**Official Order
of the
Texas Commissioner of Workers' Compensation**

Date: 5/30/2025

Subject Considered:

Granite State Insurance Company
175 Water Street, 18th Floor
New York City, New York 10038

Consent Order
DWC Enforcement File No. 36690

General remarks and official action taken:

This is a consent order with Granite State Insurance Company (Respondent). The commissioner of the Texas Department of Insurance, Division of Workers' Compensation (DWC) considers whether DWC should take disciplinary action against Respondent.

Waiver

Respondent acknowledges that the Texas Labor Code and other applicable laws provide certain rights. Respondent waives all of these rights, and any other procedural rights that apply, in consideration of the entry of this consent order.

Findings of Fact

1. Respondent holds a certificate of authority issued by the Texas Department of Insurance to transact the business of insurance pursuant to Tex. Ins. Code §§ 801.051-801.053 and is licensed to write multiple lines of insurance in Texas, including workers' compensation/employers' liability insurance.
2. Respondent was not selected to be tiered in the 2020, 2022, or 2024 Performance Based Oversight (PBO) assessments.

DWC Audit No. IBA-25-107

3. On [REDACTED], DWC initiated DWC Audit No. IBA-25-107 to determine whether Respondent complied with the Texas Labor Code and related rules on the timely payment of lifetime income benefits (LIBs) and death benefits as well as timely submitting claim data to DWC.
4. The audit examined death benefit and LIB payments that Respondent reported issuing between [REDACTED], and [REDACTED]. DWC identified five claims for audit. These five claims were reviewed to determine Respondent's compliance.
5. The audit focused on the accuracy of Respondent's payment of LIBs and death benefits, as well as timely submitting claim data to DWC. The electronic data interchange (EDI) portion of the audit focused on timely reporting LIB annual increases and terminations, and death benefit terminations.

Failure to Timely Pay Accurate LIBs

6. Respondent failed to timely pay accurate LIBs for 100% of the one claim reviewed (1 out of 1).
7. Specifically, Respondent issued inaccurate payments to an injured employee, resulting in a \$[REDACTED] underpayment.

Failure to Timely Pay Accurate Death Benefits

8. Respondent failed to timely pay accurate death benefits for 25% of examined claims (1 out of 4).
9. Specifically, Respondent untimely paid \$[REDACTED] over two weeks of death benefits to beneficiaries.

Failure to Timely Report Claim Data to DWC

10. Respondent failed to timely report the true death benefit terminations for 100% of examined claims (2 out of 2).

Assessment of Sanction

1. Failure to provide death benefits or lifetime income benefits in a timely and cost-effective manner is harmful to injured employees or beneficiaries under particularly stressful circumstances, and increases the likelihood of disputes in the Texas workers' compensation system.
2. DWC relies on the claims information insurance carriers submit for many purposes, including protecting beneficiaries, providing required information and reports to the Legislature, ensuring compliance with the Texas Labor Code and DWC rules, and detecting patterns and practices in claim handling that provoke improvements in the Texas workers' compensation system.
3. In assessing the sanction for this case, DWC fully considered the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e):
 - the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act;
 - the history and extent of previous administrative violations;
 - the violator's demonstration of good faith, including actions it took to rectify the consequences of the prohibited act;
 - the penalty necessary to deter future violations;
 - whether the administrative violation had a negative impact on the delivery of benefits to an injured employee or their beneficiaries;
 - the history of compliance with EDI requirements;
 - to the extent reasonable, the economic benefit resulting from the prohibited act; and
 - other matters that justice may require, including, but not limited to:
 - PBO assessments;
 - prompt and earnest actions to prevent future violations;
 - self-report of the violation;
 - the size of the company or practice;
 - the effect of a sanction on the availability of health care; and
 - evidence of heightened awareness of the legal duty to comply with the Texas Workers' Compensation Act and DWC rules.
4. DWC found the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e) to be aggravating:

- a. the seriousness of the violation, including the amounts at issue (\$██████████);
 - b. Respondent's history of similar administrative violations, including one 2022 consent order involving a late death benefit and LIBs audit where Respondent underpaid 33% of claims;
 - c. the penalty necessary to deter future violations; and
 - d. the negative impact on the delivery of \$██████████ in benefits to an injured employee or beneficiaries.
5. As a matter of justice, DWC considered as mitigating the fact that this matter results from a DWC audit and not a system participant complaint pursuant to Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).
 6. Respondent acknowledges communicating with DWC about the relevant statute and rule violations alleged; that the facts establish that the administrative violation(s) occurred; and that the proposed sanction is appropriate, including the factors DWC considered under Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).
 7. Respondent acknowledges that, in assessing the sanction, DWC considered the factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).

