described by Section 413.011(d-1) that:

(A) is established under a contract between an insurance carrier and health care providers; and

(B) includes a specific fee schedule.

(2) "Voluntary network" means a voluntary workers' compensation health care delivery network established by an insurance carrier under former Section 408.0223, as that section existed before repeal by Chapter 265, Acts of the 79th Legislature, Regular Session, 2005.

(b) Not later than January 1, 2011, each informal network or voluntary network must be certified as a workers' compensation health care network under Chapter 1305, Insurance Code.

(c) Effective September 1, 2007, each informal network and voluntary network must provide the following information to the division:

(1) an executive contact for official correspondence for the network;

(2) a toll-free telephone number by which a health care provider may contact the informal network or voluntary network;

(3) a list of each insurance carrier with whom the network contracts; and

(4) a list of each entity associated with the network working on behalf of the insurance carrier, including contact information for each entity.

(d) Each informal network and voluntary network shall report any changes to the information provided under Subsection (c) to the division not later than the 30th day after the effective date of the change.

Added by Acts 2007, 80th Leg., R.S., Ch. 1177 (H.B. 473), Sec. 3, eff. September 1, 2007.

Sec. 413.012. MEDICAL POLICY AND GUIDELINE UPDATES REQUIRED.

The medical policies and fee guidelines shall be reviewed and revised at least every two years to reflect fair and reasonable fees and to reflect medical treatment or ranges of treatment that are reasonable or necessary at the time the review and revision is conducted.

Acts 1993, 73rd Leg., ch. 269, Sec. 1, eff. Sept. 1, 1993.

Sec. 413.013. PROGRAMS. The commissioner by rule shall establish:

(1) a program for prospective, concurrent, and retrospective review and resolution of a dispute regarding health care treatments and services;

(2) a program for the systematic monitoring of the necessity of treatments administered and fees charged and paid for medical treatments or services, including the authorization of prospective, concurrent, or retrospective review under the medical policies of the division to ensure that the medical policies or guidelines are not exceeded;

(3) a program to detect practices and patterns by insurance carriers in unreasonably denying authorization of payment for medical services requested or performed if authorization is required by the medical policies of the division; and

(4) a program to increase the intensity of review for compliance with the medical policies or fee guidelines for any health care provider that has established a practice or pattern in charges and treatments inconsistent with the medical policies and fee guidelines.

Sec. 413.014. PREAUTHORIZATION REQUIREMENTS; CONCURRENT REVIEW AND CERTIFICATION OF HEALTH CARE. (a) In this section, "investigational or experimental service or device" means a health care treatment, service, or device for which there is early, developing scientific or clinical evidence demonstrating the potential efficacy of the treatment, service, or device but that is

not yet broadly accepted as the prevailing standard of care.

(b) The commissioner by rule shall specify which health care treatments and services require express preauthorization or concurrent review by the insurance carrier. Treatments and services for a medical emergency do not require express preauthorization.

(c) The commissioner's rules adopted under this section must provide that preauthorization and concurrent review are required at a minimum for:

- (1) spinal surgery, as provided by Section 408.026;
- (2) work-hardening or work-conditioning services;
- (3) inpatient hospitalization, including any procedure and length of stay;
- (4) physical and occupational therapy;
- (5) outpatient or ambulatory surgical services, as defined by commissioner rule; and
- (6) any investigational or experimental services or devices.

(c-1) Notwithstanding Subsection (c)(2), the commissioner by rule may exempt from preauthorization and concurrent review work-hardening or work-conditioning services provided by a health care facility that is credentialed by an organization designated by commissioner rule.

(d) The insurance carrier is not liable for those specified treatments and services requiring preauthorization unless preauthorization is sought by the claimant or health care provider and either obtained from the insurance carrier or ordered by the commissioner.

(e) If a specified health care treatment or service is preauthorized as provided by this section, that treatment or service is not subject to retrospective review of the medical necessity of the treatment or service.

