T D I:

Due to the Catastrophic event of Hurricane Harvey on the Texas Coast on August 26 and 27. Our office is concerned that we may not be able to meet the 95 day claims filing deadline for some of our claims. We would like to respectfully request an extension of the 95 day claims filing deadline for our office. At this time we do not yet know the length of time the interruption of claims submissions will last as we have not had electricity restored and have not been able to assess if there has been any water damage to computer.

Thanks You
