General remarks and official action taken:

This is a consent order with Hartford Underwriters Insurance Company (Respondent). The commissioner of the Texas Department of Insurance, Division of Workers' Compensation (DWC) considers whether DWC should take disciplinary action against Respondent.

Code §§ 801.051-801.053 and is licensed to write multiple lines of insurance in Texas, including workers' compensation/employers' liability insurance.

Assessment of Sanction

1. Prompt payment of medical bills is imperative to DWC's goal of ensuring that injured employees have access to prompt, high-quality medical care. Failure to promptly pay medical bills harms medical providers economically, increases disputes and exhausts administrative resources in the workers' compensation system.
2. In assessing the sanction for this case, DWC fully considered the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e):
 - the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act;
 - the history and extent of previous administrative violations;
 - the violator's demonstration of good faith, including actions it took to rectify the consequences of the prohibited act;
 - the penalty necessary to deter future violations;
 - whether the administrative violation had a negative impact on the delivery of benefits to an injured employee;
 - the history of compliance with electronic data interchange requirements;
 - the economic benefit resulting from the prohibited act; and

- other matters that justice may require, including, but not limited to:
 - PBO assessments;
 - prompt and earnest actions to prevent future violations;
 - self-report of the violation;
 - the size of the company or practice;
 - the effect of a sanction on the availability of health care; and
 - evidence of heightened awareness of the legal duty to comply with the Texas Workers' Compensation Act and DWC rules.
3. DWC found the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e) to be aggravating:
 - a. the violations are serious, involving ██████████ in medical benefits that were paid up to 243 days late;
 - b. Respondent has a prior consent order for late action on a medical bill in Enforcement File No. 32385;
 - c. a penalty is necessary to deter future violations;
 - d. Respondent received an economic benefit from its late payment of ██████████ in medical benefits; and
 - e. Respondent is the 12th largest workers' compensation insurance carrier in Texas and has heightened awareness of its legal duty to comply with the Texas Workers' Compensation Act and DWC rules.
 4. DWC is aware of no mitigating factors pursuant to Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).
 5. Respondent acknowledges communicating with DWC about the relevant statute and rule violations alleged; that the facts establish that the administrative violation(s) occurred; and that the proposed sanction is appropriate, including the factors DWC considered under Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).
 6. Respondent acknowledges that, in assessing the sanction, DWC considered the factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).
