

Biography

Michael S. Sheppard, D.C.

Dr. Michael Sheppard has been in active practice since 2000. He currently practices at Moody Health Center at Texas Chiropractic College in Pasadena, Texas where he also serves as the External Programs Director and teaches the Practice Ready Curriculum. In addition to his full-time practice and teaching duties, he serves as a member of the Curriculum Committee and is the Lead Academic Chair for Texas Chiropractic College. He is a panelist and reviewer for the Council on Chiropractic Guidelines & Practice Parameters (CCGPP).

Dr. Sheppard has been a Designated Doctor since 2004 and is a current member of the Division of Workers' Compensation Medical Quality Review Panel. His experience also includes impairment reviews across multiple jurisdictions utilizing the 3rd, 4th, 5th, and 6th edition of the AMA Guides. He provides lectures to medical and legal audiences and stakeholders on impairment ratings and evidence-based treatment guidelines.
