RE: New DWC Form-033, *Request to Reduce Income Benefits Due to Contribution*

The Texas Department of Insurance, Division of Workers' Compensation (DWC) has adopted a new form: DWC Form-033, *Request to Reduce Income Benefits Due to Contribution* (DWC Form-033), effective immediately. We posted the draft DWC Form-033 online for a two-week period from April 19 to May 3.

The adoption of this form is necessary to allow insurance carriers a way to reduce the amount of income benefits they pay to an injured employee if there was a past work-related injury to the same body part or parts

Insurance carriers are to use the adopted form on or after June 13, 2022. The form is on the [TDI website](#).
