Findings and Decision

Authority

This medical fee dispute is decided according to [Texas Labor Code \(TLC\) §413.031](#) and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation (DWC).

Statutes and Rules

1. [28 Texas Administrative Code \(TAC\) §133.240](#) sets out the procedures for payment or denial of a medical bill.
2. [28 TAC §133.307](#) sets out the procedures for resolving medical fee disputes.
3. [28 TAC §134.240](#) sets out the fee guidelines for designated doctor examinations.

Denial Reasons

Neither party submitted an explanation of benefits with reasons for the reduction or denial of payment for the disputed services.

Issues

1. Did Wellfleet New York Insurance Co take final action on the bill for the disputed service before medical fee dispute resolution was requested?
2. Is Trenton D. Weeks D.C. entitled to reimbursement for the service in question?

Findings

1. Dr. Weeks is seeking reimbursement for a missed designated doctor examination scheduled for the date of service December 20, 2024. Dr. Weeks argued that he did not receive payment or an explanation of denial for medical bills submitted for the examination in question.

Per 28 TAC §133.240(a), the insurance carrier is required to take final action by paying, reducing, or denying the service in question not later than 45 days after receiving the medical bill. This deadline is not extended by a request for additional information.

The greater weight of evidence presented to DWC supports that a bill for the services in question was received by the insurance carrier or its agent. No evidence was provided to support that the insurance carrier took final action on the bill for the service in question.

2. Because the insurance carrier failed to provide any defense for non-payment of the service in question, DWC finds that Dr. Weeks is entitled to reimbursement.

28 TAC §134.240(b) states, in relevant part, "The designated doctor must bill, and the insurance carrier must reimburse, for a missed appointment when the injured employee does not attend a properly scheduled or rescheduled examination under 28 TAC §127.5(h) - (j).

- (1) The designated doctor may bill for the missed appointment fee when:
 - (A) the injured employee does not attend a scheduled appointment; and
 - (B) the designated doctor waits at the examination location for at least 30 minutes after the scheduled appointment time.
- (2) When billing for the missed appointment, the designated doctor must bill CPT code 99456 with modifier '52.'
- (3) Reimbursement for a missed appointment is \$100 adjusted per §134.210(b)(4)."

No adjustment per §134.210(b)(4) applies to the service in question. Therefore, DWC finds that Dr. Weeks is entitled to a reimbursement of \$100.00.

Conclusion

The outcome of this medical fee dispute is based on the evidence presented by the requester and the respondent at the time of adjudication. Though all evidence may not have been discussed, it was considered.

DWC finds the requester has established that reimbursement of \$100.00 is due.

Order

Under Texas Labor Code §§413.031 and 413.019, DWC has determined the requester is entitled to reimbursement for the disputed services. It is ordered that Wellfleet New York Insurance Co must remit payment to Trenton D. Weeks D.C. \$100.00 plus applicable accrued interest within 30 days of receiving this order in accordance with 28 TAC §134.130.
