Requester's Position

"The healthcare provider's position on this claim is that this date of service has been partially denied. We find that one of the charges on this claim has not been paid at 100% of the statutory fee as required by law per Texas Administrative Code Title 28 Part 2 Chapter 134 Subchapter C Rule 134.202. The attached medical records adequately support each of the services provided and is sufficient to warrant payment as set forth by the aforementioned section of the Texas Administrative Code. The injured worker's medical condition has been determined to be a medical emergency as defined in the Texas Administrative Code."

Amount in Dispute: \$2,138.24

Respondent's Position

"This claim is in the WorkWell, TX network. Texas Mutual has reviewed the network provider directory for the provider's name and tax identification number and confirmed no record of HAND & WRIST CENTER OF HOUSTON DEPT A as a participant. As an out-of-network provider, approval is required before rendering service or treatment. Texas Mutual did not receive or find any evidence of out-of-network approval obtained by the requestor... Since this fee reimbursement dispute involves a network requirement under the Insurance Code rather than the Labor Code, Texas Mutual believes this dispute is outside the jurisdiction of DWC MDR... Our position is that no payment is due."

Response Submitted by: Texas Mutual Insurance Company

Issues

1. Are the disputed services out-of-network health care?
2. If the disputed services are out of network, is the insurance carrier liable for the disputed services under TIC §1305.006?

Findings

1. The requestor, Hand & Wrist Center of Houston, submitted medical fee dispute M4-24-0832-01 to DWC for resolution according to 28 TAC §133.307. The dispute concerns unpaid surgical medical care provided by the requestor on June 23, 2023. Per documentation known to DWC, the injured employee's claim is within the WorkWell, TX certified network. The requestor was not in the network at the time of the date of services in dispute. As a result, DWC finds that the requestor provided out-of-network health care to the injured employee.
2. The requestor submitted the dispute requesting reimbursement for the disputed services as governed by the Texas Labor Code (TLC) legislation and rules, including 28 TAC §133.307. The requirements mentioned in the relevant sections of the TIC, Chapter 1305, are applicable to DWC's ability to apply the TLC legislation and DWC rules for out-of-network health care. TIC §1305.153 (c) provides that "Out-of-network providers who provide care as described by §1305.006 shall be reimbursed as provided by the Texas Workers' Compensation Act and applicable rules of the commissioner of workers' compensation."

TIC §1305.006 titled *INSURANCE CARRIER LIABILITY FOR OUT-OF-NETWORK HEALTH CARE* states, "An insurance carrier that establishes or contracts with a network is liable for the following out-of-network healthcare that is provided to an injured employee:

- (1) emergency care;
- (2) health care provided to an injured employee who does not live within the service area of any network established by the insurance carrier or with which the insurance carrier has a contract; and
- (3) health care provided by an out-of-network provider pursuant to a referral from the injured employee's treating doctor that has been approved by the network pursuant to §1305.103."

The requestor has the burden to prove that the conditions outlined in TIC §1305.006 were met for the insurance carrier to be liable for the disputed services.

DWC finds that the requestor failed to provide any documentation to support that any of the conditions of TIC §1305.006 were met in this dispute. As a result, DWC finds that the insurance carrier is not liable for the out-of-network health care in dispute.

Conclusion

The outcome of this medical fee dispute is based on the evidence presented by the requestor and the respondent at the time of adjudication. Though all evidence may not have been discussed, it was considered. DWC concludes that the insurance carrier is not liable for the disputed services.

Order

Based on the submitted information, pursuant to Texas Labor Code 413.031, the DWC hereby determines the requestor is entitled to \$0.00 reimbursement for the services in dispute.
