Waiver

Respondent acknowledges that the Texas Labor Code and other applicable laws provide certain rights. Respondent waives all of these rights, and any other procedural rights that apply, in consideration of the entry of this consent order.

Findings of Fact

1. Respondent holds a certificate of authority issued by the Texas Department of Insurance to transact the business of insurance pursuant to Tex. Ins. Code §§ 801.051-801.053 and is licensed to write multiple lines of insurance in Texas, including workers' compensation/employers' liability insurance.

9. On [REDACTED], Respondent paid \$ [REDACTED] for the bill, 13 days late.

Assessment of Sanction

1. Failure to provide income benefits in a timely and cost-effective manner is harmful to injured employees and the Texas workers' compensation system.
2. Prompt payment of medical bills is imperative to DWC's goal of ensuring that injured employees have access to prompt, high-quality medical care. Failure to promptly pay medical bills harms medical providers economically, increases disputes and exhausts administrative resources in the workers' compensation system.

3. In assessing the sanction for this case, DWC fully considered the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e):
 - the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act;
 - the history and extent of previous administrative violations;
 - the violator's demonstration of good faith, including actions it took to rectify the consequences of the prohibited act;
 - the penalty necessary to deter future violations;
 - whether the administrative violation had a negative impact on the delivery of benefits to an injured employee;
 - the history of compliance with electronic data interchange requirements;
 - the economic benefit resulting from the prohibited act; and
 - other matters that justice may require, including, but not limited to:
 - PBO assessments;
 - prompt and earnest actions to prevent future violations;
 - self-report of the violation;
 - the size of the company or practice;
 - the effect of a sanction on the availability of health care; and
 - evidence of heightened awareness of the legal duty to comply with the Texas Workers' Compensation Act and DWC rules.

4. DWC found the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e) to be aggravating:
 - a. the violations are serious, involving \$ [REDACTED] in TIBs delivered seven days late, interest on accrued but unpaid income benefits paid 34 days late, late payment of a large medical bill, and \$ [REDACTED] in medical benefits delivered 13 days late;
 - b. Respondent has a history of similar administrative violations, including 27 consent orders involving late accrued TIBs and 31 consent orders involving late action on a medical bill in the last five years;
 - c. a penalty is necessary to deter future violations since Respondent presents a high risk of future violations; and
 - d. Respondent is the fifth largest workers' compensation carrier in Texas in terms of market share and has heightened awareness of its legal duty to comply with the Texas Workers' Compensation Act and DWC rules.

5. DWC is aware of no mitigating factors pursuant to Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).

6. Respondent acknowledges communicating with DWC about the relevant statute and rule violations alleged; that the facts establish that the administrative violation(s) occurred; and that the proposed sanction is appropriate, including the factors DWC considered under Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).
7. Respondent acknowledges that, in assessing the sanction, DWC considered the factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).
