

Designated Doctor

Division of Workers' Compensation

CERTIFICATION TRAINING

AGENDA

Prerecorded Video Presentations Required for Designated Doctor (DD) Certification

Register for the live interactive webinars, then view these prerecorded video presentations prior to attending the certification webinars on November 13, and 14, 2020. Submit an attestation form after viewing. DWC is offering an optional live interactive webinar, "DD Questions and Answers", to review the information presented in the video presentations and answer any questions. CME hours will not be offered for this optional webinar.
