FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

- 1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 Texas Administrative Code §134.403 sets out the acute care hospital fee guideline for outpatient services.
3. The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
- 97 - Payment adjusted because the benefit for this service is included in the payment/allowance for another service/procedure that has already been adjudicated
- P12 - Workers' compensation jurisdictional fee schedule adjustment

Issues

1. Are the insurance carrier's reasons for denial of payment supported?
2. What is the applicable rule for determining reimbursement for the disputed services?
3. Is the requestor entitled to additional reimbursement?

Findings

1. The requestor is seeking reimbursement for Code 96372 rendered on date of service November 29, 2017 for \$104.56. The insurance carrier denied disputed services with claim adjustment reason code 97 – "Payment adjusted because the benefit for this service is included in the payment/allowance for another service/procedure that has already been adjudicated."

28 Texas Administrative Code §134.403 (d) states in pertinent part,

For coding, billing, reporting, and reimbursement of health care covered in this section, Texas workers' compensation system participants shall apply Medicare payment policies in effect on the date a service is provided

The Medicare Claims Processing Manual, 10.1.1 states in pertinent part,

An OPPS payment status indicator is assigned to every HCPCS code. The status indicator identifies whether the service described by the HCPCS code is paid under the OPPS and if so, whether payment is made separately or packaged. The status indicator may also provide additional information about how the code is paid under the OPPS or under another payment system or fee schedule.

Review of the Status Indicator of 96327 in Addendum B found at <https://www.cms.gov/Medicare/Medicare-Fee-for-Service-Payment/HospitalOutpatientPPS/Addendum-A-and-Addendum-B-Updates-Items/2017-October-Addendum-B.html?DLPage=2&DLEntries=10&DLSort=2&DLSortDir=descending> indicates "S" as the status indicator. This is defined as "Paid under OPPS; separate APC payment." Based on this classification, the carrier's denial is not supported. The service in dispute will be reviewed per applicable fee guidelines.

2. 28 Texas Administrative Rule §134.403(f)(1)(A) is the applicable rule as implantables are not part of this dispute.

The reimbursement calculation used for establishing the MAR shall be the Medicare facility specific amount, including outlier payment amounts, determined by applying the most recently adopted and effective Medicare Outpatient Prospective Payment System (OPPS) reimbursement formula and factors as published annually in the Federal Register. The following minimal modifications shall be applied.

(1) The sum of the Medicare facility specific reimbursement amount and any applicable outlier payment amount shall be multiplied by:

(A) 200 percent;

Reimbursement for the disputed services is calculated as follows:

- Procedure code 96372 has status indicator S, denoting procedures not subject to reduction. This code is assigned APC 5692. The OPPS Addendum A rate is \$53.17, multiplied by 60% for an unadjusted labor amount of \$31.90, in turn multiplied by the facility wage index of 0.9756 for an adjusted labor amount of \$31.12. The non-labor portion is 40% of the APC rate, or \$21.27. The sum of the labor and non-labor portions is \$52.39. The Medicare facility specific amount of \$52.39 is multiplied by 200% for a MAR of \$104.78.
3. The total recommended payment for the services in dispute is \$104.78. The requestor is seeking \$104.56. This amount is recommended.

Conclusion

For the reasons stated above, the Division finds that the requestor has established that additional reimbursement is due. As a result, the amount ordered is \$104.56.

ORDER

Based on the submitted information, pursuant to Texas Labor Code Section 413.031 and 413.019 (if applicable), the division has determined the requestor is entitled to additional reimbursement for the disputed services. The division hereby ORDERS the respondent to remit to the requestor \$104.56, plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this order.