Conclusions of Law

1. The commissioner has jurisdiction over this matter pursuant to Tex. Lab. Code §§ 402.001, 402.00114, 402.00116, 402.00128, 409.021, 414.002, and 414.003.
2. The commissioner has the authority to dispose of this case informally pursuant to Tex. Gov't Code § 2001.056, Tex. Lab. Code §§ 401.021 and 402.00128(b)(6)-(7), and 28 Tex. Admin. Code § 180.26(h) and (i).
3. Respondent has knowingly and voluntarily waived all procedural rights to which it may have been entitled regarding the entry of this order, including, but not limited to, issuance and service of notice of intent to institute disciplinary action, notice of hearing, a public hearing, a proposal for decision, a rehearing by the commissioner, and judicial review.
4. Pursuant to Tex. Lab. Code § 415.021, the commissioner may assess an administrative penalty against a person who commits an administrative violation.

5. Pursuant to Tex. Lab. Code §§ 408.081, 409.023, and 415.002(a)(16), an insurance carrier must pay benefits weekly, as and when the benefits accrue, without order from the commissioner.
6. Pursuant to Tex. Lab. Code § 415.002(a)(20) and (22), an insurance carrier or its representative commits an administrative violation each time it violates a DWC rule or a provision of the Texas Workers' Compensation Act.

Failure to Timely Pay Accurate LIBs

7. Pursuant to Tex. Lab. Code § 408.161(a) and (b), an insurance carrier must pay accurate LIBs to the employee until his or her death. Under Tex. Lab. Code § 408.161(c), the amount of LIBs is equal to 75% percent of the employee's average weekly wage and increased 3% each year.
8. Pursuant to 28 Tex. Admin. Code § 131.1(a) and (c), the insurance carrier must initiate the payment of LIBs without a final decision or order from the commissioner if the employee is eligible. The insurance carrier must initiate the first payment of LIBs on or before the 15th day after the date it reasonably believes the injured employee is eligible.
9. Respondent violated Tex. Lab. Code §§ 408.161, 409.023, and 415.002(a)(16), (20), and (22) and 28 Tex. Admin. Code § 131.1 when it failed to timely pay accurate LIBs.

Failure to Timely Pay Accurate Death Benefits

10. Pursuant to Tex. Lab. Code § 408.181(a) and (b), an insurance carrier must pay accurate death benefits to a legal beneficiary. The amount of a death benefit is equal to 75% of the employee's average weekly wage.
11. Pursuant to 28 Tex. Admin. Code § 132.17(f), an insurance carrier must initiate payment of death benefits to eligible claimants. If the insurance carrier believes a claimant is not eligible, it must file a notice of dispute of eligibility in the form and manner DWC prescribes.

12. Respondent violated Tex. Lab. Code §§ 408.181, 409.023, 415.002(a)(16), (20), and (22) and 28 Tex. Admin. Code § 132.17 each time Respondent failed to timely pay accurate death benefits.

Failure to Timely Report Claim Data to DWC

13. Pursuant to 28 Tex. Admin. Code § 124.2(a) and (b), insurance carriers are required to notify DWC and the injured employee of actions taken or events occurring in a claim, as specified by rule in the form and manner DWC prescribes. Inherent in this duty is the requirement that insurance carriers report this information accurately.
14. Pursuant to 28 Tex. Admin. Code § 124.2(d)(4)-(6), the insurance carrier must notify DWC and the claimant of any changes, resumptions, or terminations involving death benefits.
15. Respondent violated Tex. Lab. Code § 415.002(a)(20) and 28 Tex. Admin. Code § 124.2 each time it failed to timely or accurately notify DWC and the injured employee of actions it took or events that occurred in a claim, as specified by rule in the form and manner DWC prescribed.
