**FINAL REPORT OF CLAIMS AND APPLICATION TO MAKE FINAL DISTRIBUTION
FOR SHELBY CASUALTY INSURANCE COMPANY**

TO THE HONORABLE JUDGE OF THIS COURT:

Prime Tempus, Inc., Special Deputy Receiver (SDR) of The Shelby Insurance Company, Vesta Fire Insurance Corporation, Shelby Casualty Insurance Company (Shelby Casualty), Texas Select Lloyds Insurance Company, and Select Insurance Services, Inc. files this *Final Report of Claims and Application to Make Final Distribution for Shelby Casualty Insurance Company* (Application), and respectfully shows the Court as follows:

I. RELIEF REQUESTED

1. The SDR has completed all claims processing and asset collection activities in this proceeding for Shelby Casualty. The SDR submits its final report of claims for approval and requests this Court to authorize it to make a final distribution of the receivership's assets and dispose of or transfer any remaining records of Shelby Casualty to the Commissioner of Insurance (Commissioner). Following the completion of the final distribution, the SDR will submit an application to seek approval of a final accounting, dissolve the charter, discharge the Receiver and

the SDR, and terminate this proceeding. This Application does not affect the other companies made the subject of these receivership proceedings, except as described in this Application.

II. AUTHORITY

2. The SDR is authorized to file this Application under Chapter 443 of the Texas Insurance Code (Code)¹. Under § 443.154(a) of the Code, the SDR has all the Receiver's powers, except as limited by the Receiver.

3. The subject matter of this Application is referred to the Master appointed in this proceeding under the Supplemental Order of Reference entered by the Court on November 8, 2006.

III. BACKGROUND

Company History

4. Shelby Casualty is a wholly-owned subsidiary of Vesta Fire Insurance Corporation (Vesta Fire). Shelby Casualty was licensed in Texas and forty other states. Shelby Casualty was writing homeowner, dwelling and personal auto policies at the time it was placed into receivership. In previous years, Shelby Casualty also wrote other commercial lines business and some accidental disability policies.

Initiation of Receivership Proceeding

5. Shelby Casualty was placed into rehabilitation on June 28, 2006, under the Agreed Order Appointing Rehabilitator and Permanent Injunction. Shelby Casualty was placed into liquidation on August 1, 2006, under this Court's Order Appointing Liquidator and Permanent Injunction. (Liquidation Order).

Appointment of Receivers

¹ The Insurer Receivership Act, enacted as Chapter 21A, was codified as Chapter 443 of the Texas Insurance Code effective September 1, 2007. All statutory references are to the Texas Insurance Code, unless otherwise indicated.

6. The Commissioner was appointed Receiver on June 28, 2006, under the Insurer Receivership Act § 21A.151, now § 443.151 of the Code. Commissioner Cassie Brown is currently Receiver of Shelby Casualty and all predecessors have been discharged as Receiver by operation of law.

Appointment of Special Deputy Receiver

7. Prime Tempus, Inc. was appointed Special Deputy Receiver of Shelby Casualty on or about July 11, 2006.

Referral to Master

8. On November 8, 2006, this Court entered a Supplemental Order of Reference to Master and referred this matter to Tom Collins as Master.

Guaranty Associations Triggered

9. The Liquidation Order triggered the guaranty associations in forty-one states in which the company was licensed. The affected guaranty associations became obligated to pay covered policyholder claims of Shelby Casualty in accordance with their governing statutes.

IV. OFFER OF PROOF

10. The SDR offers into evidence the Affidavit of Craig A. Koenig and its supporting exhibits and requests that the Court admit these exhibits into evidence.

V. FINANCIAL STATEMENTS

11. The following financial statements are attached to the Affidavit of Craig A. Koenig:

- The Statement of Net Assets as of July 31, 2023 for the receivership is attached as Exhibit A-1 to the Affidavit of Craig A. Koenig, and incorporated by reference.
- The Statement of Net Liabilities as of July 31, 2023 for the receivership is attached as Exhibit A-2 to the Affidavit of Craig A. Koenig and incorporated by reference.

- The Disposition of Assets Schedule as of July 31, 2023 for the receivership is attached as Exhibit A-3 to the Affidavit of Craig A. Koenig and incorporated by reference.
- The Sources and Uses of Cash Statement, which lists all funds received and disbursed from the date of receivership to July 31, 2023 is attached as Exhibit A-4 to the Affidavit of Craig A. Koenig, and incorporated by reference.