(f) The division may not prohibit an insurance carrier and a health care provider from voluntarily discussing health care treatment and treatment plans and pharmaceutical services, either prospectively or concurrently, and may not prohibit an insurance carrier from certifying or agreeing to pay for health care consistent with those agreements. The insurance carrier is liable for health care treatment and treatment plans and pharmaceutical services that are voluntarily preauthorized and may not dispute the certified or agreed-on preauthorized health care treatment and treatment plans and

pharmaceutical services at a later date.

Sec. 413.0141. INITIAL PHARMACEUTICAL COVERAGE. The commissioner may by rule provide that an insurance carrier shall provide for payment of specified pharmaceutical services sufficient for the first seven days following the date of injury if the health care provider requests and receives verification of insurance coverage and a verbal confirmation of an injury from the employer or from the insurance carrier as provided by Section 413.014. The rules adopted by the commissioner shall provide that an insurance carrier is eligible for reimbursement for pharmaceutical services paid under this section from the subsequent injury fund in the event the injury is determined not to be compensable.

Sec. 413.015. PAYMENT BY INSURANCE CARRIERS; AUDIT AND REVIEW. (a) Insurance carriers shall make appropriate payment of charges for medical services provided under this subtitle. An insurance carrier may contract with a separate entity to forward payments for medical services. Any payment due the insurance carrier from the separate entity must be made in accordance with the contract. The separate entity is subject to the direction of the insurance carrier, and the insurance carrier is responsible for the actions of the separate entity under this subsection.

(b) The commissioner shall provide by rule for the review and

audit of the payment by insurance carriers of charges for medical services provided under this subtitle to ensure compliance of health care providers and insurance carriers with the medical policies and fee guidelines adopted by the commissioner.

(c) The rules must require the insurance carrier to pay the expenses of the review and audit.

Sec. 413.016. PAYMENTS IN VIOLATION OF MEDICAL POLICIES AND FEE GUIDELINES. (a) The division shall order a refund of charges paid to a health care provider in excess of those allowed by the medical policies or fee guidelines. The division shall also refer the health care provider alleged to have violated this subtitle to the division of compliance and practices.

(b) If the division determines that an insurance carrier has paid medical charges that are inconsistent with the medical policies or fee guidelines adopted by the commissioner, the division shall investigate the potential violation. If the insurance carrier reduced a charge of a health care provider that was within the guidelines, the insurance carrier shall be directed to submit the difference to the provider unless the reduction is in accordance with an agreement between the health care provider and the insurance carrier.

- (1) medical services consistent with the medical policies and fee guidelines adopted by the commissioner; and
- (2) medical services that are provided subject to

prospective, concurrent, or retrospective review as required by the medical policies of the division and that are authorized by an insurance carrier.

Sec. 413.018. REVIEW OF MEDICAL CARE IF GUIDELINES EXCEEDED.

(a) The commissioner by rule shall provide for the periodic review of medical care provided in claims in which guidelines for expected or average return to work time frames are exceeded.

(b) The division shall review the medical treatment provided in a claim that exceeds the guidelines and may take appropriate action to ensure that necessary and reasonable care is provided.

(c) The division shall implement a program to encourage employers and treating doctors to discuss the availability of modified duty to encourage the safe and more timely return to work of injured employees. The division may require a treating or examining doctor, on the request of the employer, insurance carrier, or division, to provide a functional capacity evaluation of an injured employee and to determine the employee's ability to engage in physical activities found in the workplace or in activities that are required in a modified duty setting.

(d) The division shall provide through the division's health and safety information and medical review outreach programs information to employers regarding effective return to work programs. This section does not require an employer to provide modified duty or an employee to accept a modified duty assignment. An employee who does not accept an employer's offer of modified duty determined by the division to be a bona fide job offer is subject to Section 408.103(e).

(e) The commissioner may adopt rules and forms as necessary to implement this section.

