Introduction

Why did TDI do this report?

Insurance Code 2703.153 requires TDI to annually collect information from title agents and title companies to fix premium rates. This report fulfills that requirement.

Under Insurance Code 2703.153, the Texas Department of Insurance's Property and Casualty Data Services Team annually collects information from title agents and underwriters doing business in Texas. TDI asks agents and companies to report their income, expenses, and losses. TDI publishes these reports in the Texas Title Insurance Agent Experience Report Compilation and the Texas Title Insurance Industry Experience Report Compilation. The following report includes a compilation of information from the Texas title insurance agents' data call.

Copies of both title reports are available from the TDI web page at www.tdi.texas.gov/reports/report8.html. Complete company reports and agent reports may be requested from the Property and Casualty Data Services Team at 512-676-6690.