These Exhibits represent the final financial reports for the receivership under § 443.016 of the Code.

Notice

12. On April 3, 2007, this Court entered its Order Approving Notice and Setting Claims Filing Deadline. Under this Order, the SDR provided notice of the claim filing deadline to all persons who may have had claims as shown by Shelby Casualty's books and records. In addition, under this Order, the SDR published notice of the claims filing deadline in newspapers of general circulation in Texas, Alabama, California, West Virginia, Pennsylvania, New Jersey, New York, and nationally in the Wall Street Journal.

Filing of Claims

13. The following proofs of claim (POCs) were filed by the claim-filing deadline:

- (a) 6 secured claims;
- (b) 28 claims by guaranty associations for handling expenses;
- (c) 26 claims by guaranty associations for claim payments;
- (d) 1563 claims by policy claimants;
- (e) 208 claims by general creditors;
- (f) 0 claims for surplus debentures/capital contributions;
- (g) 1 claim of stockholders;
- (h) 1 claim for debts due employees for services rendered; and

- (i) 5 claims by state or local governments.

There were an additional 37 POCs filed after the claim-filing deadline.

Claims Processing

14. All claims representing potentially “covered claims” were referred to the guaranty associations under § 443.253(m) of the Code. All POCs, except the shareholder Class 11 POC against the receivership estate, were adjudicated under § 443.253(b) of the Code with respect to their classification and amount. The period of time allowed by § 443.253(c) of the Code to appeal the SDR’s action on claims has expired, and the SDR’s determination on these claims is final and not subject to review. The POCs were processed as follows:

- (a) The 6 secured claims were approved and paid in the total amount of \$400,675.03.
- (b) The guaranty associations’ Class 1 claims were approved and paid in the amount of \$15,380,331.57.
- (c) The guaranty associations’ Class 2 claims were approved in the amount of \$56,096,566.58 and interim distributions of 12% were paid in the amount of \$6,731,587.98.
- (d) The approved Class 2 claims filed by policy claimants that were not payable by the guaranty associations total \$290,187.07. Prior approved interim distributions on these claims total \$25,369.37.
- (e) The claims of general creditors were approved in the amount of \$951,742.04.
- (f) The claims for state and local governments were approved in the amount of \$1,289.41.
- (g) Late filed proofs of claim were approved in the amount of \$89,351.71.

Claims Report

15. Under §443.258 of the Code, the SDR submitted ten reports of its determination of claims, which were approved by this Court on September 28, 2009, September 3, 2010, February 11, 2011, February 27, 2012, February 10, 2014, April 11, 2016, February 16, 2017, January 25, 2018, May 21, 2018, and March 23, 2020. The SDR submits its final report of claims, which is

attached as Exhibit A-5 to the Affidavit of Craig A. Koenig, and incorporated by reference. This exhibit includes all prior claim approvals and the approval of the previously classified-only shareholder claim. The SDR requests that this order provides that late POCs may no longer be filed, as their filing would prejudice the orderly administration of the liquidation within the meaning of § 443.215(b) of the Code.

Distributions

16. During the course of the receivership, a total of \$19,718,731 in early access payments were distributed to guaranty associations for Classes 1 and 2 under orders issued on September 27, 2007, on September 8, 2008, on September 1, 2009, on September 3, 2010, on September 14, 2011, on September 17, 2012, on September 17, 2013, and on January 25, 2018.

17. During the course of the receivership, the SDR issued a 100% Class 1 distribution and a 12% interim distribution for Class 2 POCs allowed in the liquidation totaling \$22,137,288.92. This figure does not include payments issued during the period of rehabilitation and does not include releases of non-estate assets prior to liquidation. The financial statements for Shelby Casualty will reflect these additional payments. The SDR has paid 100% of the approved Class 1 claims and 12% of the Class 2 claims as defined under § 443.301 of the Code. Guaranty associations were paid net of early access.

VI. EXPENSES

Paid Expenses

18. On August 9, 2007, this Court approved the terms of compensation of the SDR and other contractors under § 443.015 of the Code. The compensation and administrative expenses of the Rehabilitator, Receiver, and SDR have been paid under that order through July 2023.

