Long-Term Care Insurance Suitability Worksheet

Long-term care insurance helps provide skilled care or personal care and may help you to preserve your assets against the high cost of an extended long-term care need. Long-term care insurance usually makes sense if you have more assets than a house, car, or a small amount of cash that you want to save

If you think long-term care insurance is right for you, consider your personal risk factors and financial considerations and then talk to a trusted financial advisor to determine if you should buy a policy.
