

MAXIMUS Federal Services, Inc. (MAXIMUS) is the national leader in the provision of government agency independent review services. Since 1989, MAXIMUS has conducted more than 7.5 million independent reviews for more than 60 state and federal government agencies, including arbitration reviews for the New Jersey Department of Banking and Insurance, the Florida The Agency For Health Care Administration, the Health and Human Service Office of the Inspector General, and the Centers for Medicare & Medicaid National Correct Coding Initiative Medicare and Medicaid. We work only on behalf of government agencies and maintain no direct relationship with Third Party Administrators, Self-Insured Employers, provider groups or other commercial entities. We have the most complete and robust organizational conflict of interest measures in the industry. This commitment to avoiding conflicts allows us to insulate risk for our government clients and fully protect the integrity of the arbitration review process for all parties. It also enables MAXIMUS to provide the most defensible review determinations that will hold up under public and legal scrutiny and result in increased stakeholder satisfaction in utilizing TX Out-of-Network Claim Dispute Resolution.
