

APPEAL NO. 031151
FILED JUNE 23, 2003

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on April 7, 2003. The hearing officer decided that the appellant (claimant) did not sustain injury in the course and scope of her employment on _____, and that because the claimant did not sustain a compensable injury she had no disability from the alleged injury. The claimant appeals those determinations. The respondent (carrier) responds, urging affirmance.

DECISION

Affirmed.

The claimant had the burden to prove that she was injured in the course and scope of employment and that she has had disability. Conflicting evidence was presented at the hearing. The 1989 Act makes the hearing officer the sole judge of the weight and credibility to be given to the evidence. Section 410.165(a). The finder of fact may believe that the claimant has an injury, but disbelieve that the injury occurred at work as claimed. Johnson v. Employers Reinsurance Corp., 351 S.W.2d 936 (Tex. Civ. App.-Texarkana 1961, no writ). A fact finder is not bound by medical evidence where the credibility of that evidence is manifestly dependent upon the credibility of the information imparted to the doctor by the claimant. Rowland v. Standard Fire Ins. Co., 489 S.W.2d 151 (Tex. Civ. App.-Houston [14th Dist.] 1972, writ ref'd n.r.e.). Our review of the record reveals that the hearing officer's injury and disability determinations were supported by sufficient evidence and are not so contrary to the overwhelming weight of the evidence as to be clearly wrong or unjust. Thus, no sound basis exists for us to disturb that determination on appeal. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986).

We affirm the decision and order of the hearing officer.
