

Subchapter E. Texas Windstorm Insurance Association
28 TAC §§5.4011, 5.4012, 5.4013, 5.4601, 5.4603, 5.4622, and 5.4642

TEXT.

§5.4011. Applicable Building Code Standards in Designated Catastrophe Areas for Structures Constructed, Repaired, or to Which Additions Are Made On and After January 1, 2008, and before September [April] 1, 2020.

(a) To be eligible for catastrophe property insurance, structures located in the designated catastrophe areas specified in §5.4008 of this title (relating to Applicable Building Code Standards in Designated Catastrophe Areas for Structures Constructed, Repaired or to Which Additions Are Made On and After September 1, 1998, and before February 1, 2003) and which are constructed, repaired, or to which additions are made on and after January 1, 2008, and before September [April] 1, 2020, must comply with the 2006 Editions of the International Residential Code and the International Building Code, as each is revised by the 2006 Texas Revisions, and all of which are adopted by reference to be effective January 1, 2008. The codes are published by and available from the International Code Council at iccsafe.org or by calling toll-free 1-888-422-7233, and the 2006 Texas Revisions to the 2006 Edition of the International Residential Code are available from the Windstorm Inspections Program of the Inspections Office at TDI and on the TDI website at www.tdi.texas.gov. [~~The codes are published by and available from the International Code Council, Publications, 4051 West Flossmoor Road, Country Club Hills, Illinois, 60478-5795, (Telephone: 888-422-7233), and the 2006 Texas Revisions to the 2006 Edition of the International Residential Code and the 2006 Texas Revisions to the 2006 Edition of the International Building Code are available from the Windstorm Inspections Section of the Inspections Division, Texas Department of Insurance, 333 Guadalupe, P.O. Box 149104, MC 104-INS, Austin, Texas, 78714-9104 and on the Texas~~

~~Department of Insurance website at www.tdi.texas.gov.~~ The following wind speed requirements must apply.^[:]

(1) Areas seaward of the intracoastal canal. To be eligible for catastrophe property insurance, structures located in designated catastrophe areas which are seaward of the intracoastal canal and constructed, repaired, or to which additions are made on and ~~[or]~~ after January 1, 2008, and before September ~~[April]~~ 1, 2020, must be designed and constructed to resist a 3-second gust of 130 miles per hour.

(2) Areas inland of the intracoastal canal and within approximately 25 miles of the Texas coastline and east of the specified boundary line and certain areas in Harris County. To be eligible for catastrophe property insurance, structures located in designated catastrophe areas specified in §5.4008(b)(2)(A) and (B) of this title ~~[(relating to Applicable Building Code Standards in Designated Catastrophe Areas for Structures Constructed, Repaired or to Which Additions Are Made On and After September 1, 1998, and before February 1, 2003)]~~ and constructed, repaired, or to which additions are made on and ~~[or]~~ after January 1, 2008, and before September ~~[April]~~ 1, 2020, must be designed and constructed to resist a 3-second gust of 120 miles per hour.

(3) Areas inland and west of the specified boundary line. To be eligible for catastrophe property insurance, structures located in designated catastrophe areas specified in §5.4008(c) of this title ~~[(relating to Applicable Building Code Standards in Designated Catastrophe Areas for Structures Constructed, Repaired or to Which Additions Are Made On and After September 1, 1998, and before February 1, 2003)]~~ and constructed, repaired, or to which additions are made on and ~~[or]~~ after January 1, 2008, and before September ~~[April]~~ 1, 2020, must be designed and constructed to resist a 3-second gust of 110 miles per hour.

(b) Repairs, alterations, and additions necessary for the preservation, restoration, rehabilitation, or continued use of a historic structure may be made without conformance

to the requirements of subsection (a) of this section. ~~For [in order for]~~ a historic structure to be exempted, at least one of the following conditions must be met.[:]

(1) The structure is listed or is eligible for listing on the National Register of Historic places.

(2) The structure is a Recorded Texas Historic Landmark (RTHL).

