FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and all applicable, adopted rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

- 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
- 28 Texas Administrative Code §134.204, effective March 1, 2008, sets the reimbursement guidelines for the disputed service.
- The services in dispute were reduced/denied by the respondent with the following reason codes:
 - 29-The time limit for filing has expired.

Issues

- Does a timely filing claim issue exist in this dispute?
- Did the Designated Doctor bill for the MMI/IR evaluation in accordance with medical fee guideline?
- Is the requestor entitled to reimbursement?

Findings

1. The respondent originally denied reimbursement for the disputed Designated Doctor Evaluation based upon reason code "29"; however, upon reconsideration this denial was not maintained and payment of \$500.00 was issued. The Division concludes that a timely filing issue does not exist in this dispute.
2. On the disputed date of service the requestor billed CPT code 99456-W5-WP.

- 28 Texas Administrative Code §134.204(i)(1)(A) states "The following shall apply to Designated Doctor Examinations. (1) Designated Doctors shall perform examinations in accordance with Labor Code §§408.004, 408.0041 and 408.151 and Division rules, and shall be billed and reimbursed as follows: (A) Impairment caused by the compensable injury shall be billed and reimbursed in accordance with subsection (j) of this section, and the use of the additional modifier "W5" is the first modifier to be applied when performed by a designated doctor"

A review of the submitted medical billing finds that the requestor billed modifier "W5" as the first modifier appended to CPT code 99456.

- 28 Texas Administrative Code §134.204(j)(3) states "The following applies for billing and reimbursement of an MMI evaluation. (C) An examining doctor, other than the treating doctor, shall bill using CPT Code 99456. Reimbursement shall be \$350."

The requestor billed CPT code 99456 because the examination was performed by a designated doctor.

- Per 28 Texas Administrative Code §134.204(j)(4)(C)(iii) states "If the examining doctor performs the MMI examination and the IR testing of the musculoskeletal body area(s), the examining doctor shall bill using the appropriate MMI CPT code with modifier "WP." Reimbursement shall be 100 percent of the total MAR."
- 28 Texas Administrative Code §134.204(n)(18) states "The following Division Modifiers shall be used by HCPs billing professional medical services for correct coding, reporting, billing, and reimbursement of the procedure codes. The "WP" modifier is defined as "Whole Procedure--This modifier shall be added to the CPT code when both the professional and technical components of a procedure are performed by a single HCP."

A review of the requestor's billing finds that the "WP" modifier was appended to CPT code 99456 to designate that the provider had performed the MMI examination and the IR testing.

- 28 Texas Administrative Code §134.204(n)(5) defines the "MI" modifier as "Multiple Impairment Ratings-- This modifier shall be added to CPT Code 99455 when the designated doctor is required to complete multiple impairment ratings calculations."

The Division finds that the Designated Doctor billed for the evaluation/examination in accordance with 28 Texas Administrative Code §134.204; therefore, reimbursement is recommended.

3. The maximum allowable reimbursement (MAR) for CPT code 99456-W5-WP is:

- 28 Texas Administrative Code §134.204(j)(1) states "Maximum Medical Improvement and/or Impairment Rating (MMI/IR) examinations shall be billed and reimbursed as follows:
 - (1) The total MAR for an MMI/IR examination shall be equal to the MMI evaluation reimbursement plus the reimbursement for the body area(s) evaluated for the assignment of an IR.
- 28 Texas Administrative Code §134.204(j)(4)(C) states "For musculoskeletal body areas, the examining doctor may bill for a maximum of three body areas."
- 28 Texas Administrative Code §134.204(j)(4)(C)(ii) states "The MAR for musculoskeletal body areas shall be as follows.
 - (I) \$150 for each body area if the Diagnosis Related Estimates (DRE) method found in the AMA Guides 4th edition is used."

The requestor billed for MMI/IR of one body area. A review of the Designated Doctor report finds that a DRE examination was performed on the abdomen; therefore, the MAR is \$150.00 per 28 Texas Administrative Code §134.204(j)(4)(C)(ii)(I). The total allowable for the impairment rating is \$150.00.

Per 28 Texas Administrative Code §134.204(j)(3)(C) the requestor is due \$350.00 for the MMI evaluation.

The Division finds that the total allowable for the MMI/IR evaluation is \$500.00. The respondent paid \$500.00. As a result, the requestor is entitled to reimbursement of \$0.00.

Conclusion

For the reasons stated above, the Division finds that the requestor has not established that additional reimbursement is due. As a result, the amount ordered is \$0.00.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code §413.031, the Division has determined that the requestor is entitled to \$0.00 reimbursement for the disputed services.
