FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and all applicable, adopted rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

1. Texas Labor Code §409.0091 sets out the reimbursement procedures for health care insurers.
2. Texas Labor Code §409.0091(s) sets out an exception for reimbursement for services provided to injured employees with dates of injury prior to September 1, 2007.

Issues

1. Did the health care insurer meet the applicable requirements of Texas Labor Code §409.0091?

Findings

Texas Labor Code §409.0091 was added by Acts 2007, 80th Leg., R.S., Ch. 1007 (H.B. 724), Sec. 8, and is effective for dates of injury on or after September 1, 2007, with few exceptions. The requestor of this medical fee dispute is Medrecovery management. Medrecovery management is an authorized representative of Aetna Life Insurance - a health care insurer as defined by Texas Labor Code §409.0091(a). Medrecovery management and Aetna Life Insurance are collectively referred to as the subclaimant for the purposes of this medical fee dispute. Texas Labor Code §409.0091(c) states that health care paid by a health care insurer may be reimbursable as a medical benefit. The subclaimant alleges it paid for services provided to an injured employee with a compensable Texas workers' compensation claim and is seeking to recover \$6,997.54 from PLANO INDEPENDENT SCHOOL DISTRICT- a Texas workers' compensation insurance carrier – hereto after referred to as the carrier. The provisions of Texas Labor Code §409.0091 apply to this request for reimbursement and are hereby considered.

1. Texas Labor Code §409.0091 outlines the process by which a health care insurer as defined by Texas Labor Code §402.084(c-1) may be reimbursed by a workers' compensation insurance carrier. A data match pursuant to Texas Labor Code §402.084(c-3) is therefore required by Texas Labor Code §409.0091(s).

The services in dispute relate to an injury that occurred on [REDACTED]. For this reason, the exception under Texas Labor Code §409.0091(s) applies. Pursuant to §409.0091(s), for data matches provided to the health care insurer before January 1, 2007, the health care insurer may not file a request for reimbursement later than March 1, 2008. Review of the documentation provided by the requestor finds the following.

- The requestor provided a position summary, which indicates that a data match occurred on 11/14/06.
- Review of the submitted documentation finds that the requestor submitted insufficient documentation to support that a data match occurred on 11/14/06. Due to the insufficient documentation, the Division is unable to verify that the data match occurred on that date. The Division finds that the requestor is therefore not eligible to file for reimbursement from the workers' compensation insurance carrier under Texas Labor Code §409.0091.

The Division concludes that the requestor submitted insufficient documentation to support that it met the conditions of §409.0091(s).

Conclusion

The outcome of this medical fee dispute relied upon the available evidence presented by the requestor and the respondent. Even though all the evidence was not discussed, it was considered. For the reasons stated above, the Division finds that the requestor failed to establish that additional reimbursement is due. As a result, the amount ordered is zero.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code §413.031, the Division has determined that the requestor is entitled to \$0.00 reimbursement for the disputed services.