(3) The structure has been specifically designated by official action of a legally constituted municipal or county authority as having special historical or architectural significance, is at least 50 years old, and is subject to the municipal or county requirements relative to construction, alteration, or repair of the structure, in order to maintain its historical designation.

§5.4012. Applicable Building Code Standards in Designated Catastrophe Areas for Structures Constructed, Repaired, or to Which Additions Are Made on and After September ~~or after April~~ 1, 2020, and Before March 1, 2026.

(a) To be eligible for catastrophe property insurance, structures located in the designated catastrophe areas specified in paragraphs (1), (2), and (3) of this subsection that are constructed, repaired, or to which additions are made on and ~~or~~ after September ~~April~~ 1, 2020, and before March 1, 2026, must comply with the 2018 editions of the *International Residential Code* and the *International Building Code*, which are adopted by reference and applicable beginning September ~~April~~ 1, 2020. The codes are published by and available from the International Code Council at iccsafe.org or by calling toll-free 1-888-422-7233. The designated catastrophe areas are:

(1) areas ~~Areas~~ seaward of the intracoastal canal;

(2) areas ~~Areas~~ inland of the intracoastal canal and within approximately 25 miles of the Texas coastline and east of the specified boundary line and certain areas in Harris County as described in §5.4008(b)(2)(A) and (B) of this title (relating to Applicable

Building Code Standards in Designated Catastrophe Areas for Structures Constructed, Repaired or to Which Additions Are Made On and After September 1, 1998, and before February 1, 2003); and

(3) areas [~~Areas~~] inland and west of the specified boundary line as described in §5.4008(c) of this title.

(b) Repairs, alterations, and additions necessary for the preservation, restoration, rehabilitation, or continued use of a historic structure may be made without conformance to the requirements of subsection (a) of this section. For a historic structure to be exempted, at least one of the following conditions must apply to the structure.[:]

(1) The structure is listed or is eligible for listing on the National Register of Historic Places.

(2) The structure is a Recorded Texas Historic Landmark by the Texas Historical Commission.

(3) The structure has been designated by official action of a legally constituted municipal or county authority as having special historical or architectural significance, is at least 50 years old, and is subject to the municipal or county requirements relative to construction, alteration, or repair of the structure to maintain its historical designation.

§5.4013. Applicable Building Code Standards in Designated Catastrophe Areas for Structures Constructed, Repaired, or to Which Additions Are Made on and After March 1, 2026.

(a) To be eligible for catastrophe property insurance, structures located in the designated catastrophe areas specified in paragraphs (1), (2), and (3) of this subsection that are constructed, repaired, or to which additions are made on and after March 1, 2026, must comply with the 2024 editions of the *International Residential Code* and the

International Building Code, which are adopted by reference and applicable beginning March 1, 2026. The codes are published by and available from the International Code Council at iccsafe.org or by calling toll-free 1-888-422-7233. The designated catastrophe areas are:

(1) areas seaward of the intracoastal canal;

(2) areas inland of the intracoastal canal and within approximately 25 miles of the Texas coastline and east of the specified boundary line and certain areas in Harris County as described in §5.4008(b)(2)(A) and (B) (relating to Applicable Building Code Standards in Designated Catastrophe Areas for Structures Constructed, Repaired or to Which Additions Are Made On and After September 1, 1998, and before February 1, 2003) of this title; and

(3) areas inland and west of the specified boundary line as described in §5.4008(c) of this title.

(b) Repairs, alterations, and additions necessary for the preservation, restoration, rehabilitation, or continued use of a historic structure may be made without conformance to the requirements of subsection (a) of this section. For a historic structure to be exempted, at least one of the following conditions must apply to the structure.

(1) The structure is listed or is eligible for listing on the National Register of Historic Places.

(2) The structure is a Recorded Texas Historic Landmark by the Texas Historical Commission.

(3) The structure has been designated by official action of a legally constituted municipal or county authority as having special historical or architectural significance, is at least 50 years old, and is subject to the municipal or county requirements relative to construction, alteration, or repair of the structure to maintain its historical designation.