Sec. 413.019. INTEREST EARNED FOR DELAYED PAYMENT, REFUND, OR OVERPAYMENT. (a) Interest on an unpaid fee or charge that is consistent with the fee guidelines accrues at the rate provided by Section 401.023 beginning on the 60th day after the date the health care provider submits the bill to an insurance carrier until the date the bill is paid.

(b) Interest on a refund from a health care provider accrues at the rate provided by Section 401.023 beginning on the 60th day after the date the provider receives notice of alleged overpayment from the insurance carrier until the date the refund is paid.

Sec. 413.020. DIVISION CHARGES. The commissioner by rule shall establish procedures to enable the division to charge:

(1) an insurance carrier a reasonable fee for access to or evaluation of health care treatment, fees, or charges under this subtitle; and

(2) a health care provider who exceeds a fee or utilization guideline established under this subtitle or an insurance carrier who unreasonably disputes charges that are consistent with a fee or utilization guideline established under this subtitle a reasonable fee for review of health care treatment, fees, or charges under this subtitle.

Sec. 413.021. RETURN-TO-WORK COORDINATION SERVICES. (a) An insurance carrier shall, with the agreement of a participating employer, provide the employer with return-to-work coordination services on an ongoing basis as necessary to facilitate an employee's return to employment, including on receipt of a notice that an injured employee is eligible to receive temporary income benefits.

The insurance carrier shall notify the employer of the availability of the return-to-work reimbursement program under Section 413.022. The insurance carrier shall evaluate a compensable injury in which the injured employee sustains an injury that could potentially result in lost time from employment as early as practicable to determine if skilled case management is necessary for the injured employee's case. As necessary, case managers who are appropriately certified shall be used to perform these evaluations. A claims adjuster may not be used as a case manager. These services may be offered by insurance carriers in conjunction with the accident prevention services provided under Section 411.061. Nothing in this section supersedes the provisions of a collective bargaining agreement between an employer and the employer's employees, and nothing in this section authorizes or requires an employer to engage in conduct that would otherwise be a violation of the employer's obligations under the National Labor Relations Act (29 U.S.C. Section 151 et seq.).

(b) Return-to-work coordination services under this section may include:

- (1) job analysis to identify the physical demands of a job;
- (2) job modification and restructuring assessments as necessary to match job requirements with the functional capacity of an employee; and
- (3) medical or vocational case management to coordinate the efforts of the employer, the treating doctor, and the injured employee to achieve timely return to work.

(c) An insurance carrier is not required to provide physical workplace modifications under this section and is not liable for the cost of modifications made under this section to facilitate an employee's return to employment.

(d) The division shall use certified rehabilitation counselors or other appropriately trained or credentialed specialists to provide training to division staff regarding the coordination of return-to-work services under this section.

(e) The commissioner shall adopt rules necessary to collect data on return-to-work outcomes to allow full evaluations of successes and of barriers to achieving timely return to work after an injury.

(f) Repealed by Acts 2003, 78th Leg., 3rd C.S., ch. 10, Sec. 1.02(a).

Sec. 413.022. RETURN-TO-WORK REIMBURSEMENT PROGRAM FOR EMPLOYERS; FUND. (a) In this section:

(1) "Account" means the workers' compensation return-to-work account.

(2) "Eligible employer" means any employer, other than this state or a political subdivision subject to Subtitle C, who has workers' compensation insurance coverage and who:

(A) employed at least two but not more than 50 employees on each business day during the preceding calendar year; or

(B) is a type of employer designated as eligible to participate in the program by the commissioner.

(3) "Program" means the return-to-work reimbursement program established under this section.

(b) The commissioner shall establish by rule a return-to-work reimbursement program designed to promote the early and sustained return to work of an injured employee who sustains a compensable injury. The commissioner, by rule, may expand eligibility to participate in the program to types of employers who are not described by Subsection (a)(2)(A).

