RE: Review of Title 28, Texas Administrative Code (TAC), Chapters 102-116

The Texas Department of Insurance, Division of Workers' Compensation (DWC) is readopting all sections within Chapters 102-116. This readoption complies with Texas Government Code §2001.039, requiring a state agency to review each of its rules every four years and to readopt, readopt with amendment, or repeal the rule. A notice of rule review was published in the July 19, 2019, issue of the *Texas Register*. DWC determined that the reasons for adopting the chapters continue to exist. The notice of readoption will be published in the December 13, 2019, issue of the *Texas Register*.

Any repeals or suggested amendments identified during the review of these rules may be considered in future rulemaking.
