Issues

Has the requestor waived their right to medical fee dispute resolution?

Findings

The requestor seeks payment in the amount of \$200.52, for medical services provided on February 22, 2024.

28 TAC §133.307 (c) (1) states in the pertinent part, "Timeliness. A requestor must timely file the request with the division or waive the right to MFDR. The division will deem a request to be filed on the date the division receives the request. A decision by the division that a request was not timely filed is not a dismissal and may be appealed pursuant to subsection (g) of this section."

The service in question was performed on February 22, 2024. The medical fee dispute was received by the Division on February 26, 2025. This date is more than a year following the in-question date(s) of service.

28 TAC §133.307 (c) (1) (A) states, "A request for MFDR that does not involve issues identified in subparagraph (B) of this paragraph shall be filed no later than one year after the date(s) of service in dispute."

A review of the submitted documentation finds that the disputed service(s) does not involve issues identified in 28 TAC §133.307 (c) (1) (B). The Division concludes that the requestor has failed to timely file this dispute with the Division; consequently, the requestor has waived the right to medical fee dispute resolution.

Conclusion

The outcome of this medical fee dispute is based on the evidence presented by the requestor and the respondent at the time of adjudication. Though all evidence may not have been discussed, it was considered.

The Division finds the requestor has not established that reimbursement is due.

Order

Under Texas Labor Code §§413.031 and 413.019, the Division has determined the requestor is entitled to \$0.00 reimbursement for the disputed services.