(c) The program shall reimburse from the account an eligible employer for expenses incurred by the employer to make workplace modifications necessary to accommodate an injured employee's return to modified or alternative work. Reimbursement under this section to an eligible employer may not exceed \$5,000. The expenses must be incurred to allow the employee to perform modified or alternative work within doctor-imposed work restrictions. Allowable expenses may include:

- (1) physical modifications to the worksite;
- (2) equipment, devices, furniture, or tools; and
- (3) other costs necessary for reasonable accommodation of

the employee's restrictions.

(c-1) The commissioner by rule shall establish an optional preauthorization plan for eligible employers who participate in the program. To participate in the preauthorization plan, an employer must submit a proposal to the division, in the manner prescribed by the division, that describes the workplace modifications and other changes that the employer proposes to make to accommodate an injured employee's return to work. If the division approves the employer's proposal, the division shall guarantee reimbursement of the expenses incurred by the employer in implementing the modifications and changes from the account unless the division determines that the modifications and changes differ materially from the employer's proposal. If determined to be a public purpose by the commissioner, and in accordance with rules adopted by the commissioner, the division may provide the employer an advance of funds under this subsection. Reimbursement or an advance of funds under this subsection is subject to the limit imposed under Subsection (c).

SUBCHAPTER C. DISPUTE RESOLUTION

Sec. 413.031. MEDICAL DISPUTE RESOLUTION. (a) A party, including a health care provider, is entitled to a review of a medical service provided or for which authorization of payment is sought if a health care provider is:

(1) denied payment or paid a reduced amount for the medical service rendered;

(2) denied authorization for the payment for the service requested or performed if authorization is required or allowed by this subtitle or commissioner rules;

(3) ordered by the commissioner to refund a payment received; or

(4) ordered to make a payment that was refused or reduced for a medical service rendered.

(b) A health care provider who submits a charge in excess of the fee guidelines or treatment policies is entitled to a review of the medical service to determine if reasonable medical justification exists for the deviation. A claimant is entitled to a review of a medical service for which preauthorization is sought by the health care provider and denied by the insurance carrier. The commissioner shall adopt rules to notify claimants of their rights under this subsection.

(c) In resolving disputes over the amount of payment due for services determined to be medically necessary and appropriate for treatment of a compensable injury, the role of the division is to adjudicate the payment given the relevant statutory provisions and commissioner rules. The division shall publish on its Internet website the division's medical dispute decisions, including decisions of independent review organizations, and any subsequent decisions by the State Office of Administrative Hearings. Before publication, the division shall redact only that information necessary to prevent identification of the injured worker.

(d) A review of the medical necessity of a health care service requiring preauthorization under Section 413.014 or commissioner rules under that section or Section 413.011(g) shall be conducted by an independent review organization under Chapter 4202, Insurance Code, in the same manner as reviews of utilization review decisions by health maintenance organizations. It is a defense for the insurance carrier if the carrier timely complies with the decision of the independent review organization.

(e) Except as provided by Subsections (d), (f), and (m), a review of the medical necessity of a health care service provided under this chapter or Chapter 408 shall be conducted by an independent review organization under Chapter 4202, Insurance Code, in the same manner as reviews of utilization review decisions by

health maintenance organizations. It is a defense for the insurance carrier if the carrier timely complies with the decision of the independent review organization.

(e-1) In performing a review of medical necessity under Subsection (d) or (e), the independent review organization shall consider the division's health care reimbursement policies and guidelines adopted under Section 413.011. If the independent review organization's decision is contrary to the division's policies or guidelines adopted under Section 413.011, the independent review organization must indicate in the decision the specific basis for its divergence in the review of medical necessity.

(e-2) An independent review organization that uses doctors to perform reviews of health care services provided under this title may only use doctors licensed to practice in this state.

(e-3) Notwithstanding Subsections (d) and (e) of this section or Chapters 4201 and 4202, Insurance Code, a doctor, other than a dentist or a chiropractor, who performs a utilization review or an independent review of a health care service provided to an injured employee is subject to Section 408.0043. A dentist who performs a utilization review or an independent review of a dental service provided to an injured employee is subject to Section 408.0044. A chiropractor who performs a utilization review or an independent review of a chiropractic service provided to an injured employee is subject to Section 408.0045.

