of the
Texas Commissioner of Workers' Compensation**

Date: 7/9/2021

Imperium Insurance Company

Consent Order
DWC Enforcement File No. 22831

General remarks and official action taken:

This is a consent order with Imperium Insurance Company (Imperium Insurance). The commissioner of the Texas Department of Insurance, Division of Workers' Compensation (DWC) considers whether DWC should take disciplinary action against Imperium Insurance.

Waiver

Imperium Insurance acknowledges that the Texas Labor Code and other applicable laws provide certain rights. Imperium Insurance waives all of these rights, and any other procedural rights that apply, in consideration of the entry of this consent order.

Findings of Fact

1. Imperium Insurance holds a certificate of authority issued by the Texas Department of Insurance to transact the business of insurance pursuant to TEX. INS. CODE §§ 801.051-801.053 and is licensed to write multiple lines of insurance in Texas, including workers' compensation/employers' liability insurance.

2. Imperium Insurance was not selected to be tiered in the 2007, 2009, 2010, 2012, 2014, 2016, or 2018 Performance Based Oversight (PBO) assessments.

Failure to Pay Temporary Income Benefits in Accordance with a Designated Doctor Report

3. On [REDACTED] Imperium Insurance received a report from a designated doctor (DD) in connection with a DD examination.
4. The DD determined that the injured employee's disability from [REDACTED] to [REDACTED] was the direct result of a compensable injury. The DD further opined that the injured employee should not be on full duty from [REDACTED] to [REDACTED] and placed on restricted duties from [REDACTED] going forward.
5. The DD determined that the injured employee was unable to work in any capacity from [REDACTED] to [REDACTED] because of a compensable injury.
6. Imperium Insurance was required to pay accrued temporary income benefits (TIBs) no later than five days after receiving the DD's report. The deadline to pay TIBs was [REDACTED].
7. Imperium Insurance issued payment of TIBs on [REDACTED] which was 23 days late.

Assessment of Sanction

1. Failure to provide income benefits in a timely and cost-effective manner is harmful to injured employees and the Texas workers' compensation system.
2. In assessing the sanction for this case, DWC fully considered the following factors in TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e):
 - the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act;
 - the history and extent of previous administrative violations;
 - the violator's demonstration of good faith, including actions it took to rectify the consequences of the prohibited act;
 - the penalty necessary to deter future violations;

- whether the administrative violation had a negative impact on the delivery of benefits to an injured employee;
 - the history of compliance with electronic data interchange requirements;
 - to the extent reasonable, the economic benefit resulting from the prohibited act; and
 - other matters that justice may require, including, but not limited to:
 - PBO assessments;
 - prompt and earnest actions to prevent future violations;
 - self-report of the violation;
 - the size of the company or practice;
 - the effect of a sanction on the availability of health care; and
 - evidence of heightened awareness of the legal duty to comply with the Texas Workers' Compensation Act and DWC rules.
3. DWC found the following factors in TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e) to be aggravating: the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act; the history and extent of previous administrative violations; the penalty necessary to deter future violations; and whether the administrative violation had a negative impact on the delivery of benefits to an injured employee.
4. DWC found the following factors in TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e) to be mitigating: promptness and earnestness in responding to DWC; adjuster training was held on May 12, 2021, with Imperium Insurance's TPA/vendor, on properly identifying and paying benefits pursuant to a DD report.
5. Imperium Insurance acknowledges it communicated with DWC about the relevant statutes and rules it violated; the facts establish that the administrative violation occurred; and the proposed sanction is appropriate, including the factors DWC considered under TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e).
6. Imperium Insurance acknowledges that, in assessing the sanction, DWC considered the factors in TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e).
