Consent Order  
DWC Enforcement File No. 22833

**General remarks and official action taken:**

This is a consent order with Longhorn Emergency Medical Associates PA (Longhorn Emergency). The commissioner of the Texas Department of Insurance, Division of Workers' Compensation (DWC) considers whether DWC should take disciplinary action against Longhorn Emergency.

**Waiver**

Longhorn Emergency acknowledges that the Texas Labor Code and other applicable laws provide certain rights. Longhorn Emergency waives all of these rights, and any other procedural rights that apply, in consideration of the entry of this consent order.

**Findings of Fact**

1. Longhorn Emergency is a health care provider operating in the Texas workers' compensation system.
2. Longhorn Emergency was not selected to be tiered in the 2007, 2009, 2011, 2013, 2015, 2017, or 2019 Performance Based Oversight (PBO) assessments.

### Improperly Pursuing a Private Claim against an Injured Employee

3. On [REDACTED], Longhorn Emergency provided medical services to an injured employee.
4. On the following dates, the workers' compensation insurance carrier for the injured employee sent explanations of benefits to Longhorn Emergency to inform it of the injured employee's status as a workers' compensation claimant and direct it to cease billing the injured employee:
  - [REDACTED];
  - [REDACTED] and
  - [REDACTED].
5. On the following dates, Longhorn Emergency sent a bill to the injured employee for the health care services it provided on [REDACTED]:
  - [REDACTED];
  - [REDACTED];
  - [REDACTED].
6. There is no finding determining that the injured employee violated TEX. LAB. CODE § 408.022 in selecting a treating doctor and no final adjudication that the claim was not compensable.

### **Assessment of Sanction**

1. Improperly billing an injured employee for health care services imposes an undue financial burden on the injured employee and circumvents the Texas workers' compensation system and the roles of its system participants.
2. In assessing the sanction for this case, DWC fully considered the following factors in TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e):
  - the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act;
  - the history and extent of previous administrative violations;
  - the violator's demonstration of good faith, including actions it took to rectify the consequences of the prohibited act;
  - the penalty necessary to deter future violations;

- whether the administrative violation had a negative impact on the delivery of benefits to an injured employee;
  - the history of compliance with electronic data interchange requirements;
  - to the extent reasonable, the economic benefit resulting from the prohibited act; and
  - other matters that justice may require, including, but not limited to:
    - PBO assessments;
    - prompt and earnest actions to prevent future violations;
    - self-report of the violation;
    - the size of the company or practice;
    - the effect of a sanction on the availability of health care; and
    - evidence of heightened awareness of the legal duty to comply with the Texas Workers' Compensation Act and DWC rules.
3. DWC found the following factors in TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e) to be aggravating: the seriousness of the violation; the history and extent of previous administrative violations; the penalty necessary to deter future violations; and other matters that justice may require, including evidence of heightened awareness of the legal duty to comply with the Texas Workers' Compensation Act and DWC rules.
4. DWC found the following factors in TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e) to be mitigating: promptness and earnestness in responding to DWC, documentation and implementation of improved processes to prevent billing of workers' compensation claimants, and Longhorn Emergency is no longer pursuing payment from the injured employee for the rendered medical services.
5. Longhorn Emergency acknowledges it communicated with DWC about the relevant statutes and rules it violated; the facts establish that the administrative violation occurred; and the proposed sanction is appropriate, including the factors DWC considered under TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e).
6. Longhorn Emergency acknowledges that, in assessing the sanction, DWC considered the factors in TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e).
