## **Findings and Decision**

### Authority

This medical fee dispute is decided according to [Texas Labor Code §413.031](#) and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation (DWC).

### Statutes and Rules

1. [28 Texas Administrative Code \(TAC\) §133.307](#) sets out the procedures for resolving medical fee disputes.
2. [28 TAC §133.20](#) sets out requirements of medical bill submission.
3. [28 TAC §102.4](#) details the general rules for Non-Division Communication.
4. [Texas Labor Code 408.0272](#) sets out the workers compensation timely billing and exceptions guidelines.

### Denial Reasons

The insurance carrier denied the disputed services with the following claim adjustment codes.

- CAC-P12 – Workers' compensation jurisdictional fee schedule adjustment.
- CAC-29 – The time limit for filing has expired.
- D25 – Approved non network provider for Workwell, TX network claimant per Rule 1305.153(c).
- 731 – Per 133.20(B) provider shall not submit a medical bill later than the 95<sup>th</sup> day after the date the service.
- 928 HCP must documentation to support exception to timely filing of bill (408.0272). Notifications of erroneous submission not included.

### Issues

1. Did the requestor support timely submission of medical claim?

### Findings

1. The requestor is seeking reimbursement outpatient hospital services rendered in October of 2023. The insurance carrier denied the claim based on untimely submission of the medical bill.

DWC Rule 28 TAC §102.4 (h) Unless the great weight of evidence indicates otherwise, written communications will be deemed to have been sent on:

- (1) the date received if sent by fax, personal delivery, or electronic transmission; or
- (2) the date postmarked if sent by mail through United States Postal Service regular mail, or, if the postmark date is unavailable, the later of the signature date on the written communication or the date it was received minus five days. If the date received minus five days is a Sunday or legal holiday, the date deemed sent must be the next previous day that is not a Sunday or legal holiday.

DWC Rule 28 TAC §133.20 (b) states in pertinent part,

(b) Except as provided in Labor Code §408.0272(b), (c) or (d), a health care provider shall not submit a medical bill later than the 95th day after the date the services are provided.

Texas Labor Code 408.0272. (b) states in pertinent part,

(b) Notwithstanding Section 408.0272, a health care provider who fails to timely submit a claim for payment to the insurance carrier under Section 408.0272(a) does not forfeit the provider's right to reimbursement for that claim for payment solely for failure to submit a timely claim if:

(1) the provider submits proof satisfactory to the commissioner that the provider, within the period prescribed by Section 408.027(a), erroneously filed for reimbursement with:

- (A) an insurer that issues a policy of group accident and health insurance under which the injured employee is a covered insured;
- (B) a health maintenance organization that issues an evidence of coverage under which the injured employee is a covered enrollee; or
- (C) a workers' compensation insurance carrier other than the insurance carrier liable for the payment of benefits under this title;

(2) the commissioner determines that the failure resulted from a catastrophic event that substantially interfered with the normal business operations of the provider.

Review of the submitted documentation found a screen shot of an internal "Queries" screen. While this screen gave an EDI File Name it does not support the claim was submitted to the correct insurance carrier or that the submitted file was received by the correct insurance carrier.

DWC finds there is insufficient information to support an exception described above. No payment is recommended.

### Conclusion

The outcome of this medical fee dispute is based on the evidence presented by the requestor and the respondent at the time of adjudication. Though all evidence may not have been discussed, it was considered.

DWC finds the requester has not established that additional reimbursement is due.

**Order**

Under Texas Labor Code §§413.031 and 413.019, DWC has determined the requestor is entitled to \$0.00 additional reimbursement for the disputed services.
