Subject: Opportunity to review and comment on informal working draft amendments to Chapter 166 - Accident Prevention Services rules

The Texas Department of Insurance, Division of Workers' Compensation (DWC) requests comments on an [informal working draft](#) of amendments to 28 Texas Administrative Code [Chapter 166](#) to improve the process insurance companies use to submit information on their accident prevention services to DWC.

DWC staff reviewed this process and identified areas to improve, including removing certain burdensome requirements that companies must follow when they submit information on their accident prevention services.

To make many of these improvements, DWC must adopt rules.

We are requesting comments on the rule text. Email your comments to RuleComments@tdi.texas.gov. We must receive your written comments by 5 p.m., Central time, on December 15, 2023. You may also mail or deliver your comments to:
