No. 2021-7022

Official Order of the
Texas Commissioner of Insurance

Date: 10/19/2021

Subject Considered:

Mercury County Mutual Insurance Company
PO Box 728847
Oklahoma City, Oklahoma 73172

Consent Order
TDI Enforcement File No. 27998

General remarks and official action taken:

This is a consent order with Mercury County Mutual Insurance Company (Mercury). Mercury used credit scoring models without filing them with the department. Mercury agrees to pay a $15,000 administrative penalty.

Waiver

Mercury acknowledges that the Texas Insurance Code and other applicable law provide certain rights. Mercury waives all of these rights, and any other applicable procedural rights, in consideration of the entry of this consent order.

Findings of Fact

1. Mercury is a county mutual company holding a certificate of authority to transact business in the state of Texas.

Credit Scoring Model

2. Texas law requires insurers to file their own credit scoring models with the department. Texas rules prohibit insurers from combining a credit scoring model
filing with any other filing type. An insurer must make its own credit scoring model filing, either including its own credit scoring model or referencing another filer’s model.

3. On June 15, 2020, Mercury submitted a private passenger auto rate and rule filing to the department. That filing included a memo referencing two credit scoring models which had previously been filed with the department by an unaffiliated insurer.

4. In the memo, Mercury represented that it would begin using the credit scoring models for new business on June 26, 2020, and for renewals beginning August 15, 2020.

5. On May 28, 2021, after correspondence with the department, Mercury filed the two credit scoring models and confirmed they had been used since June 26, 2020. Mercury used credit scoring models from June 26, 2020, to May 28, 2021, that were not filed by Mercury with the department.

Conclusions of Law

2. The commissioner has the authority to informally dispose of this matter as set forth in TEX. GOV’T CODE § 2001.056; TEX. INS. CODE §§ 36.104 and 82.055; and 28 TEX. ADMIN. CODE § 1.47.

3. Mercury has knowingly and voluntarily waived all procedural rights to which it may have been entitled regarding the entry of this order, including, but not limited to, issuance and service of notice of intention to institute disciplinary action, notice of hearing, a public hearing, a proposal for decision, rehearing by the commissioner, and judicial review.

4. Mercury violated TEX. INS. CODE § 559.151 by using two credit scoring models not filed by Mercury with the department.
5. Mercury violated 28 TEX. ADMIN. CODE § 5.9352 by failing to submit a credit scoring model filing to reference the models it uses and to provide the required information listed in the rule.

Order

It is ordered that Mercury County Mutual Insurance Company pay an administrative penalty of $15,000 within 30 days from the date of this order. The administrative penalty must be paid as instructed in the invoice, which the department will send after entry of this order.
