Table with 13 columns: Date of Exit Drills, Aug., Sept., Oct., Nov., Dec., Jan., Feb., March, April, May, June, July

Fire Safety Education

- ▶ Fire safety education should include items such as home escape plans, kitchen safety, monthly smoke detector checks, etc.
▶ Lessons may be found in Fire Safety for Texans curriculum guides at www.tdi.texas.gov/fire
▶ The percentage of students participating in age appropriate Fire Safety Education during the school year is: \_\_\_\_\_%

Certification

I certify that the above information is correct.

School Administrator Signature Title

Type or Print Name Date

Preparation of this form is mandated by the Texas Insurance Commissioner through the adoption of the "Fire Suppression Rating Schedule." This schedule enumerates specific credit points used in calculating local insurance rates. A minimum of nine (9) drills is needed, one (1) per month for each month having 10 school days or more to achieve full credit for fire drills. If you have questions on fire drills, contact your local fire official. For more information about fire exit drill requirements in Texas, go to http://www.tdi.texas.gov/fire/fmschl.html.

Information solicited in this form will be combined with that of other schools served by specific fire departments and used to calculate insurance rates for your community. In addition to the enhancement to student safety that comes from holding regular fire exit drills and by providing fire prevention education, the residents in your community may benefit from lower insurance rates. Questions relating to this form may be directed to the State Fire Marshal's Office by email to fire.marshall@tdi.texas.gov. Please do not send forms to the State Fire Marshal.
