Inspector Application Requirements

Important Note: Please ensure that you have all the required information before starting the inspector application, as the system does not have an option to save progress and return later.

Step 1: Personal

- Last Name
- First Name
- Email
- Position
- Employer
- May TDI release the email address in response to a public information request

Step 2: Education:

- College or University
- City, State of College or University
- Course or Major
- Degree earned

Step 3: Address

- Address type (either business or home)
- Street/PO Box
- City, County, State, ZIP Code
- Phone

Step 4: Engineer

- Texas Registration Number (P.E. Number)
- Field of expertise
- Number of years/months of experience
- Have you designed and calculated wind loads in high wind area
- What percentage of your work has been in high wind areas
- Number of years/months experience designing structures in high wind areas

Step 5: Additional

- Which type of inspections do you perform (residential, commercial, both)
- Do you perform post construction inspections

After you submit the application information through the Windstorm System, print the ENG-1 and ENG-2, notarize (the WPI-1 only), sign, seal, and return them to TDI at the address below with a copy of your pocket P.E. Card.