(f) The commissioner by rule shall specify the appropriate dispute resolution process for disputes in which a claimant has paid for medical services and seeks reimbursement.

(g) In performing a review of medical necessity under Subsection (d) or (e), an independent review organization may request that the commissioner order an examination by a designated doctor under Chapter 408.

(h) The insurance carrier shall pay the cost of the review if the dispute arises in connection with:

(1) a request for health care services that require preauthorization under Section 413.014 or commissioner rules under that section; or

(2) a treatment plan under Section 413.011(g) or commissioner rules under that section.

(i) Except as provided by Subsection (h), the cost of the review shall be paid by the nonprevailing party.

(j) Notwithstanding Subsections (h) and (i), an employee may not be required to pay any portion of the cost of a review.

(k) A party to a medical dispute that remains unresolved after a review of the medical service under this section is entitled to a hearing under Section 413.0311 or 413.0312, as applicable.

(k-1) A party who has exhausted all administrative remedies described by Subsection (k) and who is aggrieved by a final decision of the division or the State Office of Administrative Hearings may seek judicial review of the decision. Judicial review under this subsection shall be conducted in the manner provided for judicial review of a contested case under Subchapter G, Chapter 2001, Government Code, except that in the case of a medical fee dispute the party seeking judicial review under this section must file suit not later than the 45th day after the date on which the State Office of Administrative Hearings mailed the party the notification of the decision. For purposes of this subsection, the mailing date is considered to be the fifth day after the date the decision was issued by the State Office of Administrative Hearings.

(k-2) The division and the department are not considered to be parties to the medical dispute for purposes of Subsections (k) and (k-1).

(l) Repealed by Acts 2011, 82nd Leg., R.S., Ch. 1162, Sec. 37(1), eff. September 1, 2011.

(m) The decision of an independent review organization under Subsection (d) is binding during the pendency of a dispute.

(n) The commissioner by rule may prescribe an alternate dispute resolution process to resolve disputes regarding medical services costing less than the cost of a review of the medical necessity of a health care service by an independent review organization. The cost of a review under the alternate dispute resolution process shall be paid by the nonprevailing party.

Sec. 413.0311. REVIEW OF MEDICAL NECESSITY DISPUTES; CONTESTED CASE HEARING. (a) This section applies only to an appeal of an independent review organization decision regarding determination of the medical necessity for a health care service.

(b) A party to a medical dispute described by Subsection (a) is entitled to a contested case hearing. A contested case hearing under this section shall be conducted by an administrative law judge in the manner provided for contested case hearings under Subchapter D, Chapter 410. Notwithstanding Section 410.024, a benefit review conference is not a prerequisite to a contested case hearing under this section.

(c) The decision of an administrative law judge under this section is final in the absence of a timely appeal by a party for judicial review under Subsection (d).

(d) A party who has exhausted all administrative remedies under Section 413.031 and this section and who is aggrieved by a final decision of the administrative law judge under Subsection (c) may seek judicial review of the decision. Judicial review under this subsection shall be conducted in the manner provided for judicial review of a contested case under Subchapter G, Chapter 2001, Government Code, except that the party seeking judicial review under

this section must file suit not later than the 45th day after the date on which the division mailed the party the decision of the administrative law judge. Sec. 413.0312. REVIEW OF MEDICAL FEE DISPUTES; BENEFIT REVIEW CONFERENCE. (a) This section applies only to a medical fee dispute that remains unresolved after any applicable review under Sections 413.031(b) through (i).

(b) Subject to Subsection (e), a party to a medical fee dispute described by Subsection (a) must adjudicate the dispute in the manner required by Subchapter B, Chapter 410.

(c) At a benefit review conference conducted under this section, the parties to the dispute may not resolve the dispute by negotiating fees that are inconsistent with any applicable fee guidelines adopted by the commissioner.

(d) If issues remain unresolved after a benefit review conference, the parties may elect to engage in arbitration as provided by Section 410.104.

