## Findings and Decision

### Authority

This medical fee dispute is decided according to [Texas Labor Code §413.031](#) and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation (DWC).

### Statutes and Rules

1. [28 Texas Administrative Code \(TAC\) §133.307](#) sets out the procedures for Medical Fee Dispute Resolution requests.
2. [28 TAC §133.20](#) sets out requirements of medical bill submission by health care providers.
3. [Texas Labor Code §408.0272](#) sets out certain exceptions for the untimely submission of a medical claim.

### Denial Reasons

The insurance carrier denied the payment for the disputed services with the following claim adjustment codes:

- 29 – THE TIME LIMIT FOR FILING CLAIM/BILL HAS EXPIRED.
- 892 - BILLED DATE EXCEEDS 95 DAYS FROM DATE OF SERVICE.

### Issues

1. Has the requester waived their right to medical fee dispute resolution?

### Findings

1. The requester is seeking \$808.99 for emergency visit services rendered on August 4, 2024.

28 TAC §133.20 which sets out requirements of timely medical bill submission, states in pertinent part "(b) Except as provided in Labor Code §408.0272(b), (c) or (d), a health care provider shall not submit a medical bill later than the 95th day after the date the services are provided. In accordance with subsection (c) of the statute, the health care provider shall submit the medical bill to the correct workers' compensation insurance carrier not later than the 95th day after the date the health care provider is notified of the health care provider's erroneous submission of the medical bill. A health care provider who submits a medical bill to the correct workers' compensation insurance carrier shall include a copy of the original medical bill submitted, a copy of the explanation of benefits (EOB) if available, and sufficient documentation to support why one or more of the exceptions for untimely submission of a medical bill under §408.0272 should be applied."

Texas Labor Code §408.0272(b) which sets out certain exceptions for untimely submission of a claim, states "(b) Notwithstanding Section [408.027](#), a health care provider who fails to timely

submit a claim for payment to the insurance carrier under Section [408.027\(a\)](#) does not forfeit the provider's right to reimbursement for that claim for payment solely for failure to submit a timely claim if: (1) the provider submits proof satisfactory to the commissioner that the provider, within the period prescribed by Section [408.027\(a\)](#), erroneously filed for reimbursement with: (A) an insurer that issues a policy of group accident and health insurance under which the injured employee is a covered insured; (B) a health maintenance organization that issues an evidence of coverage under which the injured employee is a covered enrollee; or (C) a workers' compensation insurance carrier other than the insurance carrier liable for the payment of benefits under this title; or (2) the commissioner determines that the failure resulted from a catastrophic event that substantially interfered with the normal business operations of the provider."

A review of the explanation of benefits (EOB) documents submitted finds that the medical bill in dispute was first received by the insurance carrier on January 21, 2025, more than 95 days past the disputed date of service, August 4, 2024. A review of the submitted medical bill finds that the bill was created for submission on January 9, 2025, also more than 95 days past the disputed date of service, August 4, 2024.

Per documentation submitted, DWC finds that the medical bill in dispute was submitted to the insurance carrier more than 95 days after the disputed date of service of August 4, 2024.

DWC finds no documentation that any of the exceptions to the 95-day timely filing rule, set out in Labor Code §408.0272, exist in this dispute.

Based on the submitted documentation, DWC finds the requester is not entitled to reimbursement.

### Conclusion

The outcome of this medical fee dispute is based on the evidence presented by the requester and the respondent at the time of adjudication. Though all evidence may not have been discussed, it was considered.

DWC finds the requester has not established that reimbursement is due.

## **Order**

Under Texas Labor Code §§413.031 and 413.019, DWC has determined the requester is entitled to \$0.00 reimbursement for the disputed services.
