These instructions are provided to assist you in completing and filing the TPA Annual Report and to address common questions. On or before June 30, all TPAs licensed in Texas as of December 31 are required to file an annual report (Chapter 4151.205 Texas Insurance Code). **THERE IS NO STATUTORY PROVISION FOR AN EXTENSION OF THIS DEADLINE.** All forms are available from our website at <http://www.tdi.texas.gov/forms/form5tpa.html>. FREQUENTLY ASKED QUESTIONS (FAQs) FOR COMPLETING THE ANNUAL REPORT

Can we get an extension of the June 30 deadline?

Texas Insurance Code Chapter 4151.205 requires licensed TPAs to file an annual report on or before June 30 of each year. The postmark is used to determine the date “filed” on reports received after June 30. There are no provisions for extensions. Please mail in your annual report with as much information as you have available along with the \$200.00 and let us know when to expect the missing information.

Where can I get the maintenance tax forms referred to in the fin486 Annual Report form and when is it due?

The forms can be downloaded from <http://comptroller.texas.gov/taxinfo/taxforms/25-102.pdf>. The maintenance tax filing is still due March 1 of each year. Administrators should report compensation for Texas business on Line 12 of the form.

Which officers need to complete biographical affidavits?

Submit biographical affidavits on the President, Secretary, Treasurer, Chief Financial Officer, Chairman of the Board, Directors and Controlling Shareholders (as listed on the Officers & Directors Page) for corporations. It is not necessary to submit a biographical affidavit on Vice Presidents unless they also serve as one of the other **key officers** or as a **director**. **TEXAS NO LONGER ACCEPTS FINGERPRINT CARDS.** We require a receipt from an electronic fingerprinting service. Fingerprint receipts are required with the biographical affidavits for an individual who has not previously filed a biographical affidavit with the Texas Department of Insurance. We have not contracted with any groups/plans in Texas but have clients that have Texas residents receiving benefits. Do we need the TPA license to pay claims or collect premiums?

The Texas TPA statute requires the administrator to be licensed if you pay claims or collect premiums for Texas residents regardless of where the plan is issued/located.

We have had this license for some time but currently have no accounts in Texas. Do we still need to file the annual report?

YES. All licensed administrators are required to file a report and maintain current information on file with the Department, including ownership, officers & directors, organizational information, as well as a current contact person and address.

We are administering hundreds of individual policies on behalf of several insurance companies. Do I need to list each of those on Exhibit A?

NO, please list the carriers and show “various” for policy no. and effective date.

Exhibit A FIN488 has a column (K) for “TOTAL NO. CLAIMS PAID - LAST 12 MO” – do you want dollar amounts?

NO, we want the total **number of claims paid** and that number should include those claims that were adjudicated but no check was issued.

Exhibit C no longer shows self-funded ERISA plans. Does the department no longer collect this data?

That is correct. We no longer collect data on self-funded ERISA plans.
