

No. **2023-8440**

**Official Order
of the
Texas Commissioner of Workers' Compensation**

Date: 12/22/2023

Subject Considered:

Travelers Property Casualty Company of America
PO Box 163201
Austin, Texas 78716-3201

Consent Order
DWC Enforcement File No. 32572

General remarks and official action taken:

This is a consent order with Travelers Property Casualty Company of America (Respondent). The commissioner of the Texas Department of Insurance, Division of Workers' Compensation (DWC) considers whether DWC should take disciplinary action against Respondent.

Waiver

Respondent acknowledges that the Texas Labor Code and other applicable laws provide certain rights. Respondent waives all of these rights, and any other procedural rights that apply, in consideration of the entry of this consent order.

Findings of Fact

1. Respondent holds a certificate of authority issued by the Texas Department of Insurance to transact the business of insurance pursuant to Tex. Ins. Code §§ 801.051-801.053 and is licensed to write multiple lines of insurance in Texas, including workers' compensation/employers' liability insurance.
2. Respondent was classified as "average" tier in the 2018, 2020, and 2022 Performance Based Oversight (PBO) assessments.

DWC Audit No. IP-23-113

3. On [REDACTED], DWC initiated DWC Audit No. IP-23-113 to determine whether Respondent complied with the Texas Labor Code and related rules on the timely payment of initial temporary income benefits (TIBs) and timely and accurate submission of initial payment information to DWC.
4. The audit examined TIBs payments that Respondent reported issuing between [REDACTED], and [REDACTED]. DWC identified 22 initial TIBs payments for audit. A total of three initial TIBs payments failed to meet selection criteria and were dropped from the audit sample. The remaining 19 payments were reviewed to determine Respondent's compliance.
5. The audit focused on the timely payment of initial TIBs and electronic data interchange (EDI) reporting. The EDI portion of the audit focused on the timely reporting of initial TIBs payments and accuracy of five data elements reported to DWC (First Date of Disability, Date of First Written Notice, TIBs from Date, TIBs End Date, and Initial TIBs Payment Date).

Failure to Timely Pay Initial TIBs

6. Respondent failed to timely initiate TIBs for 37% of examined payments (7 out of 19).
7. Specifically, Respondent issued payments to injured employees less than six days late in one instance and over 30 days late in six instances.

Failure to Timely or Accurately Report EDI Data to DWC

8. Respondent failed to accurately report the First Date of Disability for 11% of examined payments (2 out of 19).
9. Respondent failed to accurately report the initial TIBs from Date for 5.26% of examined payments (1 out of 19).

Assessment of Sanction

1. Failure to provide income benefits in a timely and cost-effective manner is harmful to injured employees and the Texas workers' compensation system.
2. Timely submission of information and documents to DWC is imperative for the implementation and enforcement of the Texas Workers' Compensation Act.
3. DWC relies on the claims information insurance carriers submit for many purposes, including, but not limited to, providing required information and reports to the Legislature, ensuring that insurance carriers comply with the Texas Labor Code and DWC rules, and detecting patterns and practices in actions insurance carriers take on claims.
4. In assessing the sanction for this case, DWC fully considered the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e):
 - the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act;
 - the history and extent of previous administrative violations;
 - the violator's demonstration of good faith, including actions it took to rectify the consequences of the prohibited act;
 - the penalty necessary to deter future violations;
 - whether the administrative violation had a negative impact on the delivery of benefits to an injured employee;
 - the history of compliance with EDI requirements;
 - to the extent reasonable, the economic benefit resulting from the prohibited act; and
 - other matters that justice may require, including, but not limited to:
 - PBO assessments;
 - prompt and earnest actions to prevent future violations;
 - self-report of the violation;
 - the size of the company or practice;
 - the effect of a sanction on the availability of health care; and
 - evidence of heightened awareness of the legal duty to comply with the Texas Workers' Compensation Act and DWC rules.
5. DWC found the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e) to be aggravating: the seriousness of the violation, including the

nature, circumstances, consequences, extent, and gravity of the prohibited act; the history and extent of previous administrative violations; the penalty necessary to deter future violations; whether the administrative violation had a negative impact on the delivery of benefits to an injured employee; the history of compliance with EDI requirements; and other matters that justice may require, including the size of the company or practice. Specifically, Respondent paid six out of 19 reviewed claims more than 30 days late, two of which were more than 100 days late. This indicates a pattern of practice. Respondent has also received three consent orders since 2020, two of which involved late benefits.

