Frequently Asked Questions
Medical Electronic Data Interchange (EDI) Compliance Coordinator
And Trading Partner Notification (DWC EDI-03)

Does every insurance carrier have to submit the DWC EDI-03 form?

Yes. The provisions of 28 TAC §134.808(b) and (c) provide no exemptions to these notification requirements. These requirements apply to all insurance carriers as defined by Texas Labor Code §401.011(27), including an insurance company, a certified self-insurer for workers' compensation, a certified self-insurance group, and a governmental entity that self-insures, either individually or collectively.

When does this form need to be filed?

Under the provisions of 28 Texas Administrative Code (TAC) §134.808(c), an insurance carrier must submit this information at least five working days before sending its first transaction to TDI-DWC. Failure to submit the DWC EDI-03 may result in rejection of medical EDI records and an administrative violation.

How do I report a change to information reported on the DWC EDI-03 form?

If any information reported on the DWC EDI-03 form changes, including the addition or deletion of a trading partner, you must file a new DWC EDI-03 within five working days.

Where do I get the insurance carrier's TXCOMP Customer Number?

The insurance carrier's TXCOMP Customer Number can be found using the "Locate Insurance Carrier" function on the TXCOMP automated system located at <https://txcomp.tdi.state.tx.us/TXCOMPWeb/common/home.jsp>. This function allows the user to search for the insurance carrier using its name or FEIN.

Where do I get the Trading Partner's FEIN?

The insurance carrier should request this information from the trading partner during the contract negotiation process. The trading partner's FEIN reported in Section III of this form should match the EDI Sender's FEIN reported to TDI-DWC in Section II, field 3 of the DWC EDI-02, *Insurance Carrier or Trading Partner Medical Electronic Data Interchange (EDI) Profile*.
