As of today, no response has been received from the insurance carrier or its representative. We will base this decision on the information available.

Findings and Decision

Authority

This medical fee dispute is decided according to [Texas Labor Code \(TLC\) §413.031](#) and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation (DWC).

Statutes and Rules

1. [28 Texas Administrative Code \(TAC\) §133.240](#) sets out the procedures for payment or denial of a medical bill.
2. [28 TAC §133.307](#) sets out the procedures for resolving medical fee disputes.
3. [28 TAC §134.240](#) sets out the fee guidelines for designated doctor examinations.

Denial Reasons

Neither party submitted an explanation of benefits for the disputed services.

Issues

1. Did Wesco Insurance Co. take final action on the bill for the disputed service before medical fee dispute resolution was requested?
2. Is William Meiser, D.O. entitled to reimbursement for the examination in question?

Findings

1. Dr. Meiser is seeking reimbursement for a designated doctor examination billed with procedure code 99456 and modifiers "W5" and "25". The requester argued that no response was received for the billed examination in question.

Per 28 TAC §133.240(a), the insurance carrier is required to take final action by paying, reducing, or denying the service in question not later than 45 days after receiving the medical bill. This deadline is not extended by a request for additional information.

The greater weight of evidence presented to DWC supports that a complete bill for the services in question was received by the insurance carrier or its agent. DWC found no evidence to support that the insurance carrier took final action on the bill for the service in question.

2. Because the insurance carrier failed to provide any defense for non-payment of the services in question, DWC finds that Dr. Meiser is entitled to reimbursement as follows.

Per 28 TAC §134.240(d), "When conducting a designated doctor examination, the designated doctor must bill, and the insurance carrier must reimburse, using CPT code 99456 and with

the modifiers and rates specified in subsections (d)(1) - (7)."

28 TAC §134.240(d)(3) states, in relevant part, "MMI evaluations will be reimbursed at \$449 adjusted per §134.210(b)(4)." No adjustments found in 28 TAC §134.210(b)(4) apply for the date of service in question.

The doctor certified that the injured employee was at MMI. Therefore, the total allowable reimbursement for this portion of the examination is \$449.00.

28 TAC §134.240(d)(4) states, in relevant part, "For IR examinations, the designated doctor must bill, and the insurance carrier must reimburse, the components of the IR evaluation. The designated doctor must apply the additional modifier 'W5.' Indicate the number of body areas rated in the units column of the billing form."

28 TAC §134.240(d)(4)(B) states, "For non-musculoskeletal body areas, the designated doctor must bill, and the insurance carrier must reimburse, for each non-musculoskeletal body area examined." It further states in subsection (iii) states, "The reimbursement for the assignment of an IR in a non-musculoskeletal body area is \$192 adjusted per §134.210(b)(4)." No adjustments found in 28 TAC §134.210(b)(4) apply for the date of service in question. Dr. Meiser provided impairment ratings for two non-musculoskeletal body areas. Therefore, the total allowable reimbursement for this portion of the examination is \$384.00.

Per 28 TAC §134.240(g) reimbursement for procedure code 99456 with modifier "25" is "\$300 adjusted per §134.210(b)(4) in addition to the examination fee."

DWC finds that the total allowable reimbursement for the services in question is \$1,133.00. This amount is recommended.

Conclusion

The outcome of this medical fee dispute is based on the evidence presented by the requester and the respondent at the time of adjudication. Though all evidence may not have been discussed, it was considered.

DWC finds the requester has established that reimbursement of \$1,133.00 is due.

Order

Under Texas Labor Code §§413.031 and 413.019, DWC has determined the requester is entitled to reimbursement for the disputed services. It is ordered that Wesco Insurance Co. must remit to William Meiser D.O. \$1,133.00 plus applicable accrued interest within 30 days of receiving this order in accordance with 28 TAC §134.130.
