of the

Date: JUL 30 2015

Subject Considered:

KEITH WILLIAMS
P.O. Box 10014
Houston, Texas 77226

DEFAULT ORDER
SOAH DOCKET NO. 454–15–4051.C
ENFORCEMENT FILE NO. 8180

General remarks and official action taken:

The commissioner of insurance considers whether disciplinary action should be taken against Keith Williams.

FINDINGS OF FACT

1. Keith Williams, individual identification no. 1088025, holds a county mutual license, issued November 9, 2011, and a general lines license with the following qualifications: life, accident, and health, issued November 14, 2011, and property and casualty, issued February 13, 2014. TDI records show the last mailing address Williams provided in writing to the department is P.O. Box 10014, Houston, Texas 77226.

2. On June 9, 2015, TDI sent a notice of hearing to Williams’ last known mailing address.

3. Williams failed to file a written response to the notice of hearing within 20 days of the date the notice of hearing was mailed.

5. Reliable determined that Williams collected premiums from Reliable policyholders in the sum of $4,340.63 for the purchase of life insurance, but did not remit any of those payments to Reliable.

6. On June 14, 2013, Williams forged Vera Bolton’s signature on a request for a premium loan and took out an unauthorized loan of $135.90 against Vera Bolton’s life insurance policy. Williams failed to forward any of the $135.90 in loan money to Reliable and misappropriated and converted the $135.90 to his own use.
In June of 2013, Williams collected $67.55 from Edward Barker, $97.68 from Janet Nickerson, and $5.47 from D. Collins for the purchase of life insurance coverage to be issued by Reliable. Williams failed to forward any of the collected premiums to Reliable and misappropriated and converted the $170.70 in collected premiums to his own use.

Between September 2012, and October 2014, Williams collected premiums from approximately 37 more customers for the purchase of life insurance issued by Reliable. Williams failed to forward any of the collected premiums to Reliable. Williams misappropriated and converted the collected insurance premiums to his own use.

Williams also is not compliant with the department’s continuing education requirements. For his general lines license, he failed to complete 28 hours of general continuing education requirements, including two hours of ethics, for the period of November 13, 2011, to November 13, 2013. For his county mutual license, he failed to complete eight hours of general continuing education requirements, including two hours of ethics, for the period of November 9, 2011, to November 9, 2013.
