### Findings and Decision

## Authority

This medical fee dispute is decided according to [Texas Labor Code §413.031](#) and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation (DWC).

## Statutes and Rules

1. [28 Texas Administrative Code \(TAC\) §133.307](#) sets out the procedures for resolving medical fee disputes.
2. [28 TAC §133.20](#) sets out requirements of medical bill submission.
3. [28 TAC §102.4](#) details the general rules for Non-Division Communication.
4. [Texas Labor Code 408.0272](#) sets out the workers compensation timely billing and exceptions guidelines.
5. [The Texas Labor Code \(TLC\) §408.027](#) sets out the rules for timely submission of claims by health care providers.

## Denial Reasons

The insurance carrier denied the disputed services with the following claim adjustment codes.

- 29 – The time limit for filing claim/bill has expired.
- 4271 – Per TX Labor Code Sec. 408.027, providers must submit bills to payors within 95 days of the date of service.

## Issues

1. Did the requester support timely submission of a medical claim?

## Findings

1. The requester is seeking reimbursement of emergency room services rendered in August of 2024. The insurance carrier denied the medical bill as not filed within 95 days of the date of service.

DWC Rule 28 TAC §102.4 (h) Unless the great weight of evidence indicates otherwise, written communications will be deemed to have been sent on:

- (1) the date received if sent by fax, personal delivery, or electronic transmission; or
- (2) the date postmarked if sent by mail through United States Postal Service regular mail, or, if the postmark date is unavailable, the later of the signature date on the written communication or the date it was received minus five days. If the date received minus five days is a Sunday or legal holiday, the date deemed sent must be the next previous day that is not a Sunday or legal holiday.

DWC Rule 28 TAC §133.20 (b) states in pertinent part,

(b) Except as provided in Labor Code §408.0272(b), (c) or (d), a health care provider shall not submit a medical bill later than the 95th day after the date the services are provided.

Texas Labor Code 408.0272. (b) states in pertinent part,

(b) Notwithstanding Section 408.0272, a health care provider who fails to timely submit a claim for payment to the insurance carrier under Section 408.0272(a) does not forfeit the provider's right to reimbursement for that claim for payment solely for failure to submit a timely claim if:

(1) the provider submits proof satisfactory to the commissioner that the provider, within the period prescribed by Section 408.027(a), erroneously filed for reimbursement with:

(A) an insurer that issues a policy of group accident and health insurance under which the injured employee is a covered insured;

(B) a health maintenance organization that issues an evidence of coverage under which the injured employee is a covered enrollee; or

(C) a workers' compensation insurance carrier other than the insurance carrier liable for the payment of benefits under this title;

(2) the commissioner determines that the failure resulted from a catastrophic event that substantially interfered with the normal business operations of the provider.

Upon review, the Division of Workers' Compensation (DWC) found insufficient evidence that the medical bills were submitted to the insurance carrier within 95 days after the service date. There was also no supporting documentation indicating that the bills qualified for any of the stated exceptions, nor any evidence of an agreement between the parties to extend the filing deadline.

Based on the evidence presented, the requester did not demonstrate timely submission or eligibility under an exception. Therefore, the DWC concludes that the requester is not entitled to reimbursement for the services in dispute.

### Conclusion

The outcome of this medical fee dispute is based on the evidence presented by the requester and the respondent at the time of adjudication. Though all evidence may not have been discussed, it was considered.

DWC finds the requester has not established that reimbursement is due.

## Order

Under the Texas Labor Code §§413.031 and 413.019, DWC has determined the requester is entitled to \$0.00 reimbursement for the disputed services.
