Texas Commissioner of Workers' Compensation**

Date: 11/4/2021

Subject Considered:

Safety National Casualty Corporation
1832 Schuetz Road
Saint Louis, Missouri 63146

Consent Order
DWC Enforcement File No. 27810

General remarks and official action taken:

This is a consent order with Safety National Casualty Corporation (Safety National). The commissioner of the Texas Department of Insurance, Division of Workers' Compensation (DWC) considers whether DWC should take disciplinary action against Safety National.

Waiver

Safety National acknowledges that the Texas Labor Code and other applicable laws provide certain rights. Safety National waives all of these rights, and any other procedural rights that apply, in consideration of the entry of this consent order.

Findings of Fact

1. Safety National holds a certificate of authority issued by the Texas Department of Insurance to transact the business of insurance pursuant to TEX. INS. CODE §§ 801.051-801.053 and is licensed to write multiple lines of insurance in Texas, including workers' compensation/employers' liability insurance.
2. Safety National was classified as "average" tier in the 2009, 2010, 2012, 2014, 2016, 2018, and 2020 Performance Based Oversight (PBO) assessments. Safety National was not selected to be tiered in the 2007 PBO assessment.

DWC Audit No. IP-21-107

3. On [REDACTED] DWC initiated DWC Audit No. IP-21-107 to determine whether Safety National complied with the Texas Labor Code and related rules on the timely payment of initial temporary income benefits (TIBs) and timely and accurate submission of initial payment information to DWC.
4. The audit examined TIBs payments that Safety National reported issuing between [REDACTED] and [REDACTED]. DWC identified 50 initial TIBs payments for audit. A total of eight initial TIBs payments failed to meet selection criteria and were dropped from the audit sample. The remaining 42 payments were reviewed to determine Safety National's compliance.
5. The audit focused on the timely payment of initial TIBs and electronic data interchange (EDI) reporting. The EDI portion of the audit focused on the timely reporting of initial TIBs payments and accuracy of five data elements reported to DWC (First Date of Disability, Date of First Written Notice, TIBs from Date, TIBs End Date, and Initial TIBs Payment Date).

Failure to Timely Pay Initial TIBs

6. Safety National failed to timely initiate TIBs for 29% of examined payments (12 out of 42).
7. Specifically, Safety National issued payments to injured employees less than six days late in seven instances, between six and 15 days late in two instances, between 16 and 30 days late in two instances, and over 30 days late in one instance.

Failure to Timely or Accurately Report EDI Data to DWC

8. Safety National failed to timely report initial TIBs payments for 2% of examined payments (one out of 42).
9. Safety National failed to accurately report the First Date of Disability for 7% of examined payments (three out of 42).

10. Safety National failed to accurately report the initial TIBs from Date for 5% of examined payments (two out of 42).
11. Safety National failed to accurately report the initial TIBs End Date for 10% of examined payments (four out of 42).
12. Safety National failed to accurately report the Initial TIBs Payment Date for 7% of examined payments (three out of 42).

Assessment of Sanction

1. Failure to provide income benefits in a timely and cost-effective manner is harmful to injured employees and the Texas workers' compensation system.
2. Timely submitting information and documents to DWC is imperative for it to implement and enforce the Texas Workers' Compensation Act.
3. DWC relies on claims information insurance carriers submit for many purposes, including, but not limited to, providing required information and reports to the Legislature, ensuring that insurance carriers comply with the Texas Labor Code and DWC rules, and detecting patterns and practices in actions insurance carriers take on claims.
4. In assessing the sanction for this case, DWC fully considered the following factors in TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e):
 - the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act;
 - the history and extent of previous administrative violations;
 - the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act;
 - whether the administrative violation had a negative impact on the delivery of benefits to an injured employee;
 - the history of compliance with EDI requirements;
 - to the extent reasonable, the economic benefit resulting from the prohibited act; and
 - other matters that justice may require, including, but not limited to:
 - PBO assessments;
 - prompt and earnest actions to prevent future violations;

- self-report of the violation;
 - the size of the company or practice;
 - the effect of a sanction on the availability of health care; and
 - evidence of heightened awareness of the legal duty to comply with the Texas Workers' Compensation Act and DWC rules.
5. DWC found the following factors in TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e) to be **aggravating**: the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act; the history and extent of previous administrative violations; the penalty necessary to deter future violations; whether the administrative violation had a negative impact on the delivery of benefits to an injured employee; the history of compliance with EDI requirements; and other matters that justice may require, including the size of the company or practice.
6. DWC found the following factors in TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e) to be **mitigating**: the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act; whether the administrative violation had a negative impact on the delivery of benefits to an injured employee; and other matters that justice may require, including, but not limited to, prompt and earnest actions to prevent future violations.
7. Safety National acknowledges it communicated with DWC about the relevant statutes and rules it violated; the facts establish that the administrative violation occurred; and the proposed sanction is appropriate, including the factors DWC considered under TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e).
8. Safety National acknowledges that, in assessing the sanction, DWC considered the factors in TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e).

3. Safety National has knowingly and voluntarily waived all procedural rights to which it may have been entitled regarding the entry of this order, including, but not limited to, issuance and service of notice of intent to institute disciplinary action, notice of hearing, a public hearing, a proposal for decision, a rehearing by the commissioner, and judicial review.
4. Pursuant to TEX. LAB. CODE § 415.021, the commissioner may assess an administrative penalty against a person who commits an administrative violation.
5. Pursuant to TEX. LAB. CODE § 415.002(a)(20), an insurance carrier or its representative commits an administrative violation each time it violates a DWC rule.

CODE §§ 124.3 and 124.7, an insurance carrier is required to initiate payment of TIBs no later than the 15th day after it receives written notice of the injury or the seventh day after the accrual date, unless the insurance carrier notifies DWC and the injured employee in writing of its refusal to pay.
8. Safety National violated TEX. LAB. CODE §§ 415.002(a)(20) and 415.002(a)(22) each time it failed to timely initiate payment of TIBs.

9. Pursuant to 28 TEX. ADMIN. CODE § 124.2(a) and (b), insurance carriers are required to notify DWC and the injured employee of actions taken or events occurring in a claim, as specified by rule in the form and manner DWC prescribes. Inherent in this duty is the requirement that insurance carriers report this information accurately.

10. Safety National violated TEX. LAB. CODE § 415.002(a)(20) each time it failed to timely or accurately notify DWC and the injured employee of actions it took or events that occurred in a claim, as specified by rule in the form and manner DWC prescribed.
