Official Order of the Texas Commissioner of Insurance

Date: 03/06/2023

Subject Considered:

Velocity Risk Underwriters, LLC 10 Burton Hills Blvd., Ste. 300 Nashville, Tennessee 37215

Consent Order
TDI Enforcement File No. 30647

General remarks and official action taken:

This is a consent order with Velocity Risk Underwriters, LLC (Velocity). Velocity failed to timely file surplus lines policies and related documents. Velocity has agreed to pay an administrative penalty of \$3,250 for these violations.

Waiver

Velocity acknowledges that the Texas Insurance Code and other applicable law provide certain rights. Velocity waives all of these rights, and any other applicable procedural rights, in consideration of the entry of this consent order.

Findings of Fact

1. Velocity, organization identification number 112423, holds a surplus lines license issued by the Texas Department of Insurance.

- 2. Pursuant to Tex. Ins. Code § 981.105(a), a surplus lines insurance agent must file with the Surplus Lines Stamping Office of Texas either:
 - a. a copy of the policy issued or
 - b. if the policy has not yet been issued, a copy of the certificate, cover note, or other confirmation of insurance delivered to the insured.

This information is due not later than the 60th day after the later of the effective date or the issue date of new or renewal surplus lines insurance.

- 3. In 2021, Velocity filed surplus lines policies late.
- 4. Velocity represents that in late 2020, it was instructed by the Surplus Lines Stamping Office of Texas (Office) to cease physically sending in its surplus lines policies for filing. Velocity was transitioning to an online filing system at that time, and there were errors within Velocity's system which needed to be corrected. Velocity and the Office had an agreement which allowed Velocity to file policies after the 60th day, without penalty, until Velocity's system was functioning properly.
- 5. After Velocity's system was fully functional in 2021, Velocity worked through the backlog of late filed surplus lines policies and identified for the Office which filings were impacted by the delay. Velocity advised the Office that as of July 1, 2021, all impacted surplus lines policies were properly filed.
- 6. The late filed surplus lines policies for calendar year 2021 included ten policies which were effective in 2020. These policies were not identified by Velocity as exempt from penalty, per the agreement, during the period of working through the backlog of late filings.
- 7. Velocity maintains it mistakenly overlooked these filings, and they should have been identified and exempted from penalty.
- 8. In 2021, Velocity represents it implemented new policies and procedures to prevent late filing of surplus lines policies, which resulted in a 0.78% late filing rate reported for Velocity in the 2021 Surplus Lines Stamping Office of Texas Annual Late Filing Report.
- 9. The commissioner previously disciplined Velocity for violating Tex. Ins. CODE § 981.105(a) in Official Order No. 2022-7182, entered on January 21, 2022, for late filings of policies filed in 2020.

- 3.
