- A cover letter on company letterhead explaining the transaction being submitted. Include the company and custodian contact information (name, telephone number and email) for both custodian contacts, if applicable. If you are expecting a wire of proceeds from the Texas Treasury Safekeeping Trust, specify where the withdrawn/matured securities should be delivered/wired. If you are electing the Texas Treasury Safekeeping Trust as your custodian, provide wiring instructions for where any or all interest payments will be submitted.

- **Statutory Deposit Transaction Form (FIN407).** Include the name of the new custodian and previous custodian.

- Safekeeping Receipt. The receipt should reflect the new custodian, be prepared on bank letterhead and contain the signature of issuer. The receipt must give a detailed description of the security (CUSIP/identification no., rate, maturity date, par value/amount) and indicate that it is pledged to the Texas Department of Insurance.

- Form Establishing Pledged Deposit. Lloyd’s use **Joint Control Agreement (FIN450).** Other insurers, use **Declaration of Trust (FIN453).** These forms must be executed by all parties and notarized where appropriate. Indicate the statutory reason for your deposit.