§5.4601. Definitions.

The following definitions apply to this subchapter:

(1) Applicant--A person who submits a new or renewal application for appointment as an appointed qualified inspector.

(2) Appointed qualified inspector--An engineer licensed by the Texas Board of Professional Engineers and appointed by TDI as a qualified inspector under Insurance Code §2210.254(a)(2), concerning Qualified Inspectors.

(3) Appointed qualified inspector number--A number TDI assigns to each appointed qualified inspector.

(4) Constructed or construction--The act of building or erecting a structure or repairing (including reroofing), altering, remodeling, or enlarging an existing structure.

(5) Completed improvement--

(A) An improvement in which the original transfer of title from the builder to the initial owner of the improvement has occurred; or

(B) if a transfer under subparagraph (A) of this paragraph is not contemplated, an improvement that is substantially completed.

(6) Improvement--The construction of or repair (including reroofing), alteration, remodeling, or enlargement of a structure to which the plan of operation applies.

(7) Ongoing improvement--

(A) An improvement in which the original transfer of title from the builder to the initial owner of the improvement has not occurred; or

(B) if a transfer under subparagraph (A) of this paragraph is not contemplated, an improvement that is not substantially completed.

(8) Substantially completed--An improvement for which the final framing stage, including attachment of component and cladding items and installation of windborne

debris protection, has been completed. If the improvement's windborne debris protection consists of wood structural panels, all the panels must be present at the improvement's location but need not be installed.

(9) TDI inspector--A qualified inspector authorized under Insurance Code §2210.254(a)(1) and employed by TDI.

(10) TDI--The Texas Department of Insurance.

(11) Texas Board of Professional Engineers and Land Surveyors, Texas Board of Professional Engineers, or TBPE--House Bill 1523, 86th Legislature, [~~Regular Session,~~] 2019, abolished the Texas Board of Professional Land Surveying and transferred its functions to the renamed Texas Board of Professional Engineers and Land Surveyors, effective September 1, 2019. All references to the Texas Board of Professional Engineers or the TBPE in this division are references to the Texas Board of Professional Engineers and Land Surveyors.

(12) Association--The Texas Windstorm Insurance Association.

(13) Windstorm building code standards--The requirements for building construction in §§5.4007 - 5.4013 [~~5.4012~~] of this title (relating to Applicable Building Code Standards in Designated Catastrophe Areas for Structures Constructed, Repaired or to Which Additions Are Made Prior to September 1, 1998; Applicable Building Code Standards in Designated Catastrophe Areas for Structures Constructed, Repaired or to Which Additions Are Made On and After September 1, 1998, and before February 1, 2003; Applicable Building Code Standards in Designated Catastrophe Areas for Structures Constructed, Repaired or to Which Additions Are Made On and After February 1, 2003 and before January 1, 2005; Applicable Building Code Standards in Designated Catastrophe Areas for Structures Constructed, Repaired or to Which Additions Are Made On and After January 1, 2005, and before January 1, 2008; Applicable Building Code Standards in Designated Catastrophe Areas for Structures Constructed, Repaired or to

Which Additions Are Made On and After January 1, 2008, and before September [~~April~~] 1, 2020; [~~and~~] Applicable Building Code Standards in Designated Catastrophe Areas for Structures Constructed, Repaired, or to Which Additions Are Made on and After September [~~or after April~~] 1, 2020, and Before March 1, 2026; and Applicable Building Code Standards in Designated Catastrophe Areas for Structures Constructed, Repaired, or to Which Additions Are Made on and After March 1, 2026; respectively).

§5.4603. Windstorm Inspection Forms.

(a) TDI adopts the following forms by reference and will make them available on its website.

(1) Application for Certificate of Compliance, Form WPI-1, effective April 2024, for ongoing improvements. Information requested by Form WPI-1 can be found in §5.4621(1) of this title, relating to Certification of Ongoing Improvements Inspected by Appointed Qualified Inspectors.

