RE: DWC Finalizes the *Return-to-Work Plan-Based Audit*

On April 13, 2022, the Texas Department of Insurance, Division of Workers' Compensation (DWC) solicited and received constructive input from workers' compensation system participants on the proposed *Return-to-Work (RTW) Plan-Based Audit* (Plan-Based Audit).

DWC appreciates the input provided by system participants. All comments were carefully considered and discussed. The Plan-Based Audit was approved.

All medical quality reviews initiated on or after January 1, 2022, will follow the approved Medical Quality Review Process (Process) in effect. The Process and Plan-Based Audit are posted on the TDI website at www.tdi.texas.gov/wc/hcprovider/medadvisor.html.
