

Statistical Plans

Statistical plans are the reporting instructions and record layouts issued by the Texas Department of Insurance for each line or lines of insurance for which insurers will report their statistical experience to TDI or TDI's designated statistical agents. Statistical plans include the following:

- **[Texas Title Insurance Statistical Plan](#)** - TIC §2703.153; 28 TAC Chapter 9, Subchapter C, §9.401
See the [Data Call Schedule](#) or the section entitled [Texas Title Insurance Experience Report Submissions](#) for more information.
- **Texas Workers' Compensation Statistical Plan** - TIC §§2053.101 and 5.96
See the [Data Call Schedule](#) or the section entitled [Texas Workers' Compensation Financial Call \(TXWCFC\)](#). NCCI's *Financial Call Reporting Guidebook* is available at <https://www.ncci.com/pages/default.aspx>.
- **[Texas Detailed Claim Information Statistical Plan \(Workers' Compensation\)](#)** - TIC §2053.151
See the [Data Call Schedule](#) or the section entitled [Detailed Claim Information \(DCI\)](#) for more information.
- **Statistical Plan for Workers' Compensation and Employers' Liability and Unit Statistical Reporting Guidebook** - TIC §2053.101.
See the [Data Call Schedule](#) or the section entitled [Unit Statistical Information \(Unit Stat\)](#) for more information. The *Statistical Plan for Workers' Compensation and Employers Liability Insurance*, and NCCI's *Unit Statistical Reporting Guidebook* are available at <https://www.ncci.com/pages/default.aspx>.
- **Texas Statistical Plan** - TIC §§1953.101, 2003.101, 5.96-5.98, 912.301, 941.252
 - (1) **[Texas Commercial Lines Statistical Plan](#)**
See the [Texas Commercial Lines Statistical Plan – Data Call Schedule](#) for more information.
 - (2) **[Texas Private Passenger Automobile Statistical Plan](#)**
See the [Texas Private Passenger Automobile Statistical Plan – Data Call Schedule](#) for more information.
 - (3) **[Texas Residential Property Statistical Plan](#)**
See the [Texas Statistical Plan for Residential Risks – Data Call Schedule](#) for more information.
