Findings

The requestor seeks payment in the amount of \$3,497.41, for medical services provided on June 5, 2023. The medical fee dispute was received by the Division on May 13, 2025. This date is more than a year following the in-question date(s) of service.

28 TAC §133.307 (c) (1) states in the pertinent part, "Timeliness. A requestor must timely file the request with the division or waive the right to MFDR. The division will deem a request to be filed on the date the division receives the request. A decision by the division that a request was not timely filed is not a dismissal and may be appealed pursuant to subsection (g) of this section."

28 TAC §133.307 (c) (1) (A) states, "A request for MFDR that does not involve issues identified in subparagraph (B) of this paragraph shall be filed no later than one year after the date(s) of service in dispute."

A review of the submitted documentation finds that the disputed service(s) does not involve issues identified in 28 TAC §133.307 (c) (1) (B). The Division concludes that the requestor failed to file this dispute with the Division in a timely manner and therefore has waived the right to medical fee dispute resolution.