Closing Expenses

19. The SDR proposes to reserve \$96,196 for the payment of estimated expenses involved in closing the receivership, as reflected on the detailed breakdown of estimated closing expenses, attached as Exhibit A-6 to the Affidavit of Craig A. Koenig, and incorporated by reference. The amounts paid by the SDR to each sub-contractor may vary from the line items set forth on Exhibit A-6 as actual fees and expenses are incurred, but the SDR will seek to accomplish the closing within the closing budget amount, applying savings in connection with one subcontractor to address extra expenses as to a different subcontractor where necessary.

Final Statement of Expenses

20. Under § 443.015 of the Code, the SDR will submit a detailed final statement of the actual expenses incurred when the SDR files the verified application to terminate the estate. If the actual expenses differ from the amount reserved, the excess funds or the shortfall (as applicable) will be handled as described in this Application.

VII. DISTRIBUTION OF ASSETS

Assets Available for Distribution

21. As of July 31, 2023 there was \$67,767,514 in unrestricted cash in the receivership estate's accounts.

22. On March 10, 2023 this Court entered its Order Granting the Special Deputy Receiver's Application to Make an Interim Class 5 Distribution as to Vesta Fire. Shelby Casualty filed two proofs of claim for amounts owed it from Vesta Fire. These proofs of claim were in the amounts of \$805,924.00 and \$82,626,775.45. Under this Court's Order, Shelby Casualty received an 80% distribution on these two claims in the total amount of \$66,746,159.56.

23. After reserving for the remaining administrative expenses through closing as described above and payment of July 2023 administrative expenses, sufficient funds remain to permit a one hundred percent distribution by Shelby Casualty. This Application proposes a distribution of this

cash such that all approved POC holders in Classes 1 through 9 receive one hundred percent of the principal amount of the approved claim, plus interest as discussed below. Following completion of the distribution to allowed claimants in Classes 1 through 10, substantial residual funds will remain in the estate to be distributed to Vesta Fire.

Plan for Payment of Interest

24. Sufficient assets exist for the payment of interest to approved POC claimants above shareholder priority. Section 443.301(j) of the Code provides for priority Class 10 distribution to claimants for interest on allowed claims of Classes 1 through 9 if approved by the Court.

25. The SDR proposes to set the interest rate on allowed POCs at six percent per annum simple interest with interest on the unpaid portion of the allowed claim amount for approved POC holders in Classes 1 through 9, calculated on the unpaid portion of the allowed claim amount for the time from the later of the date of the initial order appointing the Receiver as Liquidator of Shelby Casualty or the date the claim was liquidated through the earlier of the date of distribution or May 31, 2023. The proposed implementation of the plan is as follows:

- (a) The SDR calculates that more than sufficient assets of Shelby Casualty exist to pay interest claims;
- (b) The SDR will retain assets after paying the interest on the claims to provide reserves to facilitate the wind-up of the receivership;
- (c) The SDR will pay interest at 6% simple interest on the principal amount of each claim from the date of the Liquidation Order (or the date the claim was liquidated, if later) through May 31, 2023. If a claim could not be paid in whole or in part due to inability to locate the claimant or to obtain any requested tax reporting information from the claimant, interest would only run to the date that the SDR first paid claims of a similar classification under § 443.301 of the Code;

- (d) The distribution would be made after thirty days have elapsed following the date of the order approving this Application. The SDR projects that sufficient funds exist to permit the full distribution to the approved Class 10 claims;
- (e) The proposed 6% is the legal rate in effect for contract claims which do not specify an interest rate;
- (f) No interest payments shall be made to guaranty associations or to secured claimants.

Eligible Claimants

26. There are sufficient assets to pay all allowed claims in all classes of claims in full. Attached as Exhibit A-7 to the Affidavit of Craig A. Koenig, and incorporated by reference, is a Distribution Schedule listing all claimants to whom a distribution will be made. This exhibit identifies each claimant's name as shown on the POC (individuals names have been removed for their privacy), the amount approved by the SDR, the calculated interest approved, and the projected distribution.