(e) If arbitration is not elected as described by Subsection (d), a party to a medical fee dispute described by Subsection (a) is entitled to a contested case hearing. A hearing under this subsection shall be conducted by the State Office of Administrative Hearings in the manner provided for a contested case under Chapter

2001, Government Code.

(f) The commissioner or the division may participate in a contested case hearing conducted under Subsection (e) if the hearing involves the interpretation of fee guidelines adopted by the commissioner. The division and the department are not considered to be parties to the medical fee dispute for purposes of this section.

(g) Except as otherwise provided by this subsection, the nonprevailing party shall reimburse the division for the costs for services provided by the State Office of Administrative Hearings under this section. If the injured employee is the nonprevailing party, the insurance carrier shall reimburse the division for the costs for services provided by the State Office of Administrative Hearings under this section. The party required to reimburse the division under this subsection shall remit payment to the division not later than the 30th day after the date of receiving a bill or statement from the division.

(h) The State Office of Administrative Hearings shall timely notify the division if a dispute is dismissed before issuance of a decision under this section. In the event of a dismissal, the party requesting the hearing, other than the injured employee, shall reimburse the division for the costs for services provided by the State Office of Administrative Hearings unless otherwise agreed by the parties. If the injured employee requested the hearing, the insurance carrier shall reimburse the division for the costs for services provided by the State Office of Administrative Hearings unless otherwise agreed by the parties. The responsible party shall remit payment to the division not later than the 30th day after the date of receiving a bill or statement from the division.

(i) The State Office of Administrative Hearings shall identify the nonprevailing party and any costs for services provided by the office under this section in its final decision. Money collected by the division under this section shall be deposited in the general revenue fund to the credit of the Texas Department of Insurance operating account.

(j) Interest on the amount of reimbursement required by this section that remains unpaid accrues at a rate provided by Section 401.023 beginning on the 45th day after the date the division submits the bill or statement to a party until the date the reimbursement is paid. Failure to pay the division as required by this section is an administrative violation under this subtitle.

(k) The commissioner by rule shall establish procedures to enable the division to charge a party to a medical fee dispute, other than an injured employee, for the costs of services provided by the State Office of Administrative Hearings.

In addition to any sanctions, administrative penalty, or other remedy authorized by this subtitle, the commissioner may assess an administrative penalty against a person who commits an administrative violation. The administrative penalty shall not exceed \$25,000 per day per occurrence. Each day of noncompliance constitutes a separate violation. The commissioner's authority under this chapter is in addition to any other authority to enforce a sanction, penalty, fine, forfeiture, denial, suspension, or revocation otherwise authorized by law.

(b) The commissioner may enter a cease and desist order against a person who:

- (1) commits repeated administrative violations;
- (2) allows, as a business practice, the commission of repeated administrative violations; or
- (3) violates an order or decision of the commissioner.

(c) In assessing an administrative penalty:

- (1) the commissioner shall consider:
 - (A) the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act;
 - (B) the history and extent of previous administrative violations;
 - (C) the demonstrated good faith of the violator, including actions taken to rectify the consequences of the prohibited act;
 - (D) the penalty necessary to deter future violations;
 - (E) whether the administrative violation has negative impact on the delivery of benefits to an injured employee;
 - (F) the history of compliance with electronic data interchange requirements; and
 - (G) other matters that justice may require; and

(2) the commissioner shall, to the extent reasonable, consider the economic benefit resulting from the prohibited act.

(c-1) The commissioner shall adopt rules that require the

division, in the assessment of an administrative penalty against a person, to communicate to the person information about the penalty, including:

- (1) the relevant statute or rule violated;
- (2) the conduct that gave rise to the violation; and
- (3) the factors considered in determining the penalty.