6. DWC considered the following mitigating factors pursuant to Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e): DWC considered as a matter of justice the fact that this matter is the result of a DWC audit and not an individual complaint. Further, Respondent has developed and is implementing an action plan that was submitted to DWC on April 17, 2023, to address the audit results. Respondent has also required its adjustors to complete a Power Point training module with continuing education credit on the timely processing of benefits. Finally, the attorney who developed the Power Point training module has provided training to Respondent's adjustors on when interest is due in the context of late benefits payments and underpayments and how to pay it.
7. Respondent acknowledges communicating with DWC about the relevant statute and rule violations alleged; that the facts establish that the administrative violation(s) occurred; and that the proposed sanction is appropriate, including the factors DWC considered under Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).
8. Respondent acknowledges that, in assessing the sanction, DWC considered the factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).

Conclusions of Law

1. The commissioner has jurisdiction over this matter pursuant to Tex. Lab. Code §§ 402.001, 402.00114, 402.00116, 402.00128, 409.021, 414.002, and 414.003.
2. The commissioner has the authority to dispose of this case informally pursuant to Tex. Gov't Code § 2001.056, Tex. Lab. Code §§ 401.021 and 402.00128(b)(6)-(7), and 28 Tex. Admin. Code § 180.26(h) and (i).
3. Respondent has knowingly and voluntarily waived all procedural rights to which it may have been entitled regarding the entry of this order, including, but not limited to, issuance and service of notice of intent to institute disciplinary action, notice of hearing, a public hearing, a proposal for decision, a rehearing by the commissioner, and judicial review.
4. Pursuant to Tex. Lab. Code § 415.021, the commissioner may assess an administrative penalty against a person who commits an administrative violation.
5. Pursuant to Tex. Lab. Code § 415.002(a)(20), an insurance carrier or its representative commits an administrative violation each time it violates a DWC rule.
6. Pursuant to Tex. Lab. Code § 415.002(a)(22), an insurance carrier or its representative commits an administrative violation each time it fails to comply with a provision of the Texas Workers' Compensation Act.

Failure to Timely Pay Initial TIBs

7. Pursuant to Tex. Lab. Code § 409.021 and 28 Tex. Admin. Code §§ 124.3 and 124.7, an insurance carrier is required to initiate payment of TIBs no later than the 15th day after it receives written notice of the injury or the seventh day after the accrual date, unless the insurance carrier notifies DWC and the injured employee in writing of its refusal to pay.
8. Respondent violated Tex. Lab. Code §§ 409.021; 415.002(a)(20) and (22); and 28 Tex. Admin. Code §§ 124.3 and 124.7 each time Respondent failed to timely initiate payment of TIBs.

Failure to Timely or Accurately Report EDI Data to DWC

9. Pursuant to 28 Tex. Admin. Code § 124.2(a) and (b), insurance carriers are required to notify DWC and the injured employee of actions taken or events occurring in a claim, as specified by rule in the form and manner DWC prescribes. Inherent in this duty is the requirement that insurance carriers report this information accurately.

10. Respondent violated Tex. Lab. Code § 415.002(a)(20) and 28 Tex. Admin. Code § 124.2(a) and (b) each time Respondent failed to timely or accurately notify DWC and the injured employee of actions Respondent took or events that occurred in a claim, as specified by rule in the form and manner DWC prescribed.