Distribution Process

27. The Distribution Notice attached as Exhibit A-8 to the Affidavit of Craig A. Koenig (Distribution Notice), and incorporated by reference, will be mailed to claimants with allowed claims, advising them of the proposed distribution. The Distribution Notice will be mailed to the address provided by the claimant in the POC, or any subsequent address provided by the claimant. After the Court approves this Application, distributions will be made by wire transfer, if feasible, or by mailing a check by first class mail to the address provided by the claimant. In the event that a Distribution Notice is returned by the Post Office with an address correction, the SDR will send the distribution check to the corrected address.

Distributions on *De Minimis* Claims

28. Section 443.253(h) of the Code provides for the disallowance of claims for de minimis amounts, as determined by this Court. The SDR proposes to establish a distribution threshold of \$20, which is reasonable and necessary for administrative convenience. The SDR requests that this Court find that any distribution under the proposed threshold be considered de minimis, and authorize the SDR to withhold the amount of any such distribution. Any such amounts that are withheld will be treated as general assets.

Residual Funds

29. The SDR requests permission, after distribution of the funds to Class 1 through 10 allowed claimants, that the residual funds after payment of expenses be distributed to Vesta Fire. Further, the Court is requested to order that Vesta Fire, as shareholder, will bear any actual administrative expenses in excess of the estimated expenses.

VIII. UNCLAIMED FUNDS

Unclaimed Distributions

30. The SDR will maintain the receivership's distribution account for a period not less than 90 days after distributions are issued, which will provide a reasonable amount of time for claimants to receive and deposit their checks. The SDR will deliver any funds which are unclaimed as of the closing of the account to the Commissioner as required by § 443.304(a) of the Code to be placed in a segregated unclaimed funds account.

31. The SDR anticipates that several addresses provided by the claimants may no longer be current. In the event that a Distribution Notice is mailed to an address and returned as undeliverable, the SDR requests that this Court order that any distribution due to a claimant whose notice is returned as non-deliverable be treated as unclaimed without the need for the estate to incur the expense of mailing an undeliverable check. The SDR proposes that all distributions to

such claimants be withheld from the mailing of the final distribution and be delivered to the Commissioner on closing of the account as described in this Application. In addition, to the extent that a claimant fails to return any requested tax reporting information to the SDR as requested, the SDR seeks approval to treat those funds attributable to interest as unclaimed property. The Court is requested to authorize the SDR the power, but not the duty, to use service providers, in its discretion, to locate allowed claimant addresses.

IX. ASSIGNMENTS AND TRANSFERS

Assignment of Non-Cash Assets

32. Section 443.154 of the Code authorizes the SDR to transfer, abandon, or otherwise dispose of or deal with any property of the insurer on terms and conditions that are fair and reasonable. Further, § 443.352 of the Code permits the Court to enter any orders in connection with an application to terminate a receivership proceeding. As mentioned above, Shelby Casualty has two allowed inter-company proofs of claim against Vesta Fire totaling \$83,432,699.45, as to which an 80% distribution has already been made by Vesta Fire. The SDR proposes to transfer to Vesta Fire any and all remaining assets of Shelby Casualty, including but not limited to assets and rights not known at the time of the termination of this proceeding, as well as the above-described Shelby Casualty's net remaining amount of its approved POCs against Vesta Fire. A copy of the proposed assignment and list of the known unliquidated assets assigned to Vesta Fire is attached as Exhibit A-9, and incorporated by reference.

X. RECORDS

Disposal of Records

33. This Court has previously granted four applications to destroy non-essential records, which were no longer required for the administration of this receivership. The SDR proposes to transfer any remaining records of Shelby Casualty to Vesta Fire, except such records that the

Commissioner may notify the SDR that the Commissioner seeks to retain after the termination of this proceeding. On Vesta Fire's closing, a further order regarding records destruction is likely. The SDR requests authority to dispose of such records under § 443.354(a) of the Code.

Records Transferred to Commissioner

34. Records that may be required by the Commissioner after the termination of this proceeding will be delivered to the Commissioner under § 443.354(b) of the Code and maintained in compliance with the Receiver's records retention policy for receivership records. The SDR requests that the Court authorize the Commissioner to retain or dispose of these records at the Commissioner's discretion.

XI. TAX RETURNS

35. Shelby Casualty is a wholly-owned subsidiary of Vesta Fire and is included in Vesta Fire's consolidated income tax returns through December 31, 2021. All 2022 and 2023 activity for Shelby Casualty will be included in the appropriate Vesta Fire tax returns.