(c-2) In determining whether to assess an administrative penalty involving a claim in which the insurance carrier provided notice under Section 409.021(a-3), the commissioner shall consider whether:

- (1) the employee cooperated with the insurance carrier's investigation of the claim;
- (2) the employee timely authorized access to the applicable medical records before the insurance carrier's deadline to:
 - (A) begin payment of benefits; or
 - (B) notify the division and the employee of the insurance carrier's refusal to pay benefits; and
- (3) the insurance carrier conducted an investigation of the claim, applied the statutory presumptions under Subchapter B, Chapter 607, Government Code, and expedited medical benefits under Section 504.055.

(d) A penalty may be assessed only after the person charged with an administrative violation has been given an opportunity for a hearing under Subchapter C.

An action taken by an insurance carrier under an order of the commissioner or recommendations of a benefit review officer under Section 410.031, 410.032, or 410.033 may not be the basis of a cause of action against the insurance carrier for a breach of the duty of good faith and fair dealing.

CHAPTER 417. THIRD-PARTY LIABILITY

Sec. 417.001. THIRD-PARTY LIABILITY. (a) An employee or legal beneficiary may seek damages from a third party who is or becomes liable to pay damages for an injury or death that is compensable under this subtitle and may also pursue a claim for workers' compensation benefits under this subtitle.

(b) If a benefit is claimed by an injured employee or a legal beneficiary of the employee, the insurance carrier is subrogated to the rights of the injured employee and may enforce the liability of the third party in the name of the injured employee or the legal beneficiary. The insurance carrier's subrogation interest is limited to the amount of the total benefits paid or assumed by the carrier to the employee or the legal beneficiary, less the amount by which the court reduces the judgment based on the percentage of responsibility determined by the trier of fact under Section 33.003, Civil Practice and Remedies Code, attributable to the employer. If the recovery is for an amount greater than the amount of the insurance carrier's subrogation interest, the insurance carrier shall:

- (1) reimburse itself and pay the costs from the amount recovered; and
- (2) pay the remainder of the amount recovered to the

injured employee or the legal beneficiary.

(c) If a claimant receives benefits from the subsequent injury fund, the division is:

(1) considered to be the insurance carrier under this section for purposes of those benefits;

(2) subrogated to the rights of the claimant; and

(3) entitled to reimbursement in the same manner as the insurance carrier.

(d) The division shall remit money recovered under this section to the comptroller for deposit to the credit of the subsequent injury fund.

Sec. 417.002. RECOVERY IN THIRD-PARTY ACTION. (a) The net amount recovered by a claimant in a third-party action shall be used to reimburse the insurance carrier for benefits, including medical benefits, that have been paid for the compensable injury.

(b) Any amount recovered that exceeds the amount of the reimbursement required under Subsection (a) shall be treated as an advance against future benefits, including medical benefits, that the claimant is entitled to receive under this subtitle.

(c) If the advance under Subsection (b) is adequate to cover all future benefits, the insurance carrier is not required to resume the payment of benefits. If the advance is insufficient, the insurance carrier shall resume the payment of benefits when the advance is exhausted.

Sec. 417.003. ATTORNEY'S FEE FOR REPRESENTATION OF INSURANCE CARRIER'S INTEREST. (a) An insurance carrier whose interest is not actively represented by an attorney in a third-party action shall pay a fee to an attorney representing the claimant in the amount agreed

on between the attorney and the insurance carrier. In the absence of an agreement, the court shall award to the attorney payable out of the insurance carrier's recovery:

(1) a reasonable fee for recovery of the insurance carrier's interest that may not exceed one-third of the insurance carrier's recovery; and

(2) a proportionate share of expenses.

(b) An attorney who represents the claimant and is also to represent the subrogated insurance carrier shall make a full written disclosure to the claimant before employment as an attorney by the insurance carrier. The claimant must acknowledge the disclosure and consent to the representation. A signed copy of the disclosure shall be furnished to all concerned parties and made a part of the division file. A copy of the disclosure with the claimant's consent shall be filed with the claimant's pleading before a judgment is entered and approved by the court. The claimant's attorney may not receive a fee under this section to which the attorney is otherwise entitled under an agreement with the insurance carrier unless the attorney complies with the requirements of this subsection.

