

TOTAL AND PARTIAL ASSUMPTIONS, MERGERS, NAME CHANGES, REDOMESTICATION, AND DEMUTUALIZATION FORM FILINGS CHECKLIST

Every effort has been made to ensure the accuracy of the information in this document. All parties should consult the Texas Insurance Code, the Texas Administrative Code, and other applicable laws.

Important Notes

This checklist is to be used for the following Company Licensing transactions: total and partial assumptions, mergers, name changes, redomestication, and demutualization.

This checklist applies to Life, Accident, and Health Companies, and Property and Casualty Companies licensed to write accident and health coverage.

An endorsement is not required if there is no in-force business; or a state-to-state redomestication not involving Texas and there are no material changes to the forms issued to Texas insureds.

Prior to filing an endorsement with the Life and Health Lines Office, the total or partial assumption, merger, name change, redomestication, or demutualization must first be filed with Company Licensing and Registration, Financial Regulation Division.