XII. CERTIFICATION OF CLOSING ACTIVITIES

36. Before or when the SDR files an application to terminate the estate and be discharged, the SDR will file evidence for the filing of the final tax return and a copy of the release from the federal government, together with the final accounting of all funds in the estate. The SDR entered into an agreement with the United States Department of Justice which has the effect of releasing certain potential super-priority claims of the United States.

XIII. CHARTER AND LICENSES

37. The SDR has determined that a sale of the charter and licenses of Shelby Casualty is not feasible. The SDR will request that this Court dissolve the charter under § 443.153(e) of the Code on the termination of this proceeding.

XIV. NOTICE

Notice of Application

38. Under § 443.007(d) of the Code and the Supplemental Order of Reference, the SDR served this Application at least 14 days before the submission date of this Application on (i) parties that filed an appearance in this proceeding and (ii) other parties as determined by the SDR as shown on the Certificate of Service.

Distribution Notices

39. The Distribution Notice attached as Exhibit A-8 to the Affidavit of Craig A. Koenig will be mailed to the claimants with allowed claims at least 14 days before the submission date of the Application.

REQUEST FOR RELIEF

WHEREFORE, the SDR respectfully requests that this Court enter an Order:

1. Accepting the final financial statements;
2. Approving in all respects this Final Report of Claims and Application to Make Final Distribution, and admitting the exhibits into evidence;
3. Approving the estimated expenses through the closing of the receivership under § 443.015 of the Code and providing that Vesta Fire Insurance Corporation shall be responsible for any expenses in excess of the estimate;
4. Authorizing the SDR to distribute the cash assets of the receivership as described in the Application and authorizing the SDR to determine that any distribution under \$20 be disallowed as de minimus;
5. Approving the plan for Class 10 interest distributions, and for a Class 11 distribution of the assets after payment of all claims in Classes 1 through 10;

6. Authorizing the SDR to transfer to Vesta Fire any residual assets remaining after all distributions are made, including, without limitation, Shelby Casualty's allowed POCs against Vesta Fire, and approving the assignment of such assets to Vesta Fire;
 7. Authorizing the SDR to deliver all unclaimed funds to the Commissioner, and finding that any distribution, in whole or in part, to a claimant for whom the Distribution Notice was returned as undeliverable or the interest portion of a distribution to a claimant that failed to return the requested tax information may be deemed as unclaimed for purposes of § 443.304 of the Code;
 8. Determining that no further late claims can be accepted, because such claims would prejudice the orderly administration of the estate under § 443.251(b) of the Code;
 9. Approving the closing budget;
 10. Approving the handling of records described in the Application;
 11. Approving use of a letter substantially similar to Exhibit A-8 to notify claimants;
 12. Admitting Exhibits A-1 through A-9 into evidence;
- and granting such further relief to which the SDR or Receiver may be entitled.

Re: *The Texas Department of Insurance and the State of Texas v. Vesta Fire Insurance Corporation, Shelby Casualty Insurance Company, The Shelby Insurance Company, Texas Select Lloyds Insurance Company and Select Insurance Services, Inc.*; Cause No. D-1-GN-06-002366, In the 126th Judicial District Court, Travis County, Texas

Dear Claimant:

Prime Tempus, Inc. is the Special Deputy Receiver (SDR) of the Shelby Casualty Insurance Company (SC). You previously filed proof(s) of claim in this receivership. You received communications in the past in which you were previously advised of the allowance, in whole or in part, of these claims. The SDR has determined that there are assets available in this receivership estate to issue additional distributions and potential interest payments on allowed claims. The SDR is required to request authority to issue such payments through an Application filed in the receivership court.

Please be advised that on DATE Prime Tempus, Inc. as SDR, filed its *Final Report of Claims and Application to Make Final Distribution for Shelby Casualty Insurance Company*. You may review the Application by going to the SDR's website <http://sdrtx.com> and clicking on Companies In Receivership-Vesta Fire Insurance Corporation-Legal Documents. If this Application is approved by the receivership court and you have timely completed the required actions, we anticipate that a check or wire transfer will be issued to you for the approved distribution amount and the interest earned on your claim. See below for a listing of proofs of claim, with projected distribution and interest amounts.

