Consent Order
DWC Enforcement File No. 31461

General remarks and official action taken:

This is a consent order with Hartford Insurance Company of the Midwest (Respondent). The commissioner of the Texas Department of Insurance, Division of Workers' Compensation (DWC) considers whether DWC should take disciplinary action against Respondent.

Waiver

Respondent acknowledges that the Texas Labor Code and other applicable laws provide certain rights. Respondent waives all of these rights, and any other procedural rights that apply, in consideration of the entry of this consent order.

Findings of Fact

1. Respondent holds a certificate of authority issued by the Texas Department of Insurance to transact the business of insurance pursuant to Tex. Ins. Code §§ 801.051-801.053 and is licensed to write multiple lines of insurance in Texas, including workers' compensation/employers' liability insurance.
2. Respondent was classified as "poor" tier in the 2007 Performance Based Oversight (PBO) assessments. Respondent was classified as "average" tier in the 2009, 2010, 2012, 2014, 2016, and 2018 PBO assessments. Respondent was not selected to be rated in the 2020 or 2022 PBO assessments.

Failure to Timely and Accurately Comply with a Contested Case Hearing Decision and Order

3. On [REDACTED] DWC issued a contested case hearing decision and order (CCH D&O) requiring the Respondent to pay an injured employee benefits from [REDACTED] through the date of the hearing.
4. Respondent received the CCH D&O on [REDACTED] and the order became final on the sixteenth day, or [REDACTED]
5. Respondent was required to comply with the CCH D&O by paying the ordered benefits to the injured employee within 20 days of [REDACTED] or by [REDACTED]
6. On [REDACTED] Respondent paid partial benefits, in the amount of [REDACTED] and interest of [REDACTED]
7. However, Respondent did not fully comply until [REDACTED] when it issued an additional payment for [REDACTED], which was 42 days late.

Assessment of Sanction

1. Compliance with DWC orders is imperative to minimize disputes and resolve them promptly and fairly. In addition, failure to provide income benefits in a timely and cost-effective manner is harmful to injured employees and the Texas workers' compensation system.
2. In assessing the sanction for this case, DWC fully considered the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e):
 - the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act;
 - the history and extent of previous administrative violations;
 - the violator's demonstration of good faith, including actions it took to rectify the consequences of the prohibited act;
 - the penalty necessary to deter future violations;
 - whether the administrative violation had a negative impact on the delivery of benefits to an injured employee;
 - the history of compliance with electronic data interchange requirements;

- to the extent reasonable, the economic benefit resulting from the prohibited act; and
 - other matters that justice may require, including, but not limited to:
 - PBO assessments;
 - prompt and earnest actions to prevent future violations;
 - self-report of the violation;
 - the size of the company or practice;
 - the effect of a sanction on the availability of health care; and
 - evidence of heightened awareness of the legal duty to comply with the Texas Workers' Compensation Act and DWC rules.
3. DWC found the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e) to be aggravating: the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act; the penalty necessary to deter future violations; and other matters that justice may require.
 4. DWC considers the following factors mitigating, pursuant to Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e): the history and extent of previous administrative violations; and prompt and earnest actions to prevent future violations. Employer's failure to provide timely and accurate wage information impacted Respondent's payment of benefits. Respondent has instituted additional internal staff reporting requirements and new system notifications to ensure necessary wage information is available for timely and accurate action.
 5. Respondent acknowledges communicating with DWC about the relevant statute and rule violations alleged; that the facts establish that the administrative violation(s) occurred; and that the proposed sanction is appropriate, including the factors DWC considered under Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).
 6. Respondent acknowledges that, in assessing the sanction, DWC considered the factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).

4. Pursuant to Tex. Lab. Code § 415.021, the commissioner may assess an administrative penalty against a person who commits an administrative violation.
5. Pursuant to Tex. Lab. Code § 415.002(a)(20), an insurance carrier or its representative commits an administrative violation each time it violates a DWC rule.
