Response Submitted by: The Hartford

SUMMARY OF FINDINGS

Table with 4 columns: Dates of Service, Disputed Services, Amount In Dispute, Amount Due. Row 1: October 25, 2017, Compound Medication, \$566.53, \$566.53

FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

- 1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 Texas Administrative Code §134.502 sets out the procedures for pharmaceutical benefits.
3. 28 Texas Administrative Code §134.503 sets out the fee guidelines for pharmaceutical services.
4. The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
• 85 – Claim not processed

Issues

1. Did the insurance carrier raise a new defense in its response?
2. Is Memorial Compounding Pharmacy (Memorial) entitled to reimbursement for the drug in question?

Findings

1. Memorial is seeking reimbursement for a compound dispensed on October 25, 2017. In its position statement, the insurance carrier argued that the compound in question was denied based on preauthorization.

The response from the insurance carrier is required to address only the denial reasons presented to the requestor the request for medical fee dispute resolution (MFDR) was filed with the division. Any new denial reasons or defenses raised shall not be considered for review.¹

The submitted documentation does not support that a denial based on preauthorization was provided to Memorial before this request for MFDR was filed. Therefore, the division will not consider this argument in the current dispute review as this issue constitutes a new defense.

2. Because the insurance carrier processed a complete medical bill and failed to support its denial of reimbursement, Memorial is entitled to reimbursement.

The compound in dispute was billed by listing each drug included in the compound and calculating the charge for each drug separately.² Each ingredient is listed below with its reimbursement amount.³ The calculation of the total allowable amount is as follows:

Drug	NDC	Generic(G) /Brand(B)	Price /Unit	Units Billed	AWP Formula	Billed Amt	Lesser of AWP and Billed
Meloxicam	38779274601	G	\$194.67	0.18	\$43.80	\$35.04	\$35.04
Flurbiprofen	38779036209	G	\$36.58	4.8	\$219.48	\$175.58	\$175.58
Tramadol	38779237409	G	\$36.30	6	\$272.25	\$217.80	\$217.80
Cyclobenzaprine	38779039509	G	\$46.33	1.8	\$104.25	\$83.39	\$83.39
Bupivacaine	38779052405	G	\$45.60	1.2	\$68.40	\$54.72	\$54.72
						Total	\$566.53

The total reimbursement is therefore \$566.53. This amount is recommended.

Conclusion

For the reasons stated above, the Division finds that the requestor has established that additional reimbursement is due. As a result, the amount ordered is \$566.53.

ORDER

Based on the submitted information, pursuant to Texas Labor Code Section 413.031 and 413.019 (if applicable), the division has determined the requestor is entitled to additional reimbursement for the disputed services. The division hereby ORDERS the respondent to remit to the requestor \$566.53, plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this order.
