

APPEAL NO. 030145
FILED MARCH 6, 2003

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on December 13, 2002. The hearing officer determined that respondent (claimant) sustained a compensable injury on _____, and that he had disability from July 17, 2002, through the date of the hearing. Appellant (carrier) appealed these determinations on sufficiency grounds. The file does not contain a response from claimant.

DECISION

We affirm.

We have reviewed the complained-of determinations and conclude that the issues involved fact questions for the hearing officer. The hearing officer reviewed the record, considered the issues raised by carrier regarding claimant's credibility, and decided what facts were established. The hearing officer found claimant to be a credible witness. We conclude that the hearing officer's determinations are supported by the record and are not so against the great weight and preponderance of the evidence as to be clearly wrong or manifestly unjust. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986).

We affirm the hearing officer's decision and order.
