FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

- 1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 Texas Administrative Code §133.20 sets out medical bill submission procedures for health care providers.
3. 28 Texas Administrative Code §102.4 establishes rules for non-Commission communications.
4. Texas Labor Code §408.027 sets out provisions related to payment of health care providers.
5. Texas Labor Code §408.0272 provides for certain exceptions to untimely submission of a medical claim.
6. The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
• 29 – THE TIME LIMIT FOR FILING HAS EXPIRED

- 731 – “PER 133.20 PROVIDER SHALL NOT SUBMIT A MEDICAL BILL LATER THAN THE 95TH DAY AFTER THE DATE THE SERVICE, FOR SERVICES ON OR AFTER 9/1/05

### Issues

1. What is the timely filing deadline applicable to the medical bills for the services in dispute?
2. Did the requestor forfeit the right to reimbursement for the services in dispute?

### Findings

1. The insurance carrier denied the disputed services with claim adjustment reason codes: 29 – “THE TIME LIMIT FOR FILING HAS EXPIRED.”; and 731 – “PER 133.20 PROVIDER SHALL NOT SUBMIT A MEDICAL BILL LATER THAN THE 95TH DAY AFTER THE DATE THE SERVICE, FOR SERVICES ON OR AFTER 9/1/05.”

28 Texas Administrative Code §133.20(b) requires that, except as provided in Texas Labor Code §408.0272, “a health care provider shall not submit a medical bill later than the 95th day after the date the services are provided.”

Texas Labor Code §408.0272(b) provides that:

Notwithstanding Section 408.027, a health care provider who fails to timely submit a claim for payment to the insurance carrier under Section 408.027(a) does not forfeit the provider's right to reimbursement for that claim for payment solely for failure to submit a timely claim if:

- (1) the provider submits proof satisfactory to the commissioner that the provider, within the period prescribed by Section 408.027(a), erroneously filed for reimbursement with:
  - (A) an insurer that issues a policy of group accident and health insurance under which the injured employee is a covered insured;
  - (B) a health maintenance organization that issues an evidence of coverage under which the injured employee is a covered enrollee; or
  - (C) a workers' compensation insurance carrier other than the insurance carrier liable for the payment of benefits under this title; or
- (2) the commissioner determines that the failure resulted from a catastrophic event that substantially interfered with the normal business operations of the provider.

No documentation was found to support that any of the exceptions described in Texas Labor Code §408.0272 apply to the services in this dispute. For that reason, the health care provider was required to submit the medical bill not later than 95 days after the date the disputed services were provided.

2. Texas Labor Code §408.027(a) states that “Failure by the health care provider to timely submit a claim for payment constitutes a forfeiture of the provider's right to reimbursement for that claim for payment.”

28 Texas Administrative Code §102.4(h) states that:

Unless the great weight of evidence indicates otherwise, written communications shall be deemed to have been sent on:

- (1) the date received, if sent by fax, personal delivery or electronic transmission or,
- (2) the date postmarked if sent by mail via United States Postal Service regular mail, or, if the postmark date is unavailable, the later of the signature date on the written communication or the date it was received minus five days. If the date received minus five days is a Sunday or legal holiday, the date deemed sent shall be the next previous day which is not a Sunday or legal holiday.

The date of service was October 20, 2016. The 95<sup>th</sup> day following the date of service was Monday, January 23, 2017. As this date was a work day and not a holiday, the bill was required to be sent no later than this date in order to be deemed timely. The insurance carrier received the bill on February 6, 2017. The creation date on the bill is February 6, 2017. The notes on claim submitted by the requestor indicate no bill was submitted before February 6, 2017. Review of the submitted evidence finds that the bill was not submitted to the insurance carrier within 95 days of the date of service. Consequently, the requestor has forfeited the right to reimbursement due to untimely submission of the medical bill, pursuant to Texas Labor Code §408.027(a).

**Conclusion**

For the reasons stated above, the Division finds that the requestor has not established that additional reimbursement is due. As a result, the amount ordered is \$0.00.

***ORDER***

Based on the submitted information, pursuant to Texas Labor Code Section 413.031, the division hereby determines the requestor is entitled to \$0.00 additional reimbursement for the services in dispute.
