FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and all applicable, adopted rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

1. Former 28 Texas Administrative Code §133.305, effective January 2, 2002, 26 *Texas Register* 10934, sets out the general procedures for medical dispute resolution.
2. Former 28 Texas Administrative Code §133.307, effective January 2, 2002, 26 *Texas Register* 10934, sets out the procedures for resolving medical fee disputes.
3. Texas Labor Code §413.011 sets forth provisions regarding reimbursement policies and guidelines.

Findings

Records indicate that Medical Fee Dispute Resolution (formerly Medical Review) docketed a request for dispute resolution from healthcare provider OXYMED, Inc. on January 20, 2004. On April 9, 2014 the parties to the dispute were notified that the Division was unable to locate documentation originally submitted associated with dispute M4-04-5359-01. This notice was made by letter which was sent to:

(1) The requestor via regular mail to the address provided on the original DWC-060 form
(2) The respondent via its Austin representative box

The letter to the parties included a request for the following documents:

(1) The original request for dispute resolution
(2) Additional information originally and timely submitted to the Division
(3) Copies of correspondence
(4) Any additional information that the parties would like to provide

To date the Division has no record of receiving any documentation from the requestor, respondent, nor from any representatives of the respondent or requestor.

Former 28 Texas Administrative Code §133.307(I), 26 *Texas Register* 10934, states "the commission may request other additional information from either party to review the medical fee issues in dispute. The other additional information shall be received by the division within 14 days of receipt of this request." The Division requested additional information on April 9, 2014 from both parties to the dispute and did not receive any documentation from either party. Consequently, the Division finds that the requestor failed to support its request for reimbursement.

Conclusion

The Division concludes the requestor has not supported its request for reimbursement. As a result the amount ordered is $0.00.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code §413.031, the Division has determined that the requestor is entitled to $0.00 reimbursement for the disputed services.