(c) If an attorney actively representing the insurance carrier's interest actively participates in obtaining a recovery, the court shall award and apportion between the claimant's and the insurance carrier's attorneys a fee payable out of the insurance carrier's subrogation recovery. In apportioning the award, the court shall consider the benefit accruing to the insurance carrier as a result of each attorney's service. The total attorney's fees may not exceed one-third of the insurance carrier's recovery.

(d) For purposes of determining the amount of an attorney's fee under this section, only the amount recovered for benefits, including medical benefits, that have been paid by the insurance carrier may be considered.

(2) the preponderance of the evidence indicates that the event or events were a producing cause of the disorder.

Sec. 504.052. SICK LEAVE BENEFITS. (b) Sick leave benefits received under Subsection (a) shall be deducted proportionately from the employee's sick leave balance.

(c) This section does not limit the medical benefits to be paid to the employee. A sick leave plan may not require an employee to take sick leave benefits before receiving benefits under this chapter.

Acts 1993, 73rd Leg., ch. 269, Sec. 1, eff. Sept. 1, 1993.

Sec. 504.053. ELECTION. (a) A political subdivision that self-insures either individually or collectively shall provide workers' compensation medical benefits to the injured employees of the political subdivision through a workers' compensation health care network certified under Chapter 1305, Insurance Code, if the governing body of the political subdivision determines that provision of those benefits through a network is available to the employees and practical for the political subdivision. A political subdivision may enter into interlocal agreements and other agreements with other political subdivisions to establish or contract with networks under this section.

(b) If a political subdivision or a pool determines that a workers' compensation health care network certified under Chapter 1305, Insurance Code, is not available or practical for the political subdivision or pool, the political subdivision or pool may provide medical benefits to its injured employees or to the injured employees

of the members of the pool:

(1) in the manner provided by Chapter 408, other than Sections 408.001(b) and (c) and Section 408.002, and by Subchapters B and C, Chapter 413; or

(4) the political subdivision or pool must establish reasonable procedures for the transition of injured workers to contract providers and for the continuity of treatment, including notice of impending termination of providers and a current list of contract providers;

(5) the political subdivision or pool shall provide for emergency care if an injured worker cannot reasonably reach a

contract provider and the care is for medical screening or other evaluation that is necessary to determine whether a medical emergency condition exists, necessary emergency care services including treatment and stabilization, and services originating in a hospital emergency facility following treatment or stabilization of an emergency medical condition;

(6) prospective or concurrent review of the medical necessity and appropriateness of health care services must comply with Article 21.58A, Insurance Code;

(7) the political subdivision or pool shall continue to report data to the appropriate agency as required by Title 5 of this code and Chapter 1305, Insurance Code; and

(8) a political subdivision or pool is subject to the requirements under Sections 1305.501, 1305.502, and 1305.503, Insurance Code.

(e) Nothing in this chapter waives sovereign immunity or creates a new cause of action, except that a political subdivision that self-insures either individually or collectively is liable for:

(1) sanctions, administrative penalties, and other remedies authorized under Chapter 415;

(2) attorney's fees as provided by Section 408.221(c); and

(3) attorney's fees as provided by Section 417.003.

(b) This section applies only to a first responder who sustains a serious bodily injury, as defined by Section 1.07, Penal Code, in the course and scope of employment. For purposes of this section, an injury sustained in the course and scope of employment includes an injury sustained by a first responder providing services on a volunteer basis.

(c) The political subdivision, division, and insurance carrier shall accelerate and give priority to an injured first responder's claim for medical benefits, including all health care required to cure or relieve the effects naturally resulting from a compensable injury described by Subsection (b).

(d) The division shall accelerate, under rules adopted by the commissioner of workers' compensation, a contested case hearing requested by or an appeal submitted by a first responder regarding the denial of a claim for medical benefits, including all health care required to cure or relieve the effects naturally resulting from a compensable injury described by Subsection (b).
