Findings and Decision

Authority

This medical fee dispute is decided according to Texas Labor Code Section [413.031](#) and other applicable laws and rules of the Texas Department of Insurance, Division of Workers' Compensation (DWC).

Statutes and Rules

1. 28 Texas Administrative Code (TAC) Section [133.307](#) sets out the procedures for resolving medical fee disputes.
2. 28 TAC Section [133.240](#) sets out the procedures for payment, reduction, or denial of a medical bill.
3. 28 TAC Section [134.260](#) sets out the fee guidelines for examinations to determine maximum medical improvement and impairment rating by a referred doctor.

Adjustment Reasons

Neither party submitted an explanation of benefits for the disputed services.

Issues

1. What is DWC considering in this medical fee dispute?
2. Did the insurance carrier submit explanations of benefits (EOBs) for the disputed services?
3. Is the requester entitled to reimbursement?

Findings

1. The requester is seeking reimbursement for an examination to determine if maximum medical improvement had been reached as referred by the treating doctor. No explanations of benefits were received. No response to this dispute was received from the insurance carrier or its representative. Therefore, this dispute will be reviewed based on the information available.
2. The requester argued that it did not receive payment or an explanation of denial for medical bills submitted for the examination in question.

Per 28 TAC §133.240(a), the insurance carrier is required to take final action by paying, reducing, or denying the service in question not later than 45 days after receiving the medical bill. This deadline is not extended by a request for additional information.

The greater weight of evidence presented to DWC indicates that a complete bill for the services in question was received by the insurance carrier or its agent. DWC found no evidence that the insurance carrier took final action on the bill for the service in question.

3. Because the insurance carrier failed to support non-payment of the examination in question, Dr. Talbott is entitled to reimbursement.

Per 28 TAC Section 134.260(c)(2), "... MMI evaluations will be reimbursed at \$449 adjusted per §134.210(b)(4)." The adjusted reimbursement amount for date of service August 4, 2025, is \$465.00. This amount is recommended.

Conclusion

The outcome of this medical fee dispute is based on the evidence the requester and the respondent presented at the time of adjudication. Though all evidence may not have been discussed, it was considered.

DWC finds the requester has established that reimbursement is due.

Order

Under Texas Labor Code Sections [413.031](#) and [413.019](#), DWC has determined the requester is entitled to reimbursement for the disputed services. It is ordered that National Union Fire Ins Co of Pitts PA must remit to Neal Talbott, M.D. \$465.00 plus applicable accrued interest within 30 days of receiving this order in accordance with 28 TAC Section [134.130](#).