(2) [~~(a) Inspection Verification, Form WPI-2-BC-6. TDI adopts by reference the~~] Inspection Verification, Form WPI-2-BC-6, effective April 2021, [~~January 1, 2017;~~] for use in windstorm inspection[;] for structures constructed, repaired, or to which additions are made on and after January 1, 2008, and before September [~~April~~] 1, 2020. Information requested by Form WPI-2-BC-6 can be found in §5.4621(4) of this title.

(3) Inspection Verification, Form WPI-2-BC-7, effective January 2026, for use in windstorm inspection for structures constructed, repaired, or to which additions are made on and after September 1, 2020, and before March 1, 2026. Information requested by Form WPI-2-BC-7 can be found in §5.4621(4) of this title.

(4) Inspection Verification, Form WPI-2-BC-8, effective January 2026, for use in windstorm inspection for structures constructed, repaired, or to which additions are

made on and after March 1, 2026. Information requested by Form WPI-2-BC-8 can be found in §5.4621(4) of this title.

(5) Application for Certificate of Compliance for Completed Improvement, Form WPI-2E, effective January 2026. Information requested by Form WPI-2E can be found in §5.4604(a) and (b) of this title, relating to Certification Form for Completed Improvement.

~~[(b) Application, inspection, and renewal forms. TDI will make available the following forms on its website:]~~

(6) [(4)] Application for Appointment as a Qualified Inspector, Form AQI-1, effective January 2024 [January 1, 2017]. Information requested by Form AQI-1 can be found in §5.4609(b) of this title, relating to Application for Qualified Inspector Appointment.[:]

(7) [(2)] Application Renewal [Application] for Appointment as a Qualified Inspector, Form AQI-R, effective June 2025. Information requested by Form AQI-R can be found in §5.4610(b)(1) of this title, relating to Renewal of Qualified Inspector Appointment. [January 1, 2017;]

~~[(3) Application for Certificate of Compliance for Ongoing Improvement], Form WPI-1, January 1, 2017;]~~

~~[(4) Certification Form for Completed Improvement, Form WPI-2E, effective June 1, 2020; and]~~

~~[(5) Inspection Verification, Form WPI-2, effective April 1, 2020, for structures constructed, repaired, or to which additions are made on and after April 1, 2020.]~~

(b) [(c)] TDI inspection and certification forms. When appropriate, TDI will issue the following forms:

(1) Field Form, Form WPI-7_i[-effective April 1, 2020; and]

(2) Certificate of Compliance for Ongoing Improvement, Form WPI-8[; ~~effective January 1, 2017~~]; and

(3) Certificate of Compliance for Completed Improvement (Engineered), Form WPI-8E.

(c) The information required by the forms listed in subsection (a)(1) - (6) of this section must be submitted to TDI electronically using the Windstorm system, which is available on the TDI website. TDI will accept a completed Form WPI-1 or WPI-2 emailed to windstorm@tdi.texas.gov only when the Windstorm system is nonfunctional.

(d) In this subchapter, the first four alphanumeric characters in the designation of a form listed in this section, such as "WPI-2," refer to all forms with that prefix unless otherwise specified by all the characters in the designation.

§5.4622. Inspection Verification.

In submitting an Inspection Verification, Form WPI-2, [~~or a Form WPI-2-BC-6,~~] an appointed qualified inspector verifies that:

(1) the ongoing improvement:

(A) complies with the wind load requirements of the applicable building code; or

(B) conforms to a design of the ongoing improvement that complies with the wind load requirements of the applicable building code under the plan of operation and that has a seal affixed by a professional engineer licensed by the Texas Board of Professional Engineers and Land Surveyors; or

(C) does not comply with the wind load requirements of the applicable building code; and

(2) if the ongoing improvement meets the requirements of paragraph (1)(A) or (B) of this section, the appointed qualified inspector is able to provide TDI with information and evidence substantiating compliance.

§5.4642. Disciplinary Action.

