

APPEAL NO. 031778
FILED AUGUST 22, 2003

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on June 4, 2003. The hearing officer determined that appellant (claimant) did not sustain a compensable injury on _____, and that she did not have disability. Claimant appealed these determinations on sufficiency grounds. Respondent (carrier) responded that the Appeals Panel should affirm the hearing officer's decision and order.

DECISION

We affirm.

We have reviewed the complained-of determinations regarding injury and disability and conclude that the issues involved fact questions for the hearing officer. The hearing officer reviewed the record and decided what facts were established. The hearing officer could find from the evidence that Dr. S did not find an aggravation such that there is a new injury. Although there was evidence in claimant's favor, the hearing officer had to weigh the conflicting evidence and decide what she believed. Texas Workers' Compensation Commission Appeal No. 990935, decided June 10, 1999. We conclude that the hearing officer's determinations are supported by the record and are not so against the great weight and preponderance of the evidence as to be clearly wrong or manifestly unjust. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986).

We affirm the hearing officer's decision and order.