In order to participate in this potential interest distribution, the Application requires that each claimant provide a completed, current IRS W-9 form. On the back of this letter, we have included a blank form and a return stamped and addressed envelope. If you wish to type up your form you may find the IRS form at the following website: <https://www.irs.gov/forms-pubs/about-form-w9>. Nothing in this letter alters the original determination of claims. The original determination as approved by the Court shall be used if in conflict with the listing below.

The W-9 form must be received prior to any interest distribution to you. If you fail to return the W-9 your interest payment will be declared unclaimed and remitted to the Texas Department of Insurance upon discharge of the SDR.

Please contact our office by telephone or email at rwalthaide@primetempus.com should you have any questions.

**ORDER APPROVING FINAL REPORT OF CLAIMS AND GRANTING
APPLICATION TO MAKE FINAL DISTRIBUTION FOR SHELBY CASUALTY
INSURANCE COMPANY**

On this date, the Court considered the *Final Report of Claims and Application to Make Final Distribution for Shelby Casualty Insurance Company* (Application) filed by Prime Tempus, Inc., Special Deputy Receiver (SDR) of Shelby Casualty Insurance Company (Shelby Casualty).

The Application was submitted to the Special Master appointed in this cause (Master) under the Supplemental Order of Reference to Master entered on November 8, 2006 (Order of Reference), which provides that motions filed under Texas Insurance Code §§ 443.258 and 443.352 are referred to the Master. The Master issued a report under Rule 171 of the Texas Rules of Civil Procedure, finding and recommending as follows:

1. Notice of the Application was provided under Texas Insurance Code § 443.007(d);
2. No objections to the Application were filed;
3. The Court has jurisdiction over the Application and the parties; and
4. The Application should be granted in all respects.

Having considered the pleadings, the evidence submitted, and the recommendation of the Master, the Court accepts the Master's report, and grants the Application.

IT IS, THEREFORE, ORDERED, ADJUDGED AND DECREED as follows:

1. The Application is GRANTED in all respects, including but not limited to the closing budget, the interest rate plan proposed by the SDR, the distribution of assets to claimants and to Vesta Fire Insurance Corporation, the transfer of non-cash assets to Vesta Fire Insurance Corporation, the disallowance as *de minimus* of claims for less than \$20, and the handling of the remaining balance of Shelby Casualty's approved proof of claim against Vesta Fire Insurance Corporation. The Court admits into evidence the Affidavit of Craig A. Koenig and Exhibits A-1 through A-9 to that Affidavit;

2. The final financial statements are approved;

3. The estimated administrative expenses through the closing of the receivership under Texas Insurance Code § 443.015 are approved, including but not limited to the potential deduction of additional expenses from the distribution to Vesta Fire Insurance Corporation;

4. The SDR is authorized to take the steps and incur the reasonable expenses to distribute the cash assets of the receivership and the non-cash assets of the receivership as described in the Application;

5. The SDR may transfer to Vesta Fire Insurance Corporation all residual assets remaining after all distributions are made (including but not limited to Shelby Casualty's net remaining claim on its approved proof of claim against Vesta Fire) other than any funds required for closing expenses. The SDR may assign any future recoveries as to such assets to Vesta Fire Insurance Corporation;

6. The SDR is authorized to deliver all unclaimed funds to the Commissioner, and the Court finds that any distribution to a claimant for whom the Distribution Notice was returned as undeliverable, or for whom a W-9 was requested but not returned, will be deemed as unclaimed

for purposes of Texas Insurance Code § 443.304. The Court approves the use of a letter substantially similar to Exhibit A-8 to notify claimants;

7. The SDR is authorized to execute any documents for tax filings in connection with Shelby Casualty that the SDR deems necessary or appropriate;

8. The SDR's report of claims under Texas Insurance Code § 443.258 is approved. No further late claims shall be accepted because those late claims would prejudice the administration of the estate;

9. The SDR is authorized to deliver all records received or created during receivership to the SDR of Vesta Fire Insurance Corporation or to the Commissioner and to dispose of any records or copies of such records as are not needed by the Commissioner or the SDR of Vesta Fire Insurance Corporation;

10. This order constitutes a final judgment fully resolving all issues relating to the Application.

SIGNED: _____, 2023.