(a) Revocation or denial of appointment. After notice and opportunity for hearing, the commissioner [~~Commissioner~~] may revoke an appointed qualified inspector's appointment or deny an appointed qualified inspector's application for appointment if:

(1) the applicant or appointed qualified inspector violates or fails to comply with the Insurance Code or any rule in this chapter;

(2) the applicant has made a material misrepresentation in the appointment application;

(3) the applicant has attempted to obtain an appointment by fraud or misrepresentation; or

(4) the applicant or appointed qualified inspector has made a material misrepresentation in any form, report, or other information required to be submitted to TDI, including an Application for Certificate of Compliance for Ongoing Improvement, Form WPI-1; a construction inspection report; an Inspection Verification, Form WPI-2; [~~an Inspection Verification, Form WPI-2-BC-6;~~] or a Certification Form for Completed Improvement, Form WPI-2E.

(b) Cease and desist order. The commissioner [~~Commissioner~~], ex parte, may enter an emergency cease and desist order under Insurance Code Chapter 83, concerning Emergency Cease and Desist Orders, against an appointed qualified inspector, or a person acting as an appointed qualified inspector, if:

(1) the commissioner [~~Commissioner~~] believes that:

(A) the appointed qualified inspector has:

(i) failed to demonstrate, through submitting or failing to submit to TDI, substantiating information as described in §5.4626 of this title (relating to Substantiating Information), that an ongoing improvement or a portion of an ongoing improvement subject to inspection meets the requirements of Insurance Code Chapter 2210, concerning Texas Windstorm Insurance Association, and TDI rules; or

(ii) refused to comply with requirements imposed under this chapter or TDI rules; or

(B) a person acting as an appointed qualified inspector is acting without appointment under Insurance Code §2210.254, concerning Qualified Inspectors, or §2210.2551, concerning Enforcement Authority; Rules [§2210.255]; and

(2) the commissioner [~~Commissioner~~] determines that the conduct described by paragraph (1) of this subsection is fraudulent, hazardous, or creates an immediate danger to the public.

(c) Alternative sanctions. Under Insurance Code §2210.2551(b) and §2210.256(b), concerning Disciplinary Proceedings Regarding Appointed Inspectors and Certain Other Persons, the commissioner [~~Commissioner~~], instead of revocation or denial, may impose one or more of the following sanctions if the commissioner [~~Commissioner~~] determines from the facts that the alternative sanction would be fair, reasonable, or equitable:

(1) suspension of the appointment for a specific period, not to exceed one year; or

(2) issuance of an order directing the appointed qualified inspector to cease and desist from the specified activity or failure to act determined to be in violation of Insurance Code Chapter 2210, Subchapter F, concerning Property Inspections for Windstorm and Hail Insurance, or rules of the commissioner [~~Commissioner~~] adopted under Insurance Code Chapter 2210, Subchapter F.

(d) Failure to comply with order. Under Insurance Code §2210.2551(b) and §2210.256(d), if the commissioner [~~Commissioner~~] finds, after notice and a hearing, that an appointed qualified inspector has failed to comply with an order issued under subsections (a), (b), or (c) of this section, the commissioner [~~Commissioner~~] will, unless the commissioner's [~~Commissioner's~~] order is lawfully stayed, revoke the appointed qualified inspector's appointment.

(e) Informal disposition. The commissioner [~~Commissioner~~] may informally dispose of any matter under this section or under §5.4612 of this title (relating to Appointment as Qualified Inspector) by consent order or default.

(f) Automatic cancellation. If the Texas Board of Professional Engineers and Land Surveyors revokes or suspends an engineer's license, the engineer's appointment as an appointed qualified inspector is automatically canceled.

(g) Reasonable penalty. If TDI finds that a person acting as an appointed qualified inspector under Insurance Code §2210.254 has failed to provide complete and accurate information regarding an inspection for a certificate of compliance under Insurance Code §2210.2515, concerning Issuance of Certificates of Compliance, then TDI may impose a reasonable penalty on the inspector, including prohibiting the inspector from applying for certificates of compliance under Insurance Code §2210.2515.
